WELFARE REPORT

The Lord has been good to us. The church passed through the storms in the past one year. The Lord stood with us.

Birthday celebration ☐

we celebrated members of the church on their birthdays in church and in the WhatsApp platform

Barbecue fellowship-

A gathering of members to the church to wine and dine and thank God for our growth. We had lots to eat and drink such as barbecue, plantain jollof rice and chicken, suya, burger and sausage rolls, snacks and ice lolly for the kids. Members donated and participated in the cooking and success of the event. Guests were invited and we were honored to have them rejoicing with us. In the light of the event we dedicated the children church to the glory of God.

Children's day celebration

The church celebrated the children day with lots of activities such as Bible word, quiz, singing and parents were involved. Gifts were also given to the participants.

We bless God for the last one year and we believe that there will be exponential growth in Jesus name ☐ Amen

Spiritual Report April 2024 to April 2025.

The year 2024 to 2025 was memorable and very eventful. However the spirit of rebellion sneaked into the church. Within two weeks, four families left the church, some of them are principal officers in the church, such as the church secretary and the treasurer. During the year we had our regular church services on Sundays and night vigil last Friday of every month. Because of the poor attendance of the night vigils and more so, our brethren who went on spiritual vacation, we decided that last Sunday of every month be dedicated to prayers. We hosted the cluster fellowship and it was a huge success with the introduction of guitar to our worship musical instruments. We also had our summer barbecue fellowship with profound success. Invited guests honoured our invites. First week in October, the church bought a bus to ease transportation of members to and from church. In October, the church baptised six young converts after receiving discipleship teaching. To glory of God, there are waxing stronger in the faith. December was full of activities that enriched the soul, spirit and body. Apart from the Christmas celebrations, we went on a trip to National Sea Life. It was very eventful and memorable.

The year 2025 was declared 'Our year of Divine Upliftment. Rev 4:1. March 2005, thieves broke into the children church and made away with the 52" Flat screen TV, pump, 3.5kv generator, destroyed the canopy and the door. We reported to the police and the police said they apprehended the thieves. However, the church is yet to recover the stolen items. To God be the glory for great things He has done and greater things He will yet. In all these things we are more than conquerors through Christ who strengthens us.

Significant activities

The principal activities of the church are:

Christian worship, Christian outreach program to increase Christian awareness and to spread the gospel of our Lord Jesus Christ and the development of the whole man, spiritually, mentally and physically

Church History and Status

4square Gospel Church, Power & Authority Sanctuary as a registered charity organisation in the United Kingdom continue to function purely within the scope of its charitable status since its inception and registration.

Operations during the year

The church continues to engage in the propagation of the Christian religion to the local, national and international communities within Birmingham and its environs. The year under review was memorable and very eventful.

At a time, the church grappled with the challenges of giving support with the goal of integrating the brethren who migrated from Nigeria to the UK. As a charity organisation, we assisted the migrants with financial support, counselling, prayers, advice so as to make their relocation to UK less stressful and integrate them into the church, community and society at large.

During the year, we embarked on building a befitting place of worship for our children.

As a charity, the church supports:

Projects and goals which are aimed at relieving the effect of poverty on the less privileged, as well as bridging the links among the diverse people of our communities.

Future strategy and policy

The trustees are satisfied that the charity has sufficient resources to maintain its current activities and hope that the congregation will grow and increase naturally with time.
