ReachAcross International

TRUSTEES' REPORT (CONTINUED)

Charitable Objects and Activities

The Objects of the CIO which are for the Public Benefit are:

- the advancement of the Christian faith amongst Muslims throughout the world.
- the relief of the poor and needy.
- the help and comfort of the sick and aged.
- generally, the advancement of any religious or other charitable objects not inconsistent with the foregoing which may from time to time commend itself to the trustees.

The main Activities of the CIO consist of the holding and managing of property and the holding and managing of funds for the international office of a network of ReachAcross charities worldwide with similar objectives.

Organisation

The charity is constituted as a charitable incorporated organisation and is governed by a board of trustees which is responsible for setting the strategic direction of the charity and for establishing policy. The board of trustees meets four times a year and delegates the day-to-day operation of the charity to a management team. The charity is part of a worldwide network consisting of charities with similar objectives.

Review of the Period

The charity continues to work from a decentralised office, most officers work from their home. In the past year the international security policy of ReachAcross was revised to bring it in line with current standards crisis management approaches.

The charity

- 1) continues to hold property. It ensures adequate property management and use of the property in line with the objectives of the ReachAcross network.
- 2) continues to run bank accounts for the management of some funds of the international office of the ReachAcross network in support of the international coordinating work of the office. The charity ensures use and managements of funds in line with the objectives of the ReachAcross network.

Regarding 1), the charity has continued to make parts of its own premises in the UK available to another charitable group in the UK with similar objectives.

In September 2024 a large beech tree in the front yard was topped and trimmed. This has led to more light for the front of the house and less foliage blocking the gutters. The roof of the house was also cleaned and patched in places where there had been some minor leaks. In the back of the house, some of the plastic corrugated roofing that was ripped off by a storm, was replaced.

Regarding 2), the charity has continued to provide funds for training and coaching especially to the leadership of the partners of the wider ReachAcross network that consists of national charities in UK, Switzerland, Germany, USA, Canada and Uganda.

Trustee Training:

The Trustees have read the guide 'Making Decisions at a Charity – Follow the Principles', to be reminded of their duties as trustees.

Review of Finances

- (1) The charity's income mainly consists of donations from charities in the network that are restricted to the use for purposes of the international office of the ReachAcross network. Charities in the network are mainly supported by voluntary gifts from churches and individuals.
- (2) In addition, part of the charity's income is donations from partners staying temporarily at the charity's premises, and part is direct donations from supporters.
- (3) This income has proved adequate, the effectiveness of the work has been maintained and there remains a reasonable level of funds.
- (4) The trustees consider that the charity remains in a healthy financial position and is able to meet its ongoing commitments.

Financial Procedures:

A Financial Procedures Manual was developed and approved by the Trustees.

TRUSTEES' REPORT (CONTINUED)

Investment Policy

The charity's investment powers are prescribed in its constitution. The prescribed investment powers allow the trustees to invest in any investments or securities of any nature consistent with the principles for which the charity stands, including land of any tenure. The trustees have decided that with the present level of reserves it is prudent that investment is not restricted to cash on deposit but that it is desirable to invest a portion of the reserves of the charity into other low or medium risk investments to ensure the financial long-term viability of the charity, due to low interest rates and rising inflation. The trustees have decided in the financial year 2022-2023 to invest £100,000 with Ruffer AIFM Limited into their Charity Assets Trust. The investment came into effect in May 2023. The current year end value of the investment is £94,619.

Savings Account

The Trustees decided to open a savings account with Kingdom Bank and deposit £50,000 of the Charity's reserves to not surpass the deposit security threshold by having all savings in one bank and have some income from interest.

Financial Review

Unrestricted year-end balance was £203,896, £35,414 more than last year, this is due to the increase of funds received from global ReachAcross Charities in the value of £23,114. And also, due to a significant lower total expenditure of £12,101, mainly because the international conference of ReachAcross and related cost occurred in the previous year. The Charity aims to have 6 months reserve in the value of £36,000, this currently stand at £40,000 (see also reserves policy below).

Reserves Policy

The trustees have examined the requirement for free reserves which are those unrestricted funds not invested in fixed assets, designated for specific purposes or otherwise committed. The trustees consider that, given the present nature and level of the work and the call on funds, £40,000 should be held and this will be sufficient to provide working capital for core costs and allow for quick response to any emergencies.

Risk Management

The trustees actively review the major risks that the charity faces on a regular basis and believe that maintaining free reserves at the levels stated above, combined with the regular review of controls and systems carried out, will provide sufficient resources in the event of any problems. The trustees have also examined the operational risks faced and established that the necessary systems are in place to mitigate the significant risks. Again, an annual review of the financial controls was done using the template provided by the Charity Commission.

Trustees

The trustees in office during the report period and at the date of the approval of this report are set out on page 1.

Public Benefit

The charity acknowledges its requirement to demonstrate clearly that it must have charitable purposes or 'aims' that are for the public benefit. The trustees confirm that they have paid due regard to the charity commission guidance on public benefit before deciding what activities the charity should undertake.

Statement of Trustees' responsibilities

The trustees are required by law to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity at the end of the financial year and of the incoming resources and application of the resources of the charity in that year. In preparing those financial statements the trustees are

ReachAcross International

required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- comply with applicable accounting standards subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on a going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are also responsible for keeping proper accounting records which disclose, with reasonable accuracy at any time, the financial position of the charity. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by the Trustees on, 24 June 2025

Signed on behalf of the Trustees by,

(Penny Basher)

ReachAcross International

NOTES TO THE FINANCIAL STATEMENTS for the year ended 31 March 2025

1. Principal accounting policies

The charity has taken advantage of the exemption in Financial Reporting Standard No 1 from the requirement to produce a cash flow statement.

a) Basis of Preparation and Assessment of Going Concern

The financial statements have been prepared under the historical cost convention in accordance with items recognised at cost or transaction value unless otherwise stated in the relevant notes. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2015) - (Charities SORP - FRS102) and the Charities Act 2011.

The charity meets the definition of a public benefit entity under FRS102. Assets and liabilities are initially recognised at historical cost unless otherwise stated in the relevant accounting policy notes.

Assessment of Going Concern

Preparation of the accounts is on a going concern basis. The trustees consider that there are no material uncertainties about the Charity's ability to continue as a going concern.

b) Incoming resources

The network of ReachAcross charities provides donations to ReachAcross International to co-ordinate international support for the network. It is accounted for in full on a receipts basis with the addition of any tax reclaimable. In accordance with this policy, legacies are included on receipt of payment from the personal representative of an estate or when property is transferred.

ReachAcross International

NOTES TO THE FINANCIAL STATEMENTS (Continued) for the year ended 31 March 2025

c) Tangible fixed assets

All assets costing more than £1,000 are capitalised.

Depreciation is calculated to write off the cost, less estimated residual value, of fixed assets on a straight line basis over their estimated useful lives. No depreciation is charged on the freehold property as it is maintained to such a standard that its estimated residual value is not considered to be less than its cost or valuation and any depreciation charge will be immaterial.

Depreciation rates used are:

Furniture and equipment

25% straight line

d) Foreign currencies

Transactions in foreign currencies are translated at rates prevailing at the date of the transaction. Currencies are revalued at year-end.

e) Resources expended and basis of allocation of costs

Expenditure is included when incurred and includes irrecoverable VAT. Expenditure on operational programmes is recognized in the period it is incurred. A designated fund is established for expenditure which has been committed to projects, but remains unspent at the year end.

f) Costs of managing and administering the charity

These represent costs attributable to the management of the charity's assets, organizational administration and compliance with constitutional and statutory requirements.

ReachAcross International

NOTES TO THE FINANCIAL STATEMENTS for the year ended 31 March 2025

Principal accounting policies Cont'd.

(g) Funds accounting.

Funds held by the charity are:

Unrestricted general funds – these are funds which can be used in accordance with the charitable objects at the discretion of the

Restricted funds – these are funds that can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

6.b Net Analysis of Funds

In July 2021 ReachAcross International was given a loan of €50,000 (euros) to use without restrictions. It was agreed that ReachAcross International would repay the loan at €5,000 (euros) a year. Starting 31st July 2022 this was transferred to the International office in 4 quarts and amounted to £41,7340

The first payment was made by the German office on 07/07/2022 and deducted from their levy contribution €5,000 = £4,167

The second payment was made by the German office on 31/07/2023 and deducted from their levy contribution €5,000 = £4,247

The third payment was made by the German office on 14/02/2025 and deducted from their levy contribution €5,000 = £4,058

The current balance is now €35,000 and has been accounted as being £29,267

8. Staff Costs

During the period 1 April 2024 to 31 March 2025 two staff members of ReachAcross Germany served the wider network of ReachAcross Charities. ReachAcross Germany administered the payroll of the employment of these staff members. This has saved RA INTERNATIONAL this amount: €98,968

ReachAcross International contributed (€20,000) £16,233.15 to the cost of these employments, as ReachAcross International is rendering service to the wider network of ReachAcross Charities.

INDEPENDENT EXAMINER'S REPORT ON THE ACCOUNTS

Report to the trustees/members of ReachAcross International on the accounts for the year ended 31st March 2025.

RESPECTIVE RESPONSIBILITIES OF TRUSTEES AND EXAMINER

The charity's trustees consider that an audit is not required for this year (under section 144 (2) of the Charities Act 2011) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts (under section 145 of the 2011 Act),
- to follow the procedures laid down in the General Directions given by the Charity Commission (under section 145(5)(b) of the 2011 Act), and
- to state whether particular matters have come to my attention.

BASIS OF INDEPENDENT EXAMINER'S STATEMENT

My examination was carried out in accordance with General Directions given by the Charity Commissioners. An examination includes a review of the accounting records kept by the organisation and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

INDEPENDENT EXAMINER'S STATEMENT

In the course of my examination, no matter has come to my attention

1. which gives me reasonable cause to believe that in, any material respect, the trustees have not met the requirements to ensure that:

- proper accounting records are kept (in accordance with section 130 of the Act); and
- accounts are prepared which agree with the accounting records and comply with the accounting requirements of the Act; or

2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

TRUSTEES' REPORT

The trustees present their annual report and financial statements for the accounting period of the Charitable Incorporated Organisation 'ReachAcross International' from 1 April, 2023 to 31 March, 2024.

The financial statements have been prepared on the accounting policies set out in note 1 to the financial statements and comply with the charity's constitution, applicable law and the requirements of the Statement of Recommended Practice, "Accounting and Reporting by Charities," (FRS 102), second edition, and the Charities (Accounts and Reports) Regulations 2008.

Legal and administrative information

Full Name:	ReachAcross International
Constitution:	The Charity is constituted as a charitable incorporated organisation under a constitution dated 10 March 2017, and registered with the Charity Commission of England and Wales on 25 August, 2017.
Registered Number:	1174386
Trustees:	Remon Samuel (until 17 October 2023) Anja Kappers (until 17 October 2023) Penny Brasher (since 2 July 2019) Roland Denner (since 8 October 2019) Mark Wenger (since 8 October 2019) Gemma Locke (since 17 October 2023) Joel Spaxman (since 17 October 2023)
Registered Office:	66, Park Hill Moseley Birmingham B13 8DS
Bankers:	Unity Trust Bank PO Box 7193 Planetary Road Willenhall WV1 9DG
Independent Examiner:	Donna Leppitt Independent Examiners Ltd Poplars Yapton Lane Walberton West Sussex BN18 OAS

TRUSTEES' REPORT (CONTINUED)

Charitable Objects and Activities

The Objects of the CIO which are for the Public Benefit are:

- the advancement of the Christian faith amongst Muslims throughout the world.
- the relief of the poor and needy.
- the help and comfort of the sick and aged.
- generally, the advancement of any religious or other charitable objects not inconsistent with the foregoing which may from time to time commend itself to the trustees.

The main Activities of the CIO consist of the holding and managing of property and the holding and managing of funds for the international office of a network of ReachAcross charities worldwide with similar objectives.

Organisation

The charity is constituted as a charitable incorporated organisation and is governed by a board of trustees which is responsible for setting the strategic direction of the charity and for establishing policy. The board of trustees meets four times a year and delegates the day-to-day operation of the charity to a management team. The charity is part of a worldwide network consisting of charities with similar objectives.

Review of the Period

The charity continues to work from a decentralised office as established during the Covid19 pandemic, most officers work from their home.

The charity

- 1) continues to hold property. It ensures adequate property management and use of the property in line with the objectives of the ReachAcross network.
- 2) continues to run bank accounts for the management of some funds of the international office of the ReachAcross network in support of the international coordinating work of the office. The charity ensures use and managements of funds in line with the objectives of the ReachAcross network.

Regarding 1), the charity has continued to make parts of its own premises in the UK available to another charitable group in the UK with similar objectives.

Regarding 2), the charity has continued to provide funds for training and coaching especially to the leadership of the partners of the wider ReachAcross network that consists of national charities in UK, Switzerland, Germany, USA, Canada and Uganda.

Trustee Training:

The Trustees have read the guide 'Charity Purposes and Rules', to be reminded of their duties as trustees.

Review of Finances

- (1) The charity's income mainly consists of donations from charities in the network that are restricted to the use for purposes of the international office of the ReachAcross network. Charities in the network are mainly supported by voluntary gifts from churches and individuals.
- (2) In addition, part of the charity's income is donations from partners staying temporarily at the charity's premises, and part is direct donations from supporters.
- (3) This income has proved adequate, the effectiveness of the work has been maintained and there remains a reasonable level of funds.
- (4) The trustees consider that the charity remains in a healthy financial position and is able to meet its ongoing commitments.

Financial Procedures:

A Financial Procedures Manual was developed and approved by the Trustees.

TRUSTEES' REPORT (CONTINUED)

Investment Policy

The charity's investment powers are prescribed in its constitution. The prescribed investment powers allow the trustees to invest in any investments or securities of any nature consistent with the principles for which the charity stands, including land of any tenure. The trustees have decided that with the present level of reserves it is prudent that investment is not restricted to cash on deposit but that it is desirable to invest a portion of the reserves of the charity into other low or medium risk investments to ensure the financial long-term viability of the charity, due to low interest rates and rising inflation. The trustees have decided in the financial year 2022-2023 to invest £100,000 with Ruffer AIFM Limited into their Charity Assets Trust. The investment came into effect in May 2023.

Savings Account

The Trustees decided to open a savings account with Kingdom Bank and deposit £20,000 of the Charity's reserves to benefit from the recent rise of interest rates for savings.

Reserves Policy

The trustees have examined the requirement for free reserves which are those unrestricted funds not invested in fixed assets, designated for specific purposes or otherwise committed. The trustees consider that, given the present nature and level of the work and the call on funds, £40,000 should be held and this will be sufficient to provide working capital for core costs and allow for quick response to any emergencies.

Risk Management

The trustees actively review the major risks that the charity faces on a regular basis and believe that maintaining free reserves at the levels stated above, combined with the regular review of controls and systems carried out, will provide sufficient resources in the event of any problems. The trustees have also examined the operational risks faced and established that the necessary systems are in place to mitigate the significant risks. Again, an annual review of the financial controls was done using the template provided by the Charity Commission.

Trustees

The trustees in office during the report period and at the date of the approval of this report are set out on page 1.

Public Benefit

The charity acknowledges its requirement to demonstrate clearly that it must have charitable purposes or 'aims' that are for the public benefit. The trustees confirm that they have paid due regard to the charity commission guidance on public benefit before deciding what activities the charity should undertake.

Statement of Trustees' responsibilities

The trustees are required by law to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity at the end of the financial year and of the incoming resources and application of the resources of the charity in that year. In preparing those financial statements the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- comply with applicable accounting standards subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on a going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are also responsible for keeping proper accounting records which disclose, with reasonable accuracy at any time, the financial position of the charity. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by the Trustees on, 25 October 2024

Signed on behalf of the Trustees by,

(Penny Basher)

ReachAcross International

NOTES TO THE FINANCIAL STATEMENTS for the year ended 31 March 2024

1. **Principal accounting policies**

The charity has taken advantage of the exemption in Financial Reporting Standard No 1 from the requirement to produce a cash flow statement.

a) Basis of Preparation and Assessment of Going Concern

The financial statements have been prepared under the historical cost convention in accordance with items recognised at cost or transaction value unless otherwise stated in the relevant notes. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2015) - (Charities SORP - FRS102) and the Charities Act 2011.

The charity meets the definition of a public benefit entity under FRS102. Assets and liabilities are initially recognised at historical cost unless otherwise stated in the relevant accounting policy notes.

Assessment of Going Concern

Preparation of the accounts is on a going concern basis. The trustees consider that there are no material uncertainties about the Charity's ability to continue as a going concern.

b) Incoming resources

The network of ReachAcross charities provides donations to ReachAcross International to co-ordinate international support for the network. It is accounted for in full on a receipts basis with the addition of any tax reclaimable. In accordance with this policy, legacies are included on receipt of payment from the personal representative of an estate or when property is transferred.

ReachAcross International

NOTES TO THE FINANCIAL STATEMENTS (Continued) for the year ended 31 March 2024

c) Tangible fixed assets

All assets costing more than £1,000 are capitalised.

Depreciation is calculated to write off the cost, less estimated residual value, of fixed assets on a straight line basis over their estimated useful lives. No depreciation is charged on the freehold property as it is maintained to such a standard that its estimated residual value is not considered to be less than its cost or valuation and any depreciation charge will be immaterial.

Depreciation rates used are:

Furniture and equipment

25% straight line

d) Foreign currencies

Transactions in foreign currencies are translated at rates prevailing at the date of the transaction. Currencies are revalued at year-end.

e) Resources expended and basis of allocation of costs

Expenditure is included when incurred and includes irrecoverable VAT. Expenditure on operational programmes is recognized in the period it is incurred. A designated fund is established for expenditure which has been committed to projects, but remains unspent at the year end.

f) Costs of managing and administering the charity

These represent costs attributable to the management of the charity's assets, organizational administration and compliance with constitutional and statutory requirements.

ReachAcross International

NOTES TO THE FINANCIAL STATEMENTS for the year ended 31 March 2024

Principal accounting policies Cont'd.

(g) Funds accounting.

Funds held by the charity are:

Unrestricted general funds – these are funds which can be used in accordance with the charitable objects at the discretion of the trustees.

Restricted funds – these are funds that can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

6.b Net Analysis of Funds

In July 2021 ReachAcross International was give a loan of €50,000 (euros) to use without restrictions. It was agreed that ReachAcross International would repay the loan at €5,000 (euros) a year. Starting 31st July 2022 This was transferred to the International office in 4 quarts and amounted to £41,739.52

The first payment was made by the German office on 07/07/2022 and deducted from their levy contribution €5,000 = £4,167.08

The second payment was made by the German office on 31/07/2023 and deducted from their levy contribution €5,000 = £4,247.26

The current balance is now €40,000 and has been accounted as being £33,325.18

NOTES TO THE FINANCIAL STATEMENTS (Continued)
for the year ended 31 March 2024

8. Staff Costs

During the period 1 April 2023 to 31 March 2024 two staff members of ReachAcross Germany served the wider network of ReachAcross Charities. ReachAcross Germany administered the payroll of the employment of these staff members. This has saved RA INTERNATIONAL this amount: €93,985.17

ReachAcross International contributed (€22,000) £19,098.88 to the cost of these employments, as ReachAcross International is rendering service to the wider network of ReachAcross Charities.

9. Expendable Endowment Fund to Designated Fund – changes in representation:

The £40,000 was set aside as a designated cash fund on the charity's current account as per the trustees' decision to provide for unforeseen circumstances such as any Crisis Management. This amount has been represented as Extendable Endowment Fund in previous published accounts in error. In the published accounts for year 23/24 this is now reflected as Designated Fund.

INDEPENDENT EXAMINER'S REPORT ON THE ACCOUNTS

Report to the trustees/members of ReachAcross International on the accounts for the year ended 31st March 2024 set out on pages 1 to 9.

RESPECTIVE RESPONSIBILITIES OF TRUSTEES AND EXAMINER

The charity's trustees consider that an audit is not required for this year (under section 144 (2) of the Charities Act 2011) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts (under section 145 of the 2011 Act),
- to follow the procedures laid down in the General Directions given by the Charity Commission (under section 145(5)(b) of the 2011 Act), and
- to state whether particular matters have come to my attention.

BASIS OF INDEPENDENT EXAMINER'S STATEMENT

My examination was carried out in accordance with General Directions given by the Charity Commissioners. An examination includes a review of the accounting records kept by the organisation and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

INDEPENDENT EXAMINER'S STATEMENT

In the course of my examination, no matter has come to my attention

1. which gives me reasonable cause to believe that in, any material respect, the trustees have not met the requirements to ensure that:

- proper accounting records are kept (in accordance with section 130 of the Act); and
- accounts are prepared which agree with the accounting records and comply with the accounting requirements of the Act; or

2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

TRUSTEES' REPORT

The trustees present their annual report and financial statements for the accounting period of the Charitable Incorporated Organisation 'ReachAcross International' from 1 April, 2022 to 31 March, 2023.

The financial statements have been prepared on the accounting policies set out in note 1 to the financial statements and comply with the charity's constitution, applicable law and the requirements of the Statement of Recommended Practice, "Accounting and Reporting by Charities," (FRS 102), second edition, and the Charities (Accounts and Reports) Regulations 2008.

ReachAcross International

TRUSTEES' REPORT (CONTINUED)

Charitable Objects and Activities

The Objects of the CIO which are for the Public Benefit are:

- the advancement of the Christian faith amongst Muslims throughout the world.
- the relief of the poor and needy.
- the help and comfort of the sick and aged.
- generally, the advancement of any religious or other charitable objects not inconsistent with the foregoing which may from time to time commend itself to the trustees.

The main Activities of the CIO consist of the holding and managing of property and the holding and managing of funds for the international office of a network of ReachAcross charities worldwide with similar objectives.

Organisation

The charity is constituted as a charitable incorporated organisation and is governed by a board of trustees which is responsible for setting the strategic direction of the charity and for establishing policy. The board of trustees meets four times a year and delegates the day-to-day operation of the charity to a management team. The charity is part of a worldwide network consisting of charities with similar objectives.

Review of the Period

The charity continues to work from a decentralised office as established during the Covid19 pandemic, most officers work from their home.

The charity

- 1) continues to hold property. It ensures adequate property management and use of the property in line with the objectives of the ReachAcross network.
- 2) continues to run bank accounts for the management of some funds of the international office of the ReachAcross network in support of the international coordinating work of the office. The charity ensures use and managements of funds in line with the objectives of the ReachAcross network.

Regarding 1), the charity has continued to make parts of its own premises in the UK available to another charitable group in the UK with similar objectives. For energy saving purposes the charity has replaced all old windows with modern PVC windows as far as the conservation regulations allow. For the remaining windows plans are on the way to install secondary glazing.

Regarding 2), the charity has continued to provide funds for training and coaching especially to the leadership of the partners of the wider ReachAcross network that consists of national charities in UK, Switzerland, Germany, USA, Canada and Uganda.

Policies:

The charity setup or revised the following of its policies:

01	Code of Conduct for Trustees of ReachAcross International V02-2022
02	ReachAcross Conflict of Interest Policy V02-2022
03	Safeguarding and Child Protection Policy of ReachAcross 02-2022
04	ReachAcross Policy on Whistleblowing 03-2022
05	ReachAcross Conflicts and Complaints Policy 03-2022
06	ReachAcross Confidentiality Policy
07	ReachAcross International Data Breach Policy 02-2022
08	ReachAcross International Personal Data Protection Policy 02-2022
09	ReachAcross Policy on Investments

TRUSTEES' REPORT (CONTINUED)

Trustee Training:

The Trustees have read the guide 'The Essential Trustee – What you need to know, what you need to do, to be reminded of the basic functions they have to cover as trustees.

Review of Finances

- (1) The charity's income mainly consists of donations from charities in the network that are restricted to the use for purposes of the international office of the ReachAcross network. Charities in the network are mainly supported by voluntary gifts from churches and individuals.
- (2) In addition, part of the charity's income is donations from partners staying temporarily at the charity's premises, and part is direct donations from supporters.
- (3) This income has proved adequate, the effectiveness of the work has been maintained and there remains a reasonable level of funds.
- (4) The trustees consider that the charity remains in a healthy financial position and is able to meet its ongoing commitments

Investment Policy

The charity's investment powers are prescribed in its constitution. The prescribed investment powers allow the trustees to invest in any investments or securities of any nature consistent with the principles for which the charity stands, including land of any tenure. The trustees have decided that with the present level of reserves it is prudent that investment is not restricted to cash on deposit but that it is desirable to invest a portion of the reserves of the charity into other low or medium risk investments to ensure the financial long-term viability of the charity, due to low interest rates and rising inflation. The trustees have decided to invest £100,000 with Ruffer AIFM Limited into their Charity Assets Trust. The investment will come into effect at the beginning of the next financial year.

Reserves Policy

The trustees have examined the requirement for free reserves which are those unrestricted funds not invested in fixed assets, designated for specific purposes or otherwise committed. The trustees consider that, given the present nature and level of the work and the call on funds, £40,000 should be held and this will be sufficient to provide working capital for core costs and allow for quick response to any emergencies.

Risk Management

The trustees actively review the major risks that the charity faces on a regular basis and believe that maintaining free reserves at the levels stated above, combined with the regular review of controls and systems carried out, will provide sufficient resources in the event of any problems. The trustees have also examined the operational risks faced and established that the necessary systems are in place to mitigate the significant risks. Again, an annual review of the financial controls was done using the template provided by the Charity Commission.

Trustees

The trustees in office during the report period and at the date of the approval of this report are set out on page 1.

Public Benefit

The charity acknowledges its requirement to demonstrate clearly that it must have charitable purposes or 'aims' that are for the public benefit. The trustees confirm that they have paid due regard to the charity commission guidance on public benefit before deciding what activities the charity should undertake.

TRUSTEES' REPORT (CONTINUED)

Statement of Trustees' responsibilities

The trustees are required by law to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity at the end of the financial year and of the incoming resources and application of the resources of the charity in that year. In preparing those financial statements the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- comply with applicable accounting standards subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on a going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are also responsible for keeping proper accounting records which disclose, with reasonable accuracy at any time, the financial position of the charity. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by the Trustees on, October 17, 2023

Signed on behalf of the Trustees by, Penny Brasher

ReachAcross International

NOTES TO THE FINANCIAL STATEMENTS

For the period ended 31 March 2023

1. Principal accounting policies

The charity has taken advantage of the exemption in Financial Reporting Standard No 1 from the requirement to produce a cash flow statement.

a) Basis of preparation and assessment of going concern

The financial statements have been prepared under the historical cost convention in accordance with items recognised at cost or transaction value unless otherwise stated in the relevant notes. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2015) - (Charities SORP - FRS102) and the Charities Act 2011.

The charity meets the definition of a public benefit entity under FRS102. Assets and liabilities are initially recognised at historical cost unless otherwise stated in the relevant accounting policy notes.

Assessment of going concern

After making appropriate enquiries, the Trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements.

b) Incoming resources

The network of ReachAcross charities provides donations to ReachAcross International to co-ordinate international support for the network. It is accounted for in full on a receipts basis with the addition of any tax reclaimable. In accordance with this policy, legacies are included on receipt of payment from the personal representative of an estate or when property is transferred.

c) Tangible fixed assets

All assets costing more than £250 are capitalised. Depreciation is calculated to write off the cost, less estimated residual value, of fixed assets on a straight line basis over their estimated useful lives. No depreciation is charged on the freehold property as it is maintained to such a standard that its estimated residual value is not considered to be less than its cost or valuation and any depreciation charge will be immaterial.

Depreciation rates used are:

Furniture and equipment	25% straight line
-------------------------	-------------------

d) Foreign currencies

Transactions in foreign currencies are translated at rates prevailing at the date of the transaction. Currencies are revalued at year-end.

e) Resources expended and basis of allocation of costs

Expenditure is included when incurred and includes irrecoverable VAT. Expenditure on operational programmes is recognized in the period it is incurred. A designated fund is established for expenditure which has been committed to projects but remains unspent at the year end.

f) Costs of managing and administering the charity

These represent costs attributable to the management of the charity's assets, organisational administration and compliance with constitutional and statutory requirements.

g) Funds accounting

Funds held by the charity are:

Unrestricted general funds – these are funds which can be used in accordance with the charitable objects at the discretion of the trustees.

Restricted funds – these are funds that can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

NOTES TO THE FINANCIAL STATEMENTS for the year ended 31 March 2023

1. Principal accounting policies

The charity has taken advantage of the exemption in Financial Reporting Standard No 1 from the requirement to produce a cash flow statement.

a) Basis of Preparation and Assessment of Going Concern

The financial statements have been prepared under the historical cost convention in accordance with items recognised at cost or transaction value unless otherwise stated in the relevant notes. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2015) - (Charities SORP - FRS102) and the Charities Act 2011.

The charity meets the definition of a public benefit entity under FRS102. Assets and liabilities are initially recognised at historical cost unless otherwise stated in the relevant accounting policy notes.

Assessment of Going Concern

Preparation of the accounts is on a going concern basis. The trustees consider that there are no material uncertainties about the Charity's ability to continue as a going concern.

b) Incoming resources

The network of ReachAcross charities provides donations to ReachAcross International to co-ordinate international support for the network. It is accounted for in full on a receipts basis with the addition of any tax reclaimable. In accordance with this policy, legacies are included on receipt of payment from the personal representative of an estate or when property is transferred.

c) Tangible fixed assets

All assets costing more than £250 are capitalised.

Depreciation is calculated to write off the cost, less estimated residual value, of fixed assets on a straight line basis over their estimated useful lives. No depreciation is charged on the freehold property as it is maintained to such a standard that its estimated residual value is not considered to be less than its cost or valuation and any depreciation charge will be immaterial.

Depreciation rates used are:

	40,000	176,144	26,194	242,338

In July 2021 ReachAcross International was given a loan of €50,000 (euros) to use without restrictions. It was agreed that ReachAcross International would repay the loan at €5,000 (euros) a year. Starting 31st July 2022 This was transferred to the International office in 4 quarters and amounted to £41,739.52. The first payment was made by the German office and deducted from their levy contribution €5,000 = £4,167.08. The current balance is now €45,000 and has been accounted as being £37,572.44.

REACHACROSS INTERNATIONAL

INDEPENDENT EXAMINER'S REPORT ON THE ACCOUNTS FOR THE YEAR ENDED 31ST MARCH 2023

Report to the trustees/ members of ReachAcross International on the accounts for the year ended 31st March 2023.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
- to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination was carried out in accordance with general directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention

1. which gives me reasonable cause to believe that in, any material respect, the requirements:

- to keep accounting records in accordance with section 130 of the Charities Act; and
- to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act

have not been met; or

2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

ReachAcross International

TRUSTEES' REPORT (CONTINUED)

Charitable Objects and Activities

The Objects of the CIO which are for the Public Benefit are:

- the advancement of the Christian faith amongst Muslims throughout the world.
- the relief of the poor and needy.
- the help and comfort of the sick and aged.
- generally, the advancement of any religious or other charitable objects not inconsistent with the foregoing which may from time to time commend itself to the trustees.

The main Activities of the CIO consist of the holding and managing of property and the holding and managing of funds for the international office of a network of ReachAcross charities worldwide with similar objectives.

Organisation

The charity is constituted as a charitable incorporated organisation and is governed by a board of trustees which is responsible for setting the strategic direction of the charity and for establishing policy. The board of trustees meets four times a year and delegates the day-to-day operation of the charity to a management team. The charity is part of a worldwide network consisting of charities with similar objectives.

Review of the Period

The charity continues to work from a decentralised office as established during the Covid19 pandemic, most officers work from their home.

The charity

- 1) continues to hold property. It ensures adequate property management and use of the property in line with the objectives of the ReachAcross network.
- 2) continues to run bank accounts for the management of some funds of the international office of the ReachAcross network in support of the international coordinating work of the office. The charity ensures use and managements of funds in line with the objectives of the ReachAcross network.

Regarding 1), the charity has continued to make parts of its own premises in the UK available to another charitable group in the UK with similar objectives. The charity is looking into ways of redoing the roof and refurbishing the windows of the building in a cost-effective way. This proves challenging, as the building is situated in a conservation area, however, rising energy costs are making this an increasingly urgent matter. Regarding 2), the charity has continued to provide funds for training and coaching especially for the leadership of the partners of the wider ReachAcross network that consists of national charities in UK, Switzerland, Germany, USA, Canada and Uganda.

Trustee Training:

The Trustees have read the guide 'Charity and Investment Matters – A Guide for Trustees', to be prepared for making decisions on investments.

Review of Finances

- (1) The charity's income mainly consists of donations from charities in the network that are restricted to the use for purposes of the international office of the ReachAcross network. Charities in the network are mainly supported by voluntary gifts from churches and individuals.
- (2) In addition, part of the charity's income is donations from partners staying temporarily at the charity's premises, and part is direct donations from supporters.
- (3) This income has proved adequate, the effectiveness of the work has been maintained and there remains a reasonable level of funds.
- (4) The trustees consider that the charity remains in a healthy financial position and is able to meet its ongoing commitments.

ReachAcross International

TRUSTEES' REPORT (CONTINUED)

Investment Policy

The charity's investment powers are prescribed in its constitution. The prescribed investment powers allow the trustees to invest in any investments or securities of any nature consistent with the principles for which the charity stands, including land of any tenure. The trustees have decided that with the present level of reserves it is prudent that investment is not restricted to cash on deposit but that it is desirable to invest a portion of the reserves of the charity into other low or medium risk investments to ensure the financial long-term viability of the charity, due to low interest rates and rising inflation. The trustees are seeking professional advice in the process of taking out such an investment.

Reserves Policy

The trustees have examined the requirement for free reserves which are those unrestricted funds not invested in fixed assets, designated for specific purposes or otherwise committed. The trustees consider that, given the present nature and level of the work and the call on funds, £40,000 should be held and this will be sufficient to provide working capital for core costs and allow for quick response to any emergencies.

Risk Management

The trustees actively review the major risks that the charity faces on a regular basis and believe that maintaining free reserves at the levels stated above, combined with the regular review of controls and systems carried out, will provide sufficient resources in the event of any problems. The trustees have also examined the operational risks faced and established that the necessary systems are in place to mitigate the significant risks. Again, an annual review of the financial controls was done using the template provided by the Charity Commission.

Trustees

The trustees in office during the report period and at the date of the approval of this report are set out on page 1.

Public Benefit

The charity acknowledges its requirement to demonstrate clearly that it must have charitable purposes or 'aims' that are for the public benefit. The trustees confirm that they have paid due regard to the charity commission guidance on public benefit before deciding what activities the charity should undertake.

Statement of Trustees' responsibilities

The trustees are required by law to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity at the end of the financial year and of the incoming resources and application of the resources of the charity in that year. In preparing those financial statements the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- comply with applicable accounting standards subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on a going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are also responsible for keeping proper accounting records which disclose, with reasonable accuracy at any time, the financial position of the charity. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by the Trustees on, 20th October 2022

Signed on behalf of the Trustees by, 

ReachAcross International

NOTES TO THE FINANCIAL STATEMENTS

For the period ended 31 March 2022

1. Principal accounting policies

The charity has taken advantage of the exemption in Financial Reporting Standard No 1 from the requirement to produce a cash flow statement.

a) Basis of preparation and assessment of going concern

The financial statements have been prepared under the historical cost convention in accordance with items recognised at cost or transaction value unless otherwise stated in the relevant notes. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2015) - (Charities SORP - FRS102) and the Charities Act 2011.

The charity meets the definition of a public benefit entity under FRS102. Assets and liabilities are initially recognised at historical cost unless otherwise stated in the relevant accounting policy notes.

Assessment of going concern

Preparation of the accounts is on a going concern basis. The trustees consider that there are no material uncertainties about the Charity's ability to continue as a going concern.

b) Incoming resources

The network of ReachAcross charities provides donations to ReachAcross International to co-ordinate international support for the network. It is accounted for in full on a receipts basis with the addition of any tax reclaimable. In accordance with this policy, legacies are included on receipt of payment from the personal representative of an estate or when property is transferred.

c) Tangible fixed assets

All assets costing more than £250 are capitalised. Depreciation is calculated to write off the cost, less estimated residual value, of fixed assets on a straight line basis over their estimated useful lives. No depreciation is charged on the freehold property as it is maintained to such a standard that its estimated residual value is not considered to be less than its cost or valuation and any depreciation charge will be immaterial.

Depreciation rates used are:

Furniture and equipment	25% straight line
-------------------------	-------------------

d) Foreign currencies

Transactions in foreign currencies are translated at rates prevailing at the date of the transaction. Currencies are revalued at year-end.

e) Resources expended and basis of allocation of costs

Expenditure is included when incurred and includes irrecoverable VAT. Expenditure on operational programmes is recognized in the period it is incurred. A designated fund is established for expenditure which has been committed to projects but remains unspent at the year end.

f) Costs of managing and administering the charity

These represent costs attributable to the management of the charity's assets, organisational administration and compliance with constitutional and statutory requirements.

g) Funds accounting

Funds held by the charity are:

Unrestricted general funds – these are funds which can be used in accordance with the charitable objects at the discretion of the trustees.

Restricted funds – these are funds that can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

NOTES TO THE FINANCIAL STATEMENTS for the year ended 31 March 2022

1. Principal accounting policies

The charity has taken advantage of the exemption in Financial Reporting Standard No 1 from the requirement to produce a cash flow statement.

a) Basis of Preparation and Assessment of Going Concern

The financial statements have been prepared under the historical cost convention in accordance with items recognised at cost or transaction value unless otherwise stated in the relevant notes. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2015) - (Charities SORP - FRS102) and the Charities Act 2011.

The charity meets the definition of a public benefit entity under FRS102. Assets and liabilities are initially recognised at historical cost unless otherwise stated in the relevant accounting policy notes.

Assessment of Going Concern

Preparation of the accounts is on a going concern basis. The trustees consider that there are no material uncertainties about the Charity's ability to continue as a going concern.

b) Incoming resources

The network of ReachAcross charities provides donations to ReachAcross International to co-ordinate international support for the network. It is accounted for in full on a receipts basis with the addition of any tax reclaimable. In accordance with this policy, legacies are included on receipt of payment from the personal representative of an estate or when property is transferred.

c) Tangible fixed assets

All assets costing more than £250 are capitalised.

Depreciation is calculated to write off the cost, less estimated residual value, of fixed assets on a straight line basis over their estimated useful lives. REACHACROSS INTERNATIONAL

**INDEPENDENT EXAMINER'S REPORT ON THE ACCOUNTS
FOR THE YEAR ENDED 31ST MARCH 2022**

Report to the trustees/ members of xxx (Charity Name) on the accounts for the year ended xxx (date).

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
- to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination was carried out in accordance with general directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention

1. which gives me reasonable cause to believe that in, any material respect, the requirements:

- to keep accounting records in accordance with section 130 of the Charities Act; and
- to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act

have not been met; or

2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

ReachAcross International

TRUSTEES' REPORT (CONTINUED)

Investment Policy

The charity's investment powers are prescribed in its constitution. The prescribed investment powers allow the trustees to invest in any investments or securities of any nature consistent with the principles for which the charity stands, including land of any tenure. The trustees have decided that with the present level of reserves it is prudent that investment is restricted to cash on deposit.

Reserves Policy

The trustees have examined the requirement for free reserves which are those unrestricted funds not invested in fixed assets, designated for specific purposes or otherwise committed. The trustees consider that, given the present nature and level of the work and the call on funds, £40,000 should be held and this will be sufficient to provide working capital for core costs and allow for quick response to any emergencies.

Risk Management

The trustees actively review the major risks that the charity faces on a regular basis and believe that maintaining free reserves at the levels stated above, combined with the regular review of controls and systems carried out, will provide sufficient resources in the event of any problems. The trustees have also examined the operational risks faced and established that the necessary systems are in place to mitigate the significant risks.

Trustees

The trustees in office during the report period and at the date of the approval of this report are set out on page 1.

Public Benefit

The charity acknowledges its requirement to demonstrate clearly that it must have charitable purposes or 'aims' that are for the public benefit. The trustees confirm that they have paid due regard to the charity commission guidance on public benefit before deciding what activities the charity should undertake.

Statement of Trustees' responsibilities

The trustees are required by law to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity at the end of the financial year and of the incoming resources and application of the resources of the charity in that year. In preparing those financial statements the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- comply with applicable accounting standards subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on a going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are also responsible for keeping proper accounting records which disclose, with reasonable accuracy at any time, the financial position of the charity. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by the Trustees on, November 3, 2021

Signed on behalf of the Trustees by, Denny Braker

NOTES TO THE FINANCIAL STATEMENTS
For the period ended 31 March 2021

1. Principal accounting policies

The charity has taken advantage of the exemption in Financial Reporting Standard No 1 from the requirement to produce a cash flow statement.

a) Basis of preparation and assessment of going concern

The financial statements have been prepared under the historical cost convention in accordance with items recognised at cost or transaction value unless otherwise stated in the relevant notes. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2015) - (Charities SORP - FRS102) and the Charities Act 2011.

The charity meets the definition of a public benefit entity under FRS102. Assets and liabilities are initially recognised at historical cost unless otherwise stated in the relevant accounting policy notes.

Assessment of going concern

Preparation of the accounts is on a going concern basis. The trustees consider that there are no material uncertainties about the Charity's ability to continue as a going concern.

b) Incoming resources

The network of ReachAcross charities provides donations to ReachAcross International to co-ordinate international support for the network. It is accounted for in full on an accruals basis with the addition of any tax reclaimable. In accordance with this policy, legacies are included on receipt of payment from the personal representative of an estate or when property is transferred.

c) Tangible fixed assets

All assets costing more than £250 are capitalised. Depreciation is calculated to write off the cost, less estimated residual value, of fixed assets on a straight line basis over their estimated useful lives. No depreciation is charged on the freehold property as it is maintained to such a standard that its estimated residual value is not considered to be less than its cost or valuation and any depreciation charge will be immaterial.

Depreciation rates used are:

Furniture and equipment	25% straight line
-------------------------	-------------------

d) Foreign currencies

Transactions in foreign currencies are translated at rates prevailing at the date of the transaction. Currencies are revalued at year-end.

e) Resources expended and basis of allocation of costs

Expenditure is included when incurred and includes irrecoverable VAT. Expenditure on operational programmes is recognised in the period it is incurred. A designated fund is established for expenditure which has been committed to projects, but remains unspent at the year end.

f) Costs of managing and administering the charity

These represent costs attributable to the management of the charity's assets, organisational administration and compliance with constitutional and statutory requirements.

g) Funds accounting

Funds held by the charity are:

Unrestricted general funds – these are funds which can be used in accordance with the charitable objects at the discretion of the trustees.

Restricted funds – these are funds that can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

NOTES TO THE FINANCIAL STATEMENTS
for the year ended 31 March 2021

Principal accounting policies

The charity has taken advantage of the exemption in Financial Reporting Standard No 1 from the requirement to produce a cash flow statement.

a) Basis of Preparation and Assessment of Going Concern

The financial statements have been prepared under the historical cost convention in accordance with items recognised at cost or transaction value unless otherwise stated in the relevant notes. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2015) - (Charities SORP - FRS102) and the Charities Act 2011.

The charity meets the definition of a public benefit entity under FRS102. Assets and liabilities are initially recognised at historical cost unless otherwise stated in the relevant accounting policy notes.

Assessment of Going Concern

Preparation of the accounts is on a going concern basis. The trustees consider that there are no material uncertainties about the Charity's ability to continue as a going concern.

b) Incoming resources

The network of ReachAcross charities provides donations to ReachAcross International to co-ordinate international support for the network. It is accounted for in full on a receipts basis with the addition of any tax reclaimable. In accordance with this policy, legacies are included on receipt of payment from the personal representative of an estate or when property is transferred.

c) Tangible fixed assets

All assets costing more than £250 are capitalised.

Depreciation is calculated to write off the cost, less estimated residual value, of fixed assets on a straight line basis over their estimated useful lives. No depreciation is charged on the freehold property as it is maintained to such a standard that its estimated residual value is not considered to be less than its cost or valuation and any depreciation charge will be immaterial.

Depreciation rates used are:	
Furniture and equipment	25% straight line

1) Foreign currencies

Transactions in foreign currencies are translated at rates prevailing at the date of the transaction. Currencies are revalued at year-end.

e) Resources expended and basis of allocation of costs

Expenditure is included when incurred and includes irrecoverable VAT.

Expenditure on operational programmes is recognized in the period it is incurred. A designated fund is established for expenditure which has been committed to projects, but remains unspent at the year end.

f) Costs of managing and administering the charity

These represent costs attributable to the management of the charity's assets, organizational administration and compliance with constitutional and statutory requirements.

REACHACROSS INTERNATIONAL

INDEPENDENT EXAMINER'S REPORT ON THE ACCOUNTS FOR THE YEAR ENDED 31ST MARCH 2021

Report to the trustees/ members of ReachAcross International on the accounts for the year ended 31st March 2021.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
- to state whether particular matters have come to my attention

Basis of independent examiner's statement

My examination was carried out in accordance with general directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention

1. which gives me reasonable cause to believe that in, any material respect, the requirements:

- to keep accounting records in accordance with section 130 of the Charities Act; and
- to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act

have not been met; or

2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
