Community Lighthouse Foundation

Report of the trustees (incorporating the directors report) for the year ended 31 March 2021

Charitable objects

The objects of the Company are to carry on activities which benefit the community and in particular (without limitation) to:

1) To advance in life and help young people in Lancashire and Greater Manchester through:

(a) The provision of recreational and leisure time activities provided in the interest of social welfare, designed to improve their conditions of life;

(b) Providing support and activities which develop their skills, capacities and capabilities to enable them to participate in society as mature and responsible individuals.

2) The relief of those in need, by reason of youth, age, ill-health, disability, financial hardship or other disadvantage in Pakistan and the UK.

3) To promote for the benefit of the inhabitants of Lancashire and Greater Manchester and the surrounding area the provision of facilities for recreation or other leisure time occupation of individuals who have need of such facilities by reason of their youth, age, infirmity or disablement, financial hardship or social and economic circumstances or for the public at large in the interests of social welfare and with the object of improving the condition of life of the said inhabitants.

4) The promotion of religious harmony for the benefit of the public in Lancashire and Greater Manchester by:

(a) educating the public in different religious beliefs including an awareness of their distinctive features and their common ground to promote good relations between persons of different faiths;

(b) promoting knowledge and mutual understanding and respect of the beliefs and practices of different religious faiths.

Organisational structure

A board of trustees of 3 members who meet on a monthly basis to conduct the business of the project and delegates day to day activities to the Chairman. The Organisational structure consists of 3 members.

Review of activities and achievements

Serve, Educate, Inspire...!

CLF International Welfare | CLF Youth Development | CLF In The Community CLF International Welfare

Internationally, Food Aid and Welfare programs have been running since 2006. Helping to feed the poor and destitute in areas of Gujrat, Lahore, Pakistan. This work has grown steadily over the years to incorporate specific Food Aid programs throughout the yearly calendar.

All projects are delivered on a voluntary basis from collection of kind donations to distribution of much needed aid. Currently several individual programs are underway that serve orphaned children, widows and economically challenged families struggling to meet their basic needs. 2020/21 has been an extra challenging year due to the COVID -19 pandemic.

These include:

Ramadan Food Aid - 2020 : *In accordance with local celebrations and special events, every year during the fasting month of Ramadan, Food Aid is distributed to families struggling with their basic needs. Food is purchased in bulk and packed by volunteers to be distributed shortly before the fasting month begins. Ramadan Food Aid Packs contain lentils, vegetables, flour, rice, cooking oil, sugar and other staples required for a medium size family to last the full month Ramadan. This alleviates the worry and concern of families anxious of where their next meal is coming from. As part of this program, previous recipients of Food Aid that have improved in their financial and social economic situation, volunteer to improve the lives of others in their community and continue to show appreciation for the support they received through Community Lighthouse Foundation.*

Communal Breaking Bread: Towards the culmination of the fasting month of Ramadan, local orphaned children, widows, the poor and destitute are invited to a Communal Breaking Bread. Late in to the night attendees are hosted and encouraged to partake in the full meal served by volunteers.

Eid Gift Aid: During the celebratory festival of Eid ul Fitr gift parcels are distributed to orphaned children, widows and the poor. These Eid Gift Aid parcels contain food, clothes and treats food for families during the celebratory period. Community Lighthouse Foundation aims to alleviate the distress and dismay of those that are without family and are especially neglected during these communal events.

Qurbani Food Aid: In celebration of the completion of the Hajj ritual, those that are eligible to, make sacrifices and distribute this amongst family and relations. It is often during these moments that widows and orphans feel the absence of parents or breadwinners within the home. Community Lighthouse Foundation provides Qurbani Food Aid for families during this period catering for their needs during this festive celebration. Communal sacrifices are made and along with staple foods and gifts, meat is distributed to the needy to suffice for a full family.

Muharram Food Aid: The new lunar calendar year brings with it challenges for those that struggle to make ends meet. In this regard Community Lighthouse Foundation provides a program that aims to start the year with staples of food and clothing for orphans and widows that would otherwise struggle during this time.

Eid Milad Food Aid: *In local communities those that are without family support structures are most vulnerable to despair and hopelessness when others are in celebratory spirits. It is with the desire not to leave these people behind that Community Lighthouse Foundation provides gifts of food and clothing so as to give the opportunities for struggling parents and children the space to enjoy and grow within their respective communities without worrying about their next meal or clothing requirements.*

Covid Support: *During the height of the pandemic and lockdowns, the levels of support needed massively increased. Community Lighthouse Foundation was able to help families with food parcels and donations so desperate, needy families could be aided during this*

unprecedented time.

CLF Water Pumps Welfare Program: *Throughout the year Community Lighthouse Foundation provides water pumps for families struggling with basic amenities. These are installed within the locality so as to provide clean and fresh drinking water to families that previously had to make lengthy daily journeys to provide for their families. This is a special project that is particularly utilised by kind donors to provide water pumps in the memory of loved and dear ones. These water pumps are truly a lifeline for families on the edge of poverty and serve as a means to bring local families together to share resources provided by*

Community Lighthouse Foundation.

CLF Back to Work Welfare Program: *This program is a unique project that aims to lift the causes of poverty and despair by providing training and resources to those able to work but do not have the skills or resources to find employment. Support is provided in acquiring equipment or qualifications in order to find employment. This can range from a scooter for deliveries to skills learnt in the plastering, plumbing and other trades. These recipients are usually on the cusp of the poverty line with family dependents that are unable to attend school, learn new skills or develop their economic circumstances. Through this program long term poverty is avoided and communities are developed to provide a skilled labour force and environment in which the community itself works towards a thriving and productive environment. The recipients of the Back to Work Welfare Program also volunteer with passion and drive for the delivery of all the above mentioned projects, helping to alleviate the suffering of those less fortunate in their locality and communities. Thus this program seeks to become the driving force behind long term strategic alleviation of poverty.*

CLF Community Training & Education Centre: *CLF is proud to have established a Community Training & Education Centre, a facility aimed at targeting the roots of poverty through acquisition of skills and educational achievement. We have already started to deliver sewing classes alongside open sessions for local women to begin to develop the centre into a space catering for the needs of the local people in need. We hope to continue with these classes and increase the facilities to transform the lives of those reliant on aid*

CLF Youth Development

Youth Open Counselling: *Providing a space and access for young people to seek advice regarding personal issues, school, careers or emotional support.*

Mentoring Program: *Those participants or recipients of the Youth Open Counselling, or those who have taken advantage of the many other programs, voluntarily provide ongoing mentoring to the younger participants, giving them role models and a friend to support them through their development. They also receive training including in listening skills, Safeguarding and First Aid.*

Workshops: *Confidence and skills workshops are provided to help young people with self-development, self-image and staying away from negative influences. These workshops include sessions on speaking skills, job interview techniques, career trajectories but also they seek to equip young participant with the skills and know how in countering radicalisation, the influence of drugs and the enticement of crime.*

Group Activities: *Team building activities with mentors and volunteers include informal outings to the local cinema, community events and social occasions. This seeks to build a sense of community and develop social skills in a less formal environment and utilising different social interactions and scenarios, providing confidence and self-assurance to those often from troubled and neglected backgrounds.*

Community Sports Hall: *In continuing the excellent youth engagement and sports related activities, CLF has acquired an ex-furniture store premises and converted the upper floor into a multi-sport facility including Brazilian Jiu-Jitsu, Budo and Archery. This new premises, named Rumi House and based on the outskirts of Nelson town centre, has created a stable base from which the charity activities flourish. Martial Arts are proven to mitigate anger issues and behavioural problems and these sports are used to give young people the opportunity to experience and develop themselves using sports they would normally not engage with due to accessibility, affordability or social restrictions such as transport, negative peer pressure and other influences. Due to the pandemic & social distancing restrictions, it has been even more important when restrictions were lifted that people were able to come together.*

CLF In The Community

Community engagement is vital to the work that Community Lighthouse Foundation undertakes. Interacting with families, young people, people of different faiths and none, community organisations and others is the sign of a healthy and vibrant community.

Community Lighthouse Foundation seeks to provide an environment for this to take place and encourages active participation from all sectors of the community.

It is with this ethos that the acquisition of an ex-furniture store premises and converting the upper floor into a multi-use facility has created a space in which families and young people can access the programmes delivered by CLF.

Projects that are delivered with this aim in mind vary and include:

Community Organisation Network: *CLF has built on its existing links in the community and received support for its ongoing projects from various organisation including:*

Burnley, Pendle & Rossendale Council for Voluntary Service: *Working closely with the BPRCVS, to receive support for our projects from other organisations including the NHS recognising the efforts of CLF in helping to reduce obesity, loneliness and struggles with mental health.*

Weekly Meditation: *As a result of lockdown & social distancing restrictions, we were able to continue our weekly sessions by broadcasting online. Proven to help alleviate anxiety and depression, mediation is hosted for families to come together and participate in meditation in a relaxing environment. A communal meal is served to all attendees and a friendly welcoming atmosphere is fostered to encourage involvement.*

Drum Therapy: *Using musical instruments particularly Drums, a space is provided for exploration of creativity and skills. Accompanied with sacred songs, Drum Therapy seeks to provide an environment in which young and old can express themselves in a positive and constructive manner.*

Homeless Support: *Community Lighthouse Foundation has provided support for those seeking shelter and a roof over their head during the pandemic, working closely with the*

local homeless support shelters & those sleeping rough in the streets. Through active support to those in need in the locality, participants of other projects have contributed voluntarily ranging from various small and large household items to counselling and social support including helping to find employment.

Weekly Open Home Program - 'Breaking Bread Together': This program seeks to bring together and build long term relationships within the community by small groups hosting each other at their family homes. The aim is to Break Bread Together by sharing a meal with each other and fostering a sense of community and familiarity. Weekly meals are rotated throughout the group thus ensuring that every participant receives an opportunity to Open their Home to their new friends.

Interfaith Dialogue: An essential part of a vibrant community is the working partnership between different sections of the residents and organisations actively working in the community. Visits to places of worship have been hosted by members of Community Lighthouse Foundation for those of a different faith and members of civil society in order to foster greater understanding and closer working relationships. Engagement with initiatives undertaken by Interfaith groups have also been enhanced and will continue to be worked with in this much needed social sphere.

Community Lighthouse Foundation

Report of the trustees (incorporating the directors report) for the year ended 31 March 2021

Statement of directors responsibilities

The directors are responsible for preparing the report and accounts in accordance with applicable law and regulations. Company law requires the directors to prepare accounts for each financial year. Under that law, the directors have elected to prepare the accounts in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the accounts unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these accounts, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the accounts comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Small company provisions

This report has been prepared in accordance with the special provisions relating to small companies within Part 15 of the Companies Act 2006.

The trustees recommend that Nasser & Company remain in office until further notice.

This report was approved by the trustees on 17 January 2022 and signed on its behalf by

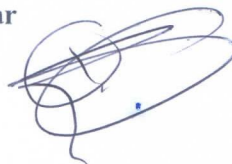

Shaukat Malik

Community Lighthouse Foundation

Reporting accountants' report to the trustees on the unaudited financial statements of Community Lighthouse Foundation.

We report on the financial statements of Community Lighthouse Foundation for the year ended 31 March 2021 which comprise the statement of financial activities, the balance sheet and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

Respective responsibilities of the trustees and auditors

As described in the statement of trustees responsibilities the trustees are responsible for the preparation of the financial statements, and they consider that the company is exempt from an audit. It is our responsibility to carry out procedures designed to enable us to report our opinion.

Basis of opinion

Our work was conducted in accordance with the Statement of Standards for Reporting Accountants, and so our procedures consisted of comparing the financial statements with the accounting records kept by the company, and making such limited enquiries of the officers of the company as we considered necessary for the purposes of this report. These procedures provide only the assurance expressed in our opinion.

Opinion

In our opinion the financial statements:

- i the financial statements are in agreement with the accounting records kept by the company under the FRS 102 and Charities Act 2011.
- ii having regard only to, and on the basis of, the information in those accounting records:
 - a those financial statements have been drawn up in a manner consistent with the provisions of the Act, so far as applicable to the company.
 - b the company satisfied the requirements for the financial year in question.
