TREASURERS FINANCIAL REPORT
YEAR ENDED 31ST AUGUST 2025

Injury On Duty

Pensioners Association

Registered Charity Number: 1174473

ACHIEVEMENTS AND PERFORMANCE

The Trustees consider that the results of the Charity this year have been outstanding considering that our charity has continued to grow its membership significantly over the past year.

The Trustees continue to recognise that donations are an important contributor to the overall well-being of the Charity

FINANCIAL REVIEW

The total receipts for the charity were £58,374. This was due to the growth in membership, increased donations and the support of our members and supporters.

The total payments for the year were £27,671 some £12,044 more than the previous year. This is due to costs re pension issues and the costs of support to our Northern Ireland members. Payments to the Charity's volunteers for the year for travel and subsistence was £5,228 reflecting the charity's increased activities across the whole of the United Kingdom and Northern Ireland.

The Trustees consider that the funds available are sufficient to permit the charity to continue in operation in the medium term, and the continued success of the trust's productions should ensure the longer-term future of the charity.

RESERVES POLICY

It is the policy of the charity to maintain unrestricted funds at a level which equates to approximately 12 months unrestricted expenditure. Unrestricted funds were maintained at least at this level throughout the year.

TREASURERS FINANCIAL REPORT

YEAR ENDED 31ST AUGUST 2024

ACHIEVEMENTS AND PERFORMANCE

The Trustees consider that the results of the Charity this year have been outstanding considering that our Charity has grown significantly over the year, despite still recovering from the financial downturn of the past few years.

The Trustees continue to recognise that donations are an important contributor to the overall well-being of the Charity.

FINANCIAL REVIEW

The total receipts for the Charity were £42,454. This was due in part to the receipt of an unexpected legacy, sponsorship from a golf tour, donations and the support of our members and supporters.

The total payments for the year were £15,627, some £17,636 less than the previous year when the final payment in relation to a legal matter were being paid.

Payments to the Charity's volunteers for the year for travel and subsistence was £3,874, reflecting on the Charity's activities across the whole of the United Kingdom and Northern Ireland.

During the charity year, a strategy of utilising safe Savings Bank accounts with higher interest was developed. The interest generated by these new accounts amounted to \$3,028, compared to the £395 of the previous year, when the monies were sitting in a series of standard Current Accounts

The Trustees consider that the funds available are sufficient to permit the Charity to continue in operation in the medium term, and the continued success of the Trust's productions should ensure the longer-term future of the Charity.

TREASURERS FINANCIAL REPORT
YEAR ENDED 31ST AUGUST 2023

Injury On Duty

Pensioners Association

Registered Charity Number: 1174473

ACHIEVEMENTS AND PERFORMANCE

The Trustees consider that the results of the Charity this year have been outstanding considering that our society was still recovering and slowly returning to the conditions that existed prior to the Covid epidemic.

The Trustees continue to recognise that donations are an important contributor to the overall well-being of the Charity

FINANCIAL REVIEW

The overall income for the charity was £30,971. This was due to the reduced level of donations and the methods being used to gain the support of the Membership and supporters through raffles, draws etc.

The total expended for the year was £33,263 a sum of £2,292 more than the previous year mainly due to the final payments of the legal costs and the restart of Regional meetings.

This shows a reduction for the year of £2,292.

The final legal invoice was paid during the year amounting to £25,543. This was funded from the Legal Fund, which maintained a positive balance throughout the year.

Payments to the Charity's volunteers for the year for travel and subsistence was £906.

The Trustees, concerned at the low levels of interest on the Barclays Bank Accounts, particularly the Legal and Working Savings accounts, agreed to invest £85,000 from these accounts into a series of fixed rate bonds, with higher interest payments, ensuring that these remained within the Governments FSCS limits.

The Trustees consider that the funds available are sufficient to permit the charity to continue in operation in the medium term, and the continued success of the trust's productions should ensure the longer-term future of the charity.

ACHIEVEMENTS AND PERFORMANCE

The Trustees consider that the results of the Charity this year have been outstanding considering that much of the year was during the COVID Pandemic and the lockdowns that were put in place. The Trustees continue to recognise that donations are an important contributor to the overall well-being of the Charity

FINANCIAL REVIEW

The overall income for the charity was £36,863. This was due to the continuing donations and new methods being used to gain the support of the Membership and supporters through raffles and seasonal draws etc.

The total expended for the year was £95,577 some £69,464 more than the previous year mainly due to the payment of legal fees in relation to a failed Judicial Review.

The deficit for the year was -£58,647

The legal fees pertaining to the failed Judicial Review remain unresolved and subject to further negotiation, however any additional invoices due will be met from the Legal Fund.

Payments to the Charity's volunteers for the year for travel and subsistence was £1,959.

This reflects the charities re-commencement of activities such as localised meetings.

The Trustees consider that the funds available are sufficient to permit the charity to continue in operation in the medium term, and the continued success of the trust's productions should ensure the longer-term future of the charity.

TRUSTEE ANNUAL REPORT
YEAR ENDED 31 AUGUST

Injury On Duty
Pensioners Association
Registered Charity Number: 1174473

The Trustees present their report and the financial statements of the charity for the year ended 31 August 2021. The Trustees who served the charity during the period are as shown on page 1.

STRUCTURE GOVERNANCE AND MANAGEMENT

The charity is a registered Charitable Incorporated Organisation, set up under constitution adopted on 1st September 2017, as amended on 1st October 2017. Appointment of Trustees is governed by the Trust Deed of the Charity.

All trustees shall retire from office at the first AGM. Once appointed, the trustees shall remain in office for a minimum of three years. On the third year the trustees shall retire from office and request reappointment each year thereafter.

The Board of Trustees is authorised to appoint new trustees at any time, whether in place of a trustee who has retired or been removed, or as an additional trustee, provided the limit on the number of trustees would not as a result be exceeded.

OBJECTIVES AND ACTIVITIES

The charitable purpose defines what we are. We ensure everything we do fits directly and clearly with our charitable objective which is *“To relieve the need of retired and serving police officers in hardship or distress who are disabled as a consequence of being injured on duty”*.

All our work must contribute directly and clearly to this charitable objective.

Like most charitable organisations, the arrival and restrictions imposed by the Covid-19 pandemic have affected the charity's activities, especially regarding the planned local meetings, the Spring Conference and the usual social events, all of which were cancelled in accordance with the Covid-19 restrictions.

Our 2020/2021 AGM was also cancelled due to the pandemic unfortunately. However, we did commence with on-line ‘Zoom’ meetings, which have been very successful, particularly that our members from all over the world are now able to join us. This way of holding meetings has certainly made us more inclusive.

We have also connected with a firm of solicitors, and between the two organisations, we have set up and began running monthly ‘pro-bono’ legal surgeries. The appointments are open for anyone, and the scheme has been very successful, leading to many officers obtaining a just outcome for the IHR, or IOD award.

The main activities undertaken by the charity during the year were:

<p>INDEPENDENT EXAMINATION'S REPORT</p> <p>YEAR ENDED 31 AUGUST 2021</p>	 <p>Injury On Duty Pensioners Association Registered Charity Number: 1174473</p>
--	--

I report to the charity trustees on my examination of the accounts of the charity for the year ended 31st August 2021 which are set out on pages 6 to 7.

Responsibilities and basis of report

As the charity's trustees you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
