1. The advancement of citizenship.
2. Promoting the voluntary sector for the public benefit by associating with local authorities in a common effort to advance education and provide facilities in the interests of social welfare for recreation or other leisure time occupation to improve the conditions of life of people in local, national and international communities.

5. The advancement of health or the saving of lives by preventing avoidable blindness, assisting disabled people to lead independent lives or helping to prevent or manage health issues.
6. Promoting for the benefit of the public the conservation protection and improvement of the physical and natural environment.
7. Promoting community participation in healthy recreation.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

The club organises events in accordance with our objects and includes general services and fund-raising events for specific purposes. Each activity falls into the headings of the club objects as follows:-

1. Citizenship: Young Leaders in Service, Eggstravaganza, Sports Scholarship, District Day Out.
2. Relief of Poverty: Individuals in need, Winter fuel support, Gifts @ Christmas.
3. Voluntary Sector: Grant Awards, Lions Den.
4. Volunteering: Craft Market, Classic Car Show, Gilbert White Plants Fair, Party in the Park.

6. Conservation & Improvement: Litter Picks, Environmental Competitions.
7. Health Recreation: Golf Day, 10m Road Race, Sponsored Walk.

The trustees have had regard to the guidance issued by the Charity Commission on public benefit however it should be noted that the community still coping with the aftermath of COVID pandemic. This included mandatory measures being introduced by local authorities restricting social activities.

In addition, it has also caused changes to our ways of working with new initiatives, new technology and new partnerships.

In the coming year the trustees are planning to build on these new initiatives, technologies, partnerships, and experiences to evolve the programme of activities to meet the new challenges continuing to face the community.

1. Citizenship: The trustees had to abandon the Lions Clubs International ‘Young Leaders in Service’ project, but it is planned to re-establish it in the coming year. We have been able to continue sponsorship of a sports scholarship through the Alton College Foundation for Excellence, and this year selected a promising Bowls player.

2. Relief of Poverty: The Club found new ways of operating in order that the help provided to people, families and local institutions in fuel poverty or need at Christmas could continue. Support to individuals and families in need in our community has continued with food vouchers and the club has worked with other organisations to provide laptop computers and other physical support together with the Alton & District Community Relief Foundation.

3. Promoting the Voluntary sector: The club has assisted in establishing the Alton & District Community Relief Foundation to replace the w Alton Town Council led Alton & District Community Resilience Fund (ADCRF) and has continued to support other charitable organisations in our service events and has awarded grants to local voluntary charities.

The club completed its local radio and Facebook community fun quiz.

4. Promoting Volunteering: The club has put back all the events previously organised and increased it to include the Classic car show. These events are achieved using existing members together with our volunteer supporters from the local community. This approach has enabled the club to recruit two new members.

- 5. Advancement of Health:** Message in a Bottle' 'SpekTrek', Prostate Cancer Testing, Brain Tumours in Children and Diabetes awareness have all been fully re-established.
- 6. Environment:** The club has provided Junior School level illustrated books to raise awareness to pollution issues and a second Lions Bench has been installed in a local park.

Summary of the main achievements of the charity during the year

In the last year Alton Lions Club (CIO) continues to 'normalise' in recovering from the impact of the covid pandemic. The club has taken on new projects and continues to pursue improvements in its operations. The club's activity revenue was maintained at £50k with expenditure at £37k resulting mainly from timing issues. The Club has taken ownership of the Classic car show from Alton Town Council (ATC) and will become the Alton Lions Classic Car Show. In addition, the Club has managed the transitioning of the ATC led ADCRF to a community managed Alton & District Community Relief Foundation.

1 CITIZENSHIP

The Club has continued to provide donations for the Alton College Foundation for a Sports Scholarship and this year has been awarded to Reece Graham with a promising career in bowls. The scholarship runs to March 24, and he will be competing at National Level. The club arranged for local disadvantaged families to join the District Day Out at Marwell Zoo. The Easter Eggstravaganza was restarted with hospitality outlets throughout the town. The ending of covid restrictions is enabling a re-start of the Young Leaders in Service project with HSDC-Alton College and the Re-Engage Tea Parties for elderly folk living alone.

On behalf of Home-Start Hampshire, I would like to say a huge thank you to you for your generous donation which we received during this campaign. Your contribution helped us to raise a staggering £16,091 (+est. £1175.25 giftaid).

Your support is invaluable to us to help us ensure families feel supported and empowered to face and resolve their problems, because no family should feel isolated or helpless in challenging times. These donations help us achieve our purpose to support parents and help them turn bad days into better tomorrows, for the long-term benefit of their children. As you are aware we support local families, offering friendship and practical support within their own homes. It is really encouraging to know that local people are willing to support and value the work that Home-Start Hampshire is carrying out in the area. The donations and grants we receive from organisations, groups and individuals such as you make such a difference to the service we are able to offer and will help to keep Home-Start Hampshire supporting local Families. We are sincerely thankful.

Dear Michael and Alton Lions Club,

Before anything else, let me say a huge thank you for your recent donation to Young Lives vs Cancer. I'd like to tell you a little bit more about the amazing things you are helping to make possible by donating £700 and joining Team Young Lives.

Together with people like you, we'd say we make a pretty great team, united in the belief that a cancer diagnosis shouldn't force anyone to put their life on hold, and that the amazing children and young people who use our services are more than their diagnosis.

Your donation means that from the moment the doctor says 'cancer', we are on hand to offer support as unique as every young person we meet. From financial support and providing a families with a place to stay, to helping with day-to-day challenges so that a diagnosis doesn't have to mean sacrificing 'normal life', your donation means that children and young people won't face cancer alone.

It's really hard to try to put into words what your support means to us, but if we could say thank you 23,000 times – once for every person we reached with your support last year – it still wouldn't feel like enough. Really, thank you.

Best wishes,
