REVIEW OF THE YEAR 2024 - 2025 by Dr Elizabeth Hill O'Shea

Jubilee Project was originally set up to support and assist clients struggling to overcome addictions and to provide training and voluntary opportunities to build confidence and essential life and work skills. We had hoped that eventually this project would operate in its own property, which is why a separate registered charity was set up.

Prior to Covid restrictions, we were running this project out of the premises of our charity partner, Bethel Trust. Our partner runs a drop-in centre three open three days a week for people in need within the local community. We were able to partner with Bethel Trust and signpost clients who were struggling with addiction to the work of Jubilee Project for support to overcome their addictions. However, when restrictions came into force following Covid, we had to temporarily suspend our weekly Celebrate Recovery support group.

Although our partner was able to reopen after Covid, due to a lack of resources, we have not been able to continue the Jubilee Project for now. There are currently no activities taking place under Jubilee Project charity. It is therefore currently dormant,

but the Trustees hope to kickstart its work once funding and opportunity provides in the future.

The charity's income was previously derived from donations and grant funding. We did not experience expenditure this year as we did not conduct any charitable activities, which is reflected in this year's accounting report.

The Trust operates one single unrestricted general fund.

RISK REVIEW

The trustees have conducted their own review of its major risks to which the charity is exposed and systems have been established to mitigate those risks.

RESPONSIBILITIES OF THE TRUSTEES

Charity law requires the trustees to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the Trust as at the balance sheet date and of its incoming resources and application of resources, including income and expenditure for the financial year.

In preparing those financial statements the trustees should follow best practice and select suitable accounting policies and apply them consistently, make judgments and estimates that are reasonable and prudent and prepare the financial statements on the going concern basis unless it is inappropriate to assume that the Trust will continue on that basis.

The trustees are responsible for maintaining proper accounting records, which disclose at any time the financial position of the Trust and to enable them to ensure that the financial statements comply with charity legislation. The trustees are also responsible for safeguarding the assets of the Trust and hence for taking responsible steps for the prevention and detection of fraud and other irregularities.

APPROVAL

Approved by the trustees on 31st January 2026 and signed on their behalf.
