## **TRUSTEES REPORT (INCLUDING DIRECTORS' REPORT)**

**FOR THE YEAR ENDED 31 JANUARY 2025**

---

The Trustees present their annual report and financial statements for the year ended 31 January 2025.

The accounts have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the charity's Trust deed, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015)"

### **Objectives and activities**

The charity's objectives are to preserve and protect the health of sufferers of mesothelioma asbestos related conditions and diseases and their families, dependants and carers by: providing or assisting in the provision of equipment, facilities and services not normally provided by the statutory authorities; Providing financial assistance, support and practical advice; advancing the education of the general public in all areas relating to mesothelioma asbestos related conditions and diseases.

#### *Public benefit*

The Trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

#### *Activities*

The charity aims to meet its objectives by raising money through selling clothing that people have donated.

### **Achievements and performance**

#### *Significant activities and achievements against objectives*

The charity has achieved donations totalling £27,382

### **Financial review**

#### *Reserves policy*

It is the policy of the charity that unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to between three and six month's expenditure. The Trustees consider that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the charity's current activities while consideration is given to ways in which additional funds may be raised.

This year, there have been exceptional costs related to repairs and maintenance, which have impacted the reserves. As a result, the target reserve level has not been met. However, the Trustees are confident that, excluding these one-off costs, the charity will be able to rebuild reserves to the desired level over the course of the next financial year.

#### *Major risks*

The Trustees have assessed the major risks to which the charity is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

### **Structure, governance and management**

The charity is a company limited by guarantee.

The Trustees, who are also the directors for the purpose of company law, and who served during the year and up to the date of signature of the financial statements were:

Mr William Law

#### *Recruitment and appointment of trustees*

None of the Trustees has any beneficial interest in the company. All of the Trustees are members of the company and guarantee to contribute £1 in the event of a winding up.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

#### **1.2 Going concern**

At the time of approving the financial statements, the Trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the Trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

#### **1.3 Charitable funds**

Unrestricted funds are available for use at the discretion of the Trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors or grantors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

Endowment funds are subject to specific conditions by donors that the capital must be maintained by the charity.

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

### 1 Accounting policies

(Continued)

#### 1.5 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges are allocated on the portion of the asset's use.

#### 1.6 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.
