Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

To further or benefit the residents of Ilford and the neighbourhood, without distinction of sex, sexual orientation, race or of political, religious or other opinions by associating together the said residents and the local authorities, voluntary and other organisations in a common effort to advance education and to provide facilities in the interests of social welfare for recreation and leisure time occupation with the objective of improving the conditions of life for the residents.

In furtherance of these objects but not otherwise, the trustees shall have power:

To establish or secure the establishment of a community centre and to maintain or manage or co-operate with any statutory authority in the maintenance and management of such a centre for activities promoted by the charity in furtherance of the above objects.

The charity carries out a wide range of activities in pursuance of its charitable aims. The trustees consider that these activities, summarised below, provide benefit both to those who uses our community centre and the wider community of Ilford and neighbouring cities.

CULTURAL ACTIVITIES:

The community centre provides a range of cultural services and activities including:

Festivals: we prepare food throughout the year to celebrate community festivals at our centre with a family day and communal meal.

Cooking and selling ethnic foods to raise funds: each week on Fridays the charity invites a voluntary chef to cook Turkish foods to raise funds for the Charity.

COMMUNITY ACTIVITIES

Our community centre hall and rooms provide a valuable educational and recreational resource to all in our local community. A wide range of activities are organised and take place from our community centre.

Turkish language courses: Turkish Consulate General in London appointed a Turkish language teacher to teach Turkish language and culture to pupils at our community centre.

English language courses: We have volunteers who speak both English and Turkish languages fluently to teach English language and culture to adults at our community centre. Approximately 10 adults regularly attended to English classes.

Supplementary school and homework support: at weekends and during school holidays a supervised homework club is supported and supervised by volunteers and over 20 children regularly attend the club.

Travelling and visiting museums: during school holidays we took children out to visit parks, had organised picnics and visited museums.

Fetes & Festivals: we have a little festival occasionally a few times yearly. Many people who are from different background attend to our festivals. All is planned and prepared a week before the festivals. Especially Turkish dishes are offered and presented to the visitors to taste including Turkish pastry, cakes, kebabs and local foods from different regions in Turkey. Many people are invited to this charity activity to buy and eat for fundraising. This is a really good cultural

and social activity for the community spirit. During the festival, many people find a chance to speak and get to know each other while tasting good food. It is also good opportunity to learn about the culture and food while it is a collectively playing and entertaining event for all children together.

Summary of the main achievements of the charity during the year

Volunteers are an important resource in community work. This year our Charity has achieved to reach over 1,000 Turkish speaking people in Ilford and surrounding cities. This helped us increase our number of volunteers who then helped us organise and conduct more charitable and fund-raising activities than last year. Volunteers are involved in most of our community activities and we have now over 20 people regularly giving their time.
