Prior to 18th May 2020 the objectives of the charity were the following:

To advance the education of the public in particular but not exclusively by:

- (1) The provision of classes in Turkish language, tradition and culture and supplementary classes in Maths, Science and English language for school age children; and
- (2) The provision of English language classes for adults.

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

To further or benefit the residents of Ilford and the neighbourhood, without distinction of sex, sexual orientation, race or of political, religious or other opinions by associating together the said residents and the local authorities, voluntary and other organisations in a common effort to advance education and to provide facilities in the interests of social welfare for recreation and leisure time occupation with the objective of improving the conditions of life for the residents.

In furtherance of these objects but not otherwise, the trustees shall have power:

To establish or secure the establishment of a community centre and to maintain or manage or co-operate with any statutory authority in the maintenance and management of such a centre for activities promoted by the charity in furtherance of the above objects.

The charity carries out a wide range of activities in pursuance of its charitable aims. The trustees consider that these activities, summarised below, provide benefit both to those who uses our community centre and the wider community of Ilford and neighbouring cities.

CULTURAL ACTIVITIES:

The community centre provides a range of cultural services and activities including:

Festivals: we prepare food throughout the year to celebrate community festivals at our centre with a family day and communal meal.

Cooking and selling ethnic foods to raise funds: each week on Fridays the charity invites a voluntary chef to cook Turkish foods to raise funds for the Charity.

COMMUNITY ACTIVITIES

Our community centre hall and rooms provide a valuable educational and recreational resource to all in our local community. A wide range of activities are organised and take place from our community centre.

Turkish language courses: Turkish Consulate General in London appointed a Turkish language teacher to teach Turkish language and culture to pupils at our community centre.

English language courses: We have volunteers who speak both English and Turkish languages fluently to teach English language and culture to adults at our community centre. Approximately 10 adults regularly attended to English classes.

Supplementary school and homework support: at weekends and during school holidays a supervised homework club is supported and supervised by volunteers and over 20 children regularly attend the club.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Volunteers are involved in most of our community activities and we have now over 30 people regularly giving their time.
