**Report of the Trustees
for the Year Ended 30 November 2022**

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 30 November 2022. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

Teddy20 Supporting Children with Cancer Ltd is an incorporated charity based in Blandford Forum, Dorset. Our aim is to provide Emotional and Financial Support to children and young people suffering and undergoing treatment for Cancer.

Teddy20 was set up in loving memory of Ted Newton 1999 - 2010.

OBJECTIVES AND ACTIVITIES

Objectives and aims

Teddy20 supporting Children with Cancer Ltd registered as a charity in 2017. Our objective is to support, financially, children and their families when undergoing treatment or in terminal illness circumstances.

Our objective is to relieve the needs of children suffering from cancer, and their families, by providing or assisting with the provisions of equipment, facilities and services not normally provided by the statutory authorities and by providing financial and emotional support.

Significant activities

The Charities purpose continues to provide financial and emotional support to children and families undergoing treatment for cancer.

Throughout 2021-2022 Teddy20's fundraising aims were to bounce back following the COVID 19 restrictions. However, our volunteers and supporters managed to raise over 36k using modern social media platforms mainly through the Charities Challenges such as Skydiving, Running, Walking and Cycling. We are incredibly grateful for their continued support. Our biggest success saw the return of Le Teddy Tour cycling four countries in four days raising 17,476k. The cycle challenge returns by popular demand in 2023 where our aim is to cycle from Dunkirk to Amsterdam. 2022 also saw new events to challenge our supporters such as the Tractor and Plane Pulls. 2023 will see a new event with the London Landmarks Half Marathon.

Ted's Shack, our holiday home in Weymouth, Dorset was able to continue its services for families going through Cancer Treatment. March 2022 saw us replace the old Ted's Shack with a new modern model. With a sale value of 23,000 for the old Ted's Shack we were able to purchase a replacement at a value of 79k.

We were extremely grateful to the Teddy Rocks Festival 2022 for their kind donation of 26.5k. £20k has been put into designated funds and deposited into the deposit/save account. The trustees had decided that these restricted funds should be set aside to replace Ted Shack in the future. The aim is to build up a fund so that when the current (new) Ted Shack needs replacing, funds will be available so we can continue to support families at our holiday home.

This year we issued 21 Financial Grants totalling £8,275 to families across our region.

Public benefit

The trustees have referred to the duty in section 17(5) of the 2011 Charities Act to have due regard to public benefit guidance published by the Charity Commission when reviewing the charity's aims and objectives and in planning future activities.

Volunteers

The Trustees are very grateful for the volunteers and all the help they have given the Charity in 2022.

FINANCIAL REVIEW

Financial position

Total income for the financial year was £107,139 (2021 - £29,333), and expenditure was £50,970 (2021 - £40,127). From this the net surplus for the year was £56,169, including profit on sale of old Ted Shack of £23,000 (2021: loss £10,974).

FINANCIAL REVIEW

Reserves policy

As trustees we have set a reserves policy which gives us sufficient reserves equivalent to at least 3 months forward expenditure. The reserves held at 30th November 2022 were £149,663 (2021: £93,494) of which £20,000 have been designated, and £75 have been restricted.

The charitable company has free reserves of £50,944 as at 30 November 2022 (2021: £86,234). The Trustees consider this level of reserves to be sufficient to deliver charitable objectives for the next twelve months. Free reserves are calculated by deducting fixed assets from the unrestricted (and undesignated) reserves held at the year-end.

FUTURE PLANS

Ted's Shack will open again after the winter break Mid-March, and we will be able to continue with respite holidays through to mid-October. Our aim is to continue as before as more families are taking the chance of respite away from treatment. Teddy20 will continue to maintain its high standard and keep working in partnership with Young Lives Vs Cancer and Piam Brown Ward regarding referrals. We aim to continue supporting Young Lives Vs Cancer and its Home from Home in Southampton so families can stay in it while the child is having Chemotherapy.

Teddy Rocks Festival Ltd.'s aim again will be to donate profits to Teddy20 Supporting Children with Cancer in 2023.

The Cycle Tour, which has been booked for the end June 2023. Also, we will again be skydiving and organising Jurassic Challenge Walk. We are in the early stages of planning other events including the Tractor and Plane Pulls as well as the usual smaller events throughout the year.

Teddy20 will plan to increase our corporate image during the year to help us gain a better presence in the fundraising marketplace. We also plan for two persons of Teddy20 to enrol in Photography Evening Classes so we can maintain and better our Media and publicity presence in the Wessex Area.

We hope to be reviewing our Charity Governance with the possibility of providing assistance and support for research into the causes, prevention, treatment, and possible cures for cancer in children.

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

**Notes to the Financial Statements
for the Year Ended 30 November 2022**

1. LEGAL FORM

Teddy20 Supporting Children with Cancer is a charity registered in the UK (registered charity number 1174553) and is a private company limited by guarantee, registered in England and Wales (registered company number 10492737). Further details on page 2. The charity is a public benefit entity.

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Grants (including those received from government bodies) are recognised where there is entitlement, certainty of receipt and the amount can be measured with sufficient reliability. Grant income is deferred when the donor specifies use of the grant to be in the future, or where there are conditions for full entitlement and those conditions have not yet been satisfied.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Freehold property	- 20% on cost
Fixtures and fittings	- 20% on cost
Motor vehicles	- Straight line over 5 years
Computer equipment	- 33% on cost

Taxation

The charity is exempt from corporation tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.
