OBJECTIVES AND ACTIVITIES FOR THE PUBLIC BENEFIT

Objects

The charity's objective is to tackle the disadvantage faced by people with learning difficulties living in England. The charity will work with adults and young people who have learning disabilities as well as helping schools, organisations, and other charities.

Public Benefit

The trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the Charity's aims and objective's and in planning future activities.

Achievement of Objectives

The charity has had to reassess its direction and has now implemented an education pathway accompanied by psychometric testing to ensure the suitability of the suggested pathway.

FINANCIAL REVIEW

The statement of financial activities on page 5 shows total incoming resources for the year of £26,065 (2022 £22,720). Outgoing resources were £43,973 (2022 £41,303). The charity's total funds reduced by £17,908 during the year to 2023 (2022 reduced by £18,583). All income generated was unrestricted and total net assets at the year end were all unrestricted.

Reserves

It is the policy of the Trustees to maintain unrestricted funds, which include the free reserves of the Charity, at a level which, in the event of a significant fall in income, would provide sufficient funds to meet the ongoing operating expenditure, and would enable the charity to continue to carry out its charitable objects for a period of 12 months.

PLANS FOR THE FUTURE

The organisation is developing the educational pathway including support for prospective employers and is looking to appoint sales agents to facilitate this.

STATEMENT OF TRUSTEE'S RESPONSIBILITIES

The Trustees are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards.

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial year that give a true and fair view of the state of affairs of the Trust and of the incoming resources and application of resources for the Trust for that period. In preparing these financial statements, the Trustees are required to:

- Select suitable accounting policies and then apply them consistently;
- Observe the methods and principles in the Charities' SORP;
- Make judgements and estimates that are reasonable and prudent;
- State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Trust will continue in operation.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the Trust and enable them to ensure that the financial statements comply with applicable law, regulations and the Trust Deed. They are also responsible for safeguarding the assets of the Trust and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**BUSINESS ENTERPRISE AND COMMUNITY GROUP
INDEPENDENT EXAMINER'S REPORT
FOR THE YEAR ENDED 5TH APRIL 2023**

4

I report to the Trustees of Business Enterprise and Community Group on my examination of the accounts of the Charity for the year ended 5 April 2023.

RESPONSIBILITIES AND BASIS OF REPORT

As Trustees of the Charity, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Charity's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

INDEPENDENT EXAMINER'S STATEMENT

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the Charity as required by section 130 of the Act;
or
- 2 the accounts do not accord with those records, or
- 3 the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

1 ACCOUNTING POLICIES

Basis of preparing the financial statements

Business Enterprise and Community Group is an unincorporated charity registered in England and Wales. The address of the charity is given in the Trustees and Administrative Information on page 1 of these financial statements.

The financial statements have been prepared in accordance with the charity's governing document, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2019)". The charity is a Public Benefit Entity as defined by FRS102.

The charity has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The financial statements have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended Practice for charities applying FRS 102 rather than the version of the Statement of Recommended Practice which is referred to in the Regulations, but which has since been withdrawn.

The financial statements are prepared on a going concern basis under the historical cost convention. The financial statements are presented in sterling which is the functional currency of the charity and rounded to the nearest £.

The significant accounting policies applied in the preparation of these financial statements are set out below, these policies have been consistently applied to all years presented unless otherwise stated.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received, and the amount can be measured reliably.

For donations to be recognised the charity will have been notified of the amounts and the settlement date in writing. If there are conditions attached to the donation and this requires a level of performance before entitlement can be obtained, then income is deferred until those conditions are fully met or the fulfilment of those conditions is within the control of the charity, and it is probable that they will be fulfilled.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and has been classified under headings that aggregate all costs related the category. Where cost cannot be directly attributed to particular headings, they have been allocated to activities on a basis consistent with the use of resources.

Expenditure is included when incurred. Grants paid are recognised when approved by the trustees.

Allocation and apportionment costs

Support costs are those that assist the work of the charity but do not directly represent charitable activities and include office costs and governance cost.

Taxation

The charity is exempt from tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

The charity does not currently have any funds which are restricted in their nature and to be used for a specific purpose.

Going Concern

The financial statements have been prepared on a going concern basis as the trustees believe that no material uncertainties exist. The Trustees have considered the level of funds held and the expected level of income and expenditure for 12 months from authorising these financial statements. The budgeted income and expenditure is sufficient with the level of reserves for the charity to be able to continue as a going concern.

Debtors and creditors receivable/payable within one year

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in expenditure.

Cash and cash equivalents

Cash and cash equivalents are basic financial assets and include cash in hand and deposits held.
