Charity Details

Charity number: 1174558 Address: 2 Upper Ashley Lane BD17 7DA Telephone Number: 07753513869

The trustees of the charity are as follows: Dr Virginija Kuosaite-Knowles (appointed 7 September 2017 as Chair of Trustees), Amanda Louise Gill (appointed 28 November 2018), Leon Paul Oakley (appointed 28 November 2018).

Governing Document

YMAS is governed by its Constitution of a Charitable Incorporated Organisation dated 7 September 2017. It is registered as a charity with the Charity Commission. We have assessed what skills are needed across the board, and sought help from external bodies to recruit more business aware trustees where needed. In addition to this we have sought guidance on the responsibilities of our trustees, and made this available to them. Anyone over the age of 18 can become a member of the trustees.

Organisation and Charitable Aims

YMAS is a charitable after-school art school opened for young people age 4 to 16 years old. We teach painting, drawing, sculpture, art history and much more. The work our students create is regularly displayed at free public exhibitions locally and abroad. We provide pre-GCSE and GCSE level qualifications through Trinity College London Arts Award certification. YMAS supports autistic, disabled and gifted young people.

Young Masters Visual Art School (YMAS) encourages social engagement of children and young people through the teaching of art and design. It promotes creativity, curiosity and confidence in its students, and has contributed to a notable improvement in many students' attainment in other areas of their wider education.

Chair's Report

Young Masters Visual Art School is a result of dedicated work of Dr Virginija Kuosaite-Knowles and her team. The charity has evolved from Idle Art Studio Ltd through amount of charitable work the company has provided since it has been established in March 2014. Relevant developments of the company have been outlined in the Charity Reports throughout 2018-2023.

Curriculum for academic year 2023-2024: This academic year 2023-2024 our teaching time table remained the same compared to the previous year. Meaning, our main provision, as a charitable aim, was focused to the primary school children age 4-11. Our regular KS2 and Home Educated provision remained the same. All additional KS2 courses were designed to achieve Silver/GCSE qualification in Photography, Fashion Design, Textile, Illustration and Painting.

Young Masters School restarted on 12 September 2023, in anticipation to receive funding from Leeds Community Foundation and Bradford 2025, both fundings being critically important to continue with Silver/Bronze Arts Award classes and install the double-glazed windows to keep us warm in winter and reduce gas bills.

However, very soon into the autumn term, we found out that our both applications have been declined. **Peers Youth Fund:** Unfortunately, your application to Pears Youth Fund was not successful. The panel provided the following feedback: The panel appreciated your application, but, unfortunately, on this occasion decided not to award funding. They wished to focus on awarding funding to organisations that can offer more inclusive activity for young people where fees are not a potential barrier. **Bradford 2025:** Your application has been assessed by a panel consisting of representatives from Bradford 2025, Bradford Metropolitan District Council and Arts Council England, and I am sorry to disappoint you, but your project has not been recommended for funding. No further feedback has been provided.

Silver/GCSE Arts Award: Not deterred by the disappointment, we continued our work at Young Masters. Arts Award Sunday classes started on 15 October with 16 students involved. The subjects covered in Textile, Photography, Fashion Design, Illustration and Painting classes for KS2 students. By the end of academic year some incredible work has been produced by our students – we are so proud of them all – they all passed Silver/GCSE/Level 2 qualification in the Arts.

Bingley Arts Centre: In October, we had our second exhibition at Bingley Arts Centre/Bingley Little Theatre, for which we chose to display our Friday Painting class artwork. Our students worked over three sessions to create the abstract backgrounds and weave into them their own warped features.

Skill Share Sundays: To help our Silver students to achieve their study goals with the Award programme, we regularly organized free Skill Share Sundays with the local artists. The most unique Skill Share at Young Masters yet was with Isabella Anne Kelley, who brought her heavy artillery tools for us to try the silversmith's bread. After hearing from Isabella how she became an artist in such a rare field, and trying her tools at hammering some patterns, we appreciated Isabella's dedication to this unusual form of art. Other Skill Shares included Virginija Knowles' hand sewn Christmas decorations and Easter Bunny class.

Christmas Card competition: We had a lovely gathering at City Hall for the Lord Mayor's Christmas card competition winners. Tilly and Leia have been long-standing members of Young Masters school and attended our illustration class at the time. We are thrilled that their designs caught the Lord Mayor's and other officials' eyes. We are so proud of our students, regularly winning this competition.

"Tree of Life": In January 2024 Young Masters Visual Art School was hosting an exhibition of home textile products "Tree of Life". Papercuts and textile designs of our students were also exhibited at the Zarasai Faustas Latėnas School of Art, Lithuania, and "Roses and Lilies" gallery, Lithuania. "Roses and Lilies" is an initiative that unites not only creative women in the Lithuanian Highlands, but also creators living in big cities and abroad, who miss simplicity and seek inspiration in Lithuanian folk creativity, Lithuanian countryside, naive art, nature and

mutual fellowship. On the back of this cooperation, we dedicated our Winter term at young Masters studying the Folk Art of some countries with the strongest Folk Art traditions.

10 Years of Young Masters: In March, on 24th of March to be precise, we reached our 10th anniversary at Young Masters. To celebrate such achievement, we allowed ourselves to organise an exhibition, which would reflect the work of our most dedicated teachers and artists/creators themselves: Nicola Storr in Illustration, Jessica Swift in Painting and Virginija Knowles in Textiles.

Chemnitz 2025: Our charity head Virginija Knowles was invited back to Chemnitz to celebrate Chemnitz 2025, European city of culture in Germany. The week-long event in June included meeting local artists, socialising, learning from other international participants, leading workshops for school children and adults and demonstrating our artwork. Virginija's trip was funded by **Makers United, Germany** and **Saltaire Art Society, UK**.

Antisocial behaviour at Young Masters neighbourhood: At the time of choosing Young Masters Visual Art School premises back in 2020, we haven't anticipated that the neighbourhood could affect a safe functioning of our school. We have leased the building for 10 years, invested 10K in renovation costs to comply with the latest building regulations and build a safe environment while working with children. While we made every effort to make our school a safe, nurturing, supporting, eventually we discovered, we were not in the most 'friendliest' neighbourhoods. After a lot of harassment, verbal abuse and antisocial behaviour from the neighbouring business we were forced to report to the police, our local authority and a local MP and managed to get not one but two Community Resolution orders in the last year. That didn't solve the problem. One would think that we live in the 21st century, in a developed country like the UK, where we have rights to protect our charity and keep our staff and families safe from harassment and verbal abuse, however for our estate agent and a landlord this seems to be beyond possibility to grasp. We have tried many different ways to solve the problem, and haven't succeeded. We had to find the way to protect ourselves and our families from that sort of behaviour. It was with a heavy heart we made decision not to reopen our school in Shipley in September 2024.

Maybe our school is closed now, but our minds are free, and our students are flying high because we made their wings stronger.

2.2 INCOME

This standard list of accounting policies has been applied by the charity except for those ticked "No" or "N/a". Where a different or additional policy has been adopted then this is detailed in the box below.

Recognition of income	These are included in the Statement of Financial Activities (SoFA) when: - the charity becomes entitled to the resources; - it is more likely than not that the trustees will receive the resources; and - the monetary value can be measured with sufficient reliability.	<table> <tr><td>Yes</td><td>No</td><td>N/a</td></tr> <tr><td>☒</td><td>☒</td><td>☒</td></tr> </table>	Yes	No	N/a	☒	☒	☒

Legacies	In the case of performance related grants, income must only be recognised to the extent that the charity has provided the specified goods or services as entitlement to the grant only occurs when the performance related conditions are met (5.16 FRS 102 SORP). Legacies are included in the SOFA when receipt is probable, that is, when there has been grant of probate, the executors have established that there are sufficient assets in the estate and any conditions attached to the legacy are either within the control of the charity or have been met.	<table> <tr><td>Yes</td><td>No</td><td>N/a</td></tr> <tr><td>☒</td><td>☒</td><td>☒</td></tr> </table>	Yes	No	N/a	☒	☒	☒

Tax reclaims on donations and gifts	Gift Aid receivable is included in income when there is a valid declaration from the donor. ☒	☒	☒						
Donated goods	Donated goods are measured at fair value (the amount for which the asset could be exchanged) unless impractical to do so. The cost of any stock of goods donated for distribution to beneficiaries is deemed to be the fair value of those gifts at the time of their receipt and they are recognised on receipt. In the reporting period in which the stocks are distributed, they are recognised as an expense at the carrying amount of the stocks at distribution. Donated goods for resale are measured at fair value on initial recognition, which is the expected proceeds from sale less the expected costs of sale, and recognised in 'Income from other trading activities' with the corresponding stock recognised in the balance sheet. On its sale the value of stock is charged against 'Income from other trading activities' and the proceeds from sale are also recognised as 'Income from other trading activities'.	<table> <tr><td>Yes</td><td>No</td><td>N/a</td></tr> <tr><td>☒</td><td>☒</td><td>☒</td></tr> </table>	Yes	No	N/a	☒	☒	☒

Donated services and facilities	Donated services and facilities are included in the SOFA when received at the value of the gift to the charity provided the value of the gift can be measured reliably. Support costs

The charity has incurred expenditure on support costs.

✓	✓	✓
---	---	---

Volunteer help	The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.
Income from interest, royalties and dividends	This is included in the accounts when receipt is probable and the amount receivable can be measured reliably.
Income from membership subscriptions	Membership subscriptions received in the nature of a gift are recognised in Donations and Legacies. Membership subscriptions which gives a member the right to buy services or other benefits are recognised as income earned from the provision of goods and services as income from charitable activities.
Settlement of insurance claims	Insurance claims are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP) and are included as an item of other income in the SoFA.
Investment gains and losses	This includes any realised or unrealised gains or losses on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.

2.3 EXPENDITURE AND LIABILITIES

Liability recognition	Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty.
Governance and support costs	Support costs have been allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice. Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.
Grants payable without performance conditions	Where there are no conditions attaching to the grant that enables the donor charity to realistically avoid the commitment, a liability for the full funding obligation must be recognised.
Redundancy cost	The charity made no redundancy payments during the reporting period.
Deferred income	No material item of deferred income has been included in the accounts.
Creditors	The charity has creditors which are measured at settlement amounts less any trade discounts
Provisions for liabilities	A liability is measured on recognition at its historical cost and then subsequently measured at the best estimate of the amount required to settle the obligation at the reporting date
Basic financial instruments	The charity accounts for basic financial instruments on initial recognition as per paragraph 10.7 FRS102 SORP. Subsequent measurement is as per paragraphs 11.17 to 11.19, FRS102 SORP.

Young Masters Visual Art School (YMAS) Creative Hub

Charity Details

Charity number: 1174558 Address: 2 Upper Ashley Lane BD17 7DA Telephone Number: 07753513869

The trustees of the charity are as follows: Dr Virginija Kuosaite-Knowles (appointed 7 September 2017 as Chair of Trustees), Amanda Louise Gill (appointed 28 November 2018), Leon Paul Oakley (appointed 28 November 2018).

Governing Document

YMAS is governed by its Constitution of a Charitable Incorporated Organisation dated 7 September 2017. It is registered as a charity with the Charity Commission. We have assessed what skills are needed across the board, and sought help from external bodies to recruit more business aware trustees where needed. In addition to this we have sought guidance on the responsibilities of our trustees, and made this available to them. Anyone over the age of 18 can become a member of the trustees.

Organisation and Charitable Aims

YMAS is a charitable after-school art school opened for young people age 4 to 16 years old. We teach painting, drawing, sculpture, art history and much more. The work our students create is regularly displayed at free public exhibitions locally and abroad. We provide pre-GCSE and GCSE level qualifications through Trinity College London Arts Award certification. YMAS supports autistic, disabled and gifted young people.

Young Masters Visual Art School (YMAS) encourages social engagement of children and young people through the teaching of art and design. It promotes creativity, curiosity and confidence in its students, and has contributed to a notable improvement in many students' attainment in other areas of their wider education.

Chair's Report

Young Masters Visual Art School is a result of dedicated work of Dr Virginija Kuosaite-Knowles and her team. The charity has evolved from Idle Art Studio Ltd through amount of charitable work the company has provided since it has been established in March 2014. Relevant developments of the company have been outlined in the Charity Reports throughout 2018-2022.

The academic year September 2022 to August 2023 financially was similar to the previous year, regarding our income from trade and expenditure on charitable activities. Losses incurred for two years as a result of lower grant income. This year we incurred significantly higher energy costs, compared to the previous years. If November 2021- February 2022 total gas bill was £726, then same period 2022-2023 was £1779. The gas bill remained staggeringly high throughout Spring months resulting in total increase by 300%.

Curriculum for academic year 2022-2023: This academic year 2022-2023 we further expanded pre-school/KS1 age provision in form of additional Saturday afternoon Mini Masters classes; expanded 11+ provision in form of free Sunday Bronze/Silver/GCSE classes in addition to the weekday courses designed to achieve Silver/GCSE qualification in Photography, Islamic Art, Fashion Design, Illustration and Advanced Painting. We added a day time Textile class on Tuesdays for Home Educated children. Our regular KS2 and Home Educated provision remained the same. Our main provision, as a charitable aim, remained for the primary school children age 7-11.

We started a year with our end of a year exhibition in September 2022, covering the human and animal portrait themed artwork from Spring-Summer 2022. Well attended by Young Masters families and the Lord Mayor of Bradford, Cllr Martin Lowe.

In academic year 2022-2023 our KS2 students in regular Young Masters classes covered: Autumn term: multimedia live drawing and collage of natural forms (plants and shells); moving onto drawing insects and making paper mache cardboard reliefs. Winter term: Pastel and watercolour Still life; vegetable monoprint; pallet knife Victorian style painting. Spring term: local artist's Jane Fielder inspired local watercolour landscapes; mixed media areal paintings (widely displayed at various locations in Bradford and abroad); poster painting of our favourite holiday destination; printed paper collages telling our own story.

Achievements: Lord Mayor of Bradford Christmas card competition: Our school had three first prizes in Bradford Council Christmas card competition and had a lovely celebration with the family and friends at Bradford City Hall with dazzling lights and twinkling trees. The Lord Mayor Cllr Martin Lowe handed out certificates.

Photography and Photoshop exhibition: In December 2022 we celebrated our first Photography class exhibition at Young Masters. We printed children's work, demonstrating their incredible skill in handling cameras and using Photoshop programme on the computer. These are very valuable skill in future learning and study or job prospects.

Silver/GCSE Arts Award: At the end of academic year 2022 our Silver/GCSE programme was firmly embedded in our school provision. We continued with free Sunday classes, guiding our students in their individual and group work to obtain the Trinity College London Silver Arts Award. For more details, please see the charity report 2022. In total, we successfully enrolled 26 students.

Skill Share Sundays: To help our Silver students to achieve their study goals with the Award programme, we regularly organized free Skill Share Sundays with the local artists. Dennis Bristow provided two workshops in pencil drawing techniques of the local brick buildings. A local printer Claire Rooks led four linocut and printing workshops. All this additional work has enhanced students' portfolios and provided with additional skills and understanding of techniques, required to achieve the award.

King's Charle's Royal Coronation Party: We have received a small local authority grant of £250 to celebrate the coronation of the King. That was a fun activity, designed by Virginija

Knowles, and celebrated not only on a day with the cakes and a picnic, but also rolled out throughout all Young Masters classes, making tall and prominent crowns for everyone.

Collaboration with MIND: We were delighted to have attracted an interest of the amazing charity MIND IN BRADFORD to run a new support group for our parents and carers, which started in November 2022 for six weeks and then continued regularly after Christmas. This provided a huge support to our families with children and their challenging behaviours, gave a support and care to parents who cared for a family member with long illness and anxiety. The sessions were provided by a wonderful MIND practitioner Kath Anderson.

Bingley Little Theatre exhibition: Our Young Masters students were invited to display their work at Bingley Little Theatre. This was organised by The Arts Society and Saltaire Arts Society, who also have provided a cheque for £150 to frame the artwork. All the effort hanging it out is down to our school's volunteers. For this exhibition we have chosen to display the Cityscapes, which were created in our regular Young Masters classes, covering the age group 7 to 12. We delved into various perspectives and drew a bird's eye view using a simple string technique, or a 'worms eye view' looking up at the skyscrapers from a pedestrian point of view. Using the knowledge of perspective, we started drawing the fabulous cityscapes from all around the world and started painting using accentuated brush strokes to get the formation of the sky and the buildings, as seen in American artist's Yvonne Jacquette depictions of aerial landscapes often painted using a distinctive, pointillistic technique. We also effectively added a spot of collage technique, so well and playfully being used by a contemporary Italian painter Francesco Lietti.

Chemnitz 2025: Our charity head Virginija Knowles was invited to represent Bradford 2025 at Chemnitz 2025, European city of culture in Germany. The presentation included six other Bradford artists, who took their skills and artwork to demonstrate at Makers United Festival in Chemnitz in June 2023. The week-long event included meeting local artists, socialising, learning from other international participants, leading workshops for school children and adults and demonstrating our artwork.

Funding Application to Leeds Community Foundation (Core costs £10K): A grant contribution towards our core costs would help us keep our building safe and warm and would free up a valuable trustees time from daily volunteering/safeguarding and direct their efforts towards finding the more effective ways to fund the increasing operational costs and to avoid the detrimental effects it could have on our school. We would use the grant to help pay proportionately towards the management/safeguarding costs, heating costs and increase Arts Award provision, that are imperative to the charitable aims of Young Masters. Help with our core costs will stabilise our depleting reserve pot, improve our service delivery and ensure security and sustainability within our charity. We want Young Masters to be as stable and effective as it can be - so we are in the best position to achieve our mission statement; and to carry on providing our affordable and effective Visual Arts, Photography, Crafts, Sewing, Arts Award and Illustration classes within our community.

Funding Application to Bradford2025 (Capital grant 10K): To improve our building by replacing the existing single glazed rotten windows, this will in turn help us reduce running costs. To replace the carpeted flooring to a modern hygienic easy maintenance laminate

flooring. We have chosen this building in 2020 because it resembles a little school, has everything we need, including the storage, and is affordable for our charity.

Creative Industries Application (Silver GCSE Award 9.8K): Thanks to Victoria Clifton, the Head of Learning at Bradford Museums and Galleries, we were invited to represent our school to Creative Industries Board meeting. We thought it would be fair to remind community just how thankful and grateful we are for their direct support. We were aiming to highlight the importance of support in continuous Silver/GCSE provision in our school.

Young Masters is just amazing. The staff are so friendly, encouraging and supportive. During lockdown Virginia and her team put on Zoom sessions every day! These sessions kept me and my daughter sane. It was like art therapy. Good for the soul! Thank you for your wonderful school. Art helps to keep reminding us of the good things and all the beauty in the world. My daughter loves to do art especially the clay! I highly recommend Young Masters to everyone.

- Duration: one academic year, once a week, 90min session
- Costings: 42x20x11 + 30x20
- Total amount: 9,840
- Success stories:

'Despite 2020 lockdown restrictions and online teaching we succeeded to get 14 students through the process to achieved Silver/GCSE qualification In the Arts in February 2021. This qualification proved to be vital for a number of students to move into further education. For example, J.G, an autistic home-educated young person age 15 was able to get in to an accountancy college (with minimum requirement of four GCSE's, one of them being In the Arts). A.P, a dyslexic mainstream school pupil was able to secure a place on an Arts course at Leeds City college ahead of her main GCSE exams based on her fantastic arts portfolio and Silver/GCSE In the Arts which she gained through YMVAS. This clearly had a huge positive impact to young people's life. The students' hard work and art teachers' dedication has inspired us to create more courses for a new academic year.'

2.2 INCOME

This standard list of accounting policies has been applied by the charity except for those ticked "No" or "N/a". Where a different or additional policy has been adopted then this is detailed in the box below.

Recognition of income	These are included in the Statement of Financial Activities (SoFA) when: - the charity becomes entitled to the resources; - it is more likely than not that the trustees will receive the resources; and - the monetary value can be measured with sufficient reliability.	<table> <tr><td>Yes</td><td>No</td><td>N/a</td></tr> <tr><td>☒</td><td>☒</td><td>☒</td></tr> </table>	Yes	No	N/a	☒	☒	☒

Legacies	In the case of performance related grants, income must only be recognised to the extent that the charity has provided the specified goods or services as entitlement to the grant only occurs when the performance related conditions are met (5.16 FRS 102 SORP). Legacies are included in the SOFA when receipt is probable, that is, when there has been grant of probate, the executors have established that there are sufficient assets in the estate and any conditions attached to the legacy are either within the control of the charity or have been met.	<table> <tr><td>Yes</td><td>No</td><td>N/a</td></tr> <tr><td>☒</td><td>☒</td><td>☒</td></tr> </table>	Yes	No	N/a	☒	☒	☒

Tax reclaims on donations and gifts	Gift Aid receivable is included in income when there is a valid declaration from the donor. Any Gift Aid amount recovered on a donation is considered to be part of that gift and is treated as an addition to the same fund as the initial donation unless the donor or the terms of the appeal have specified otherwise.	<table> <tr><td>Yes</td><td>No</td><td>N/a</td></tr> <tr><td>☒</td><td>☒</td><td>☒</td></tr> </table>	Yes	No	N/a	☒	☒	☒

☒	☒	☒						
Donated goods	Donated goods are measured at fair value (the amount for which the asset could be exchanged) unless impractical to do so. The cost of any stock of goods donated for distribution to beneficiaries is deemed to be the fair value of those gifts at the time of their receipt and they are recognised on receipt. In the reporting period in which the stocks are distributed, they are recognised as an expense at the carrying amount of the stocks at distribution. Donated goods for resale are measured at fair value on initial recognition, which is the expected proceeds from sale less the expected costs of sale, and recognised in 'Income from other trading activities' with the corresponding stock recognised in the balance sheet. On its sale the value of stock is charged against 'Income from other trading activities' and the proceeds from sale are also recognised as 'Income from other trading activities'. Goods donated for on-going use by the charity are recognised as tangible fixed assets and included in the SoFA as incoming resources when receivable. Gifts in kind for use by the charity are included in the SoFA as income from donations when receivable.	<table> <tr><td>Yes</td><td>No</td><td>N/a</td></tr> <tr><td>☒</td><td>☒</td><td>☒</td></tr> </table>	Yes	No	N/a	☒	☒	☒

☒	☒	☒						
Donated services and facilities	Donated services and facilities are included in the SOFA when received at the value of the gift to the charity provided the value of the gift can be measured reliably. Donated services and facilities that are consumed immediately are recognised as income with an equivalent amount recognised as an expense under the appropriate heading in the SOFA.	<table> <tr><td>Yes</td><td>No</td><td>N/a</td></tr> <tr><td>☒</td><td>☒</td><td>☒</td></tr> </table>	Yes	No	N/a	☒	☒	☒

---	---	---

Volunteer help	The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.
Income from interest, royalties and dividends	This is included in the accounts when receipt is probable and the amount receivable can be measured reliably.
Income from membership subscriptions	Membership subscriptions received in the nature of a gift are recognised in Donations and Legacies. Membership subscriptions which gives a member the right to buy services or other benefits are recognised as income earned from the provision of goods and services as income from charitable activities.
Settlement of insurance claims	Insurance claims are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP) and are included as an item of other income in the SoFA.
Investment gains and losses	This includes any realised or unrealised gains or losses on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.

2.3 EXPENDITURE AND LIABILITIES

Liability recognition	Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty.
Governance and support costs	Support costs have been allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice. Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.
Grants payable without performance conditions	Where there are no conditions attaching to the grant that enables the donor charity to realistically avoid the commitment, a liability for the full funding obligation must be recognised.
Redundancy cost	The charity made no redundancy payments during the reporting period.
Deferred income	No material item of deferred income has been included in the accounts.
Creditors	The charity has creditors which are measured at settlement amounts less any trade discounts
Provisions for liabilities	A liability is measured on recognition at its historical cost and then subsequently measured at the best estimate of the amount required to settle the obligation at the reporting date The charity accounts for basic financial instruments on initial recognition as per paragraph 10.7 FRS102 SORP. Subsequent measurement is as per paragraphs 11.17 to 11.19, FRS102 SORP.

Charity Details

Charity number: 1174558 Address: 2 Upper Ashley Lane BD17 7DA Telephone Number: 07753513869

The trustees of the charity are as follows: Dr Virginija Kuosaite-Knowles (appointed 7 September 2017 as Chair of Trustees), Georgia Jean Marie Griffiths (appointed 7 September 2017, resigned November 2020), Amanda Louise Gill (appointed 28 November 2018), Leon Paul Oakley (appointed 28 November 2018).

Governing Document

YMAS is governed by its Constitution of a Charitable Incorporated Organisation dated 7 September 2017. It is registered as a charity with the Charity Commission. We have assessed what skills are needed across the board, and sought help from external bodies to recruit more business aware trustees where needed. In addition to this we have sought guidance on the responsibilities of our trustees, and made this available to them. Anyone over the age of 18 can become a member of the trustees.

Organisation and Charitable Aims

YMAS is a charitable after-school art school opened for young people age 4 to 16 years old. We teach painting, drawing, sculpture, art history and much more. The work our students create is regularly displayed at free public exhibitions locally and abroad. We provide pre-GCSE and GCSE level qualifications through Trinity College London Arts Award certification. YMAS supports autistic, disabled and gifted young people.

Young Masters Visual Art School (YMAS) encourages social engagement of children and young people through the teaching of art and design. It promotes creativity, curiosity and confidence in its students, and has contributed to a notable improvement in many students' attainment in other areas of their wider education.

Chair's Report

Young Masters Visual Art School is a result of dedicated work of Dr Virginija Kuosaite-Knowles and her team. The charity has evolved from Idle Art Studio Ltd through amount of charitable work the company has provided since it has been established in March 2014. Relevant developments of the company have been outlined in a Charity Report year ending 31 August 2018, 2019, 2020, and 2021.

The academic year September 2021 to August 2022 was the first full uninterrupted year after Covid. We observed a continuous awareness from our parents regarding the rise of living costs. And we were affected by continuous rise of material costs and energy bills. Our total unrestricted funds at the beginning of the academic year were £30,000 and we made a conscious decision not to rise the attendance costs for our families. We put a lot of effort into

the funding applications and continued a careful management of our spending costs. Our total income reduced by 25%. However, despite the rising costs we managed to keep our spending at the same level compared to 2021. We additionally received Omicron Grant and Additional Restrictions Grant from the local authority, £10,549 in total, which we put towards Silver/GSCE level courses in Photography (including the equipment and Adobe Photoshop license), Islamic Art, and Textiles (including sewing machines). We additionally spent £2,000 on funding consultancy with NPG (Non-Profit-Growth) and spent £1,260 on staff training in Silver Award (Trinity College London) and CPD (Continuous Professional Development) in textiles.

Curriculum for academic year 2021-2022: This academic year 2021-2022 we further expanded pre-school/KS1 age provision in form of additional Saturday Mini Masters classes; expanded a regular KS2 provision in form of additional Saturday classes; expanded 11+ provision in form of free Sunday Bronze/Silver/GCSE classes in addition to the weekday courses designed to achieve Silver/GCSE qualification in Photography, Islamic Art, Fashion Design, Illustration and Advanced Painting.

Our main provision remains for the primary school children age 7-11. We started a year with observational drawing of natural forms and transferred that into a clay. Then we moved on to a large format mixed media artwork, based on Kerry Darlington work. Our next long-term project was to master the perspective and draw the streets of local places. Then we moved on to acrylic painting of cityscapes from around the world. This work was displayed at Bingley Little Theatre and later travelled to the Children's Library in Zarasai, Lithuania. We spent winter term at school studying Pop artist, including Roy Lichtenstein and Bridget Riley; Street artists Jean-Michel Basquiat and Keith Haring. Then we created our own version of self-portrait in street art style. In spring term we moved into portraiture painting, transferring images from our own photographs and using acrylics on canvas. This work was a focal point of our end of a year exhibition in September 2022. Well attended by Young Masters families and the Lord Mayor of Bradford, Cllr Martin Lowe. The exhibition also included an animal and human (students own images) portrait fusion based on art of Charlotte Caron, with most amazing results. We finished a school year creating a wall of papier mache animal masks- the pride and joy of our school and another centrepiece of the exhibition.

Achievements: Lord Mayor of Bradford Christmas card competition: Our school had two winners for Bradford Council Christmas card competition and had a lovely celebration with the family and friends at Bradford City Hall with dazzling lights and twinkling trees. The Lord Mayor Cllr Shabir Hussain handed out certificates.

Safeguarding Certificate: Young Masters Visual Art School achieved Manchester & Bradford Local Authority Foundation Award for Quality Safeguarding provision in Out of School Settings. We were nominated one out of ten best out of school settings in Bradford. The certificate was handed at Bradford City Hall in March 2022 with key policies in place in:

- Mission Statement
- Safeguarding Policy
- E safety Policy
- Equality & Diversity Policy
- Complaints Policy

- Behaviour Policy
- Safe Recruitment Policy
- Regular Safeguarding Training
- Registers of Attendance
- Health & Safety
- Liability Insurance
- Transparent Financial Management

IWD 2022: Stitching on Tuesday & Stitching on Sundays via Small Arts, Culture & Heritage Grants (£1000 personal grant to VKK). Through learning basic methods of hand stitching and using recycled wool fabric products we created animals to celebrate a rural and urban natural life in the area including the canal, river, and the woods. With a life-long learning experience how to use a thread and a needle; how to plan and maquette; to recycle and repurpose fabrics and turn them into a family heirloom. Hand stitching promotes joy and well-being, reduces stress and anxiety. These quality mental health improvement techniques are vital in today's society.

Her Majesty Platinum Jubilee: A free family event, thanks to Bradford Council Neighbourhood Service £200 donation and Young Masters Visual Art School volunteering. We warmly invited the community to join us and celebrate Her Majesty's long and gentle reign. We welcomed Young Masters families, members of the public and anyone else who wanted to bring a picnic and work together creating an accessible and fun piece of art, a large mural/wall hanging depicting Her Majesty and Her beloved Corgis in a fun and colourful style. We used a mixture of different art mediums to achieve the image, and this provided a unique opportunity for all participants to try out new skills and gain confidence in mark making and colour application.

Silver/GCSE Arts Award: Young Masters Visual Art School is continuously building a strong reputation within the Bradford district with a proven track record in our culturally significant provision, creating opportunities to network and share good practice in sustainable arts and cultural initiatives. Since 2016 we became Trinity College London Arts Award centre and a qualified provider of certified qualifications in visual arts from Entry Level to Level 2 (GCSE) qualification which then allowed our students to choose further education at a college level. This clearly had a huge positive impact to young people's life. The students' hard work and art teachers' dedication has inspired us to create more courses for a new academic year. We have received an Additional Restrictions Grant from the local authority to support our *In Readiness for Further Education* Grant. This grant helped us to embed the Silver/GCSE provision in to 12+ courses by the end of academic year 2022.

We are recognising the positive impact of this opportunity on all our students and their families. We support families and students from many different backgrounds including culturally diverse, home-schooled and those with additional educational needs. The Silver/GCSE provision is the vital stepping stone for those who may not be able to achieve the required number of qualifications in a mainstream education. In addition, the Silver/GCSE provides an additional qualification for those who are very academic and want to enhance their existing qualifications in the Arts.

What does it mean for some of our students to receive Silver Award in the Arts?

Sophie:

It's a huge achievement; it has really helped me develop my leadership and communication skills and even though we were challenged by Lockdown, we still managed to achieve our Silver Award. I tried my best and persevered, even I found it hard sometimes, but I received an awful lot of support.

Ema:

Personally, it means setting myself a future goal (which involves art) and working towards my life dream. Learning new skills, stepping out of a comfort zone and getting first recognition. Making me proud of myself by achieving it. At the beginning it felt scary and non-achievable, but it was so worth of hard work.

Jo:

I am going to be going to college this year, and having the Silver Award will mean that I can go and do a Level 2 Business course rather than a Level 1. I doubted my own abilities, but at the end I had fun and really enjoyed the course, art is meant to be fun.

Legacies are included in the SOFA when receipt is probable, that is, when there has been grant of probate, the executors have established that there are sufficient assets in the estate and any conditions attached to the legacy are either within the control of the charity or have been met.	<table> <tr> <th>Yes</th><th>No</th><th>N/a</th></tr> <tr> <td>☒</td><td>☒</td><td>☒</td></tr> </table>	Yes	No	N/a	☒	☒	☒

Yes	No	N/a						
☒	☒	☒						
	The cost of any stock of goods donated for distribution to beneficiaries is deemed to be the fair value of those gifts at the time of their receipt and they are recognised on receipt. Responsibilities and
basis of report

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended **31/08/2022**.

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent
examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination (other than that disclosed below *) which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Charity Details

Charity number: 1174558 Address: 2 Upper Ashley Lane BD17 7DA Telephone Number: 07753513869

The trustees of the charity are as follows: Dr Virginija Kuosaite-Knowles (appointed 7 September 2017 as Chair of Trustees), Georgia Jean Marie Griffiths (appointed 7 September 2017, resigned November 2020), Amanda Louise Gill (appointed 28 November 2018), Leon Paul Oakley (appointed 28 November 2018).

Governing Document

YMAS is governed by its Constitution of a Charitable Incorporated Organisation dated 7 September 2017. It is registered as a charity with the Charity Commission. We have assessed what skills are needed across the board, and sought help from external bodies to recruit more business aware trustees where needed. In addition to this we have sought guidance on the responsibilities of our trustees, and made this available to them. Anyone over the age of 18 can become a member of the trustees.

Organisation and Charitable Aims

YMAS is a charitable after-school art school opened for young people age 4 to 16 years old. We teach painting, drawing, sculpture, art history and much more. The work our students create is regularly displayed at free public exhibitions locally and abroad. We provide pre-GCSE and GCSE level qualifications through Trinity College London Arts Award certification. YMAS supports autistic, disabled and gifted young people.

Young Masters Visual Art School (YMAS) encourages social engagement of children and young people through the teaching of art and design. It promotes creativity, curiosity and confidence in its students, and has contributed to a notable improvement in many students' attainment in other areas of their wider education.

Chair's Report

Young Masters Visual Art School is a result of dedicated work of Dr Virginija Kuosaite-Knowles and her team. The charity has evolved from Idle Art Studio Ltd through amount of charitable work the company has provided since it has been established in March 2014. Relevant developments of the company have been outlined in a Charity Report year ending 31 August 2018, 2019 and 2020.

Financial Position 2020-2021

A vulnerable charity's financial position due to the cost of premises it occupied previously has been outlined in a Charity Report 2019. Moving school to Ashley House, Upper Ashley Lane in Shipley allowed us to build resilience and reserves and gain further respect in the community. Government Covid-recover grants received in 2020/2021 allowed us to form a reserve of £17,000, which was essential for continuous resilience of our organisation.

With those reserves and a new-found optimism, we started a new academic year in September 2020 by creating a brand-new curriculum and restructuring the school and teaching parallel classes to age groups 4-6, 7-11 and 12+. We offered new courses for older students in Painting, Illustration, Photography and Sculpture. These courses were linked to Trinity College London Arts Award Programme for students to achieve Bronze or Silver Award, Silver Award being equivalent to GCSE In the Arts. Our income steadily rose from September 2020 to December 2020, suggesting that we have made great steps towards a sustainable future. We were able to operate throughout November 2020, when the district was in the Tier 3 restrictions, while schools remained opened. Our parents acknowledged that our school is supporting the emotional well-being of individual children and their families, also boost confidence and keep old and forge new friendships. We worked together with other community organisations including Bradford Barnardo's charity, Bradford PRU (Pupil Referral Unit) and the Senior Power Bradford charity.

School closures in January 2021 resulted in a mandatory closure of physical YMVAS classes. Within 24h we moved to an online teaching platform as the platform was readily established in Summer 2020. However, two main aspects have resulted in a dramatic loss of students (and income). The first reason being that all schools moved to more structured online teaching compared to 2020. A lot of parents raised concerns about the amount of time children, especially younger age groups, spent online. In our case, we felt like instead of offering a relief from the lockdown as it was in 2020, we became an additional worry taking away valuable time from children to go outside or spend time with their families. The second reason being that many families had to suspend after-school activities due to reduced or lost family income in the lockdown. Our income in January 2021 dropped by 70% and continued to be at low levels until the end of academic year 2021.

Exhibitions & Achievements: Our Summer Exhibition, which usually takes place in July, this year was held on the 8th of September. The exhibition was well received by parents and students, with the Lord Mayor of Bradford Cllr Shabir Hussain attending the event.

Lord Mayor of Bradford Christmas card competition: Our school had three winners for Bradford Council Christmas card competition and celebrated with the family and friends at Bradford City Hall.

Art Award: In September 2019 we enrolled 37 young people in the programme, which was designed for older students to achieve GCSE equivalent Silver Arts Award. The funding came from the National Arts Education Charity The Arts Society, and we received an additional supportive grant towards Silver/GCSE delivery from IVE, Leeds for Home Educated and autistic children. We were able to help them gain Level 2 (GCSE) qualification which then allowed them to choose future education at a college level. Despite 2020 lockdown restrictions and online teaching we succeeded to get 14 students through the process to achieved Silver/GCSE qualification In the Arts in February 2021. This qualification proved to be vital for a number of students to move into further education. For example, J.G, an autistic home-educated young person age 15 was able to get in to an accountancy college (with minimum requirement of four GCSE's, one of them being In the Arts). A.P., a dyslexic mainstream school pupil was able to secure a place on an Arts course at Leeds City college ahead of her main GCSE exams based on her fantastic arts portfolio and Silver/GCSE In the Arts which she gained through YMVAS. This clearly had a huge positive impact to young people's life. The students' hard work and art teachers' dedication has inspired us to create more courses for a new academic year.

Skill share Tuesdays: Our Skill Share Sundays this year were held on Tuesdays with the professional artist & illustrator Nicola Storr and a mixed media artist Miriam Laville; both very dedicated to our school.

Curriculum for academic year 2020-2021: A new academic year started with observational drawing and painting fish and sea shells, followed by 3D Sea shells in clay. Later into Autumn we drew leaves and British garden animals and combined them into a mixed media display. For Winter project we painted Peter Brook inspired local landscapes, which were displayed in the exhibition in our school and later travelled to the Children's Library in Zarasai, Lithuania.

In the Lockdown 2021 from January to March 2021 we taught children online and delivered in total of 47 original classes in all the subjects we taught before the lockdown, including photography. The lockdown prohibited our Winter Exhibition.

On our return to the physical classes on 8 March 2021, we started with drawing British Birds, followed by Mark Hearld and Charlie Harper inspired birds, eventually moving onto a lino print animals and birds and a wallpaper design inspired by William Morris. This work was displayed at our wonderful Late Summer exhibition in September 2021.

New classes & courses: This academic year 2020-2021 we further expanded pre-school/KS1 age provision in form of additional Saturday Mini Masters classes; a regular 11+ provision in form of free Sunday Bronze/Silver classes in addition to the weekday courses designed to achieve Silver/Bronze portfolio in Photography, Illustration and Advanced Painting. We also started Thursday Creative Craft course for Home Schooling parents, while their children attended Art & Creative writing at our school. This class turned into a mental wellbeing club for parents, who could share their experiences while caring for neuro-diverse children, and provide mutual help and support for each other.

After returning back to school from the Lockdown 2021, we offered new courses to our older students in Traditional Islamic Art – Geometric Art, Illumination and Calligraphy, and Textile Art. Both courses were very well received and popular among our students and their parents.

Testimonials: 'Luke had a very enjoyable first experience of young masters! He came out super chilled and happy. This was a huge achievement for him to attend something where he doesn't know anyone & everything is completely new. Testament to the lovely environment you have created and fabulous staff', Helen Bamber.

'I would definitely recommend I brilliant calming art school, as it's done my great niece the world of good and is helping with her therapy, as she has a lot of nurturing needed, and I thank you for this it has really helped her so much', May Kervin.

2.3 EXPENDITURE AND LIABILITIES

Liability recognition	Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty.
Governance and support costs	Support costs have been allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice. Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.
Grants payable without performance conditions	Where there are no conditions attaching to the grant that enables the donor charity to realistically avoid the commitment, a liability for the full funding obligation must be recognised.
Redundancy cost	The charity made no redundancy payments during the reporting period.

Report

Year ending 31 August 2020

Young Masters Visual Art School (YMAS) Creative Hub

Charity Details

Charity number: 1174558 Address: 2 Upper Ashley Lane BD17 7DA Telephone Number: 07753513869

The trustees of the charity are as follows: Dr Virginija Kuosaite-Knowles (appointed 7 September 2017 as Chair of Trustees), Georgia Jean Marie Griffiths (appointed 7 September 2017, resigned 27 November 2020), Amanda Louise Gill (appointed 28 November 2018), Leon Paul Oakley (appointed 28 November 2018).

Governing Document

YMAS is governed by its Constitution of a Charitable Incorporated Organisation dated 7 September 2017. It is registered as a charity with the Charity Commission. We have assessed what skills are needed across the board, and sought help from external bodies to recruit more business aware trustees where needed. In addition to this we have sought guidance on the responsibilities of our trustees, and made this available to them. Anyone over the age of 18 can become a member of the trustees.

Organisation and Charitable Aims

YMAS is a charitable after-school art school opened for children and young people 4 to 16 years old. We teach painting, drawing, sculpture, art history and much more. The work our students create is regularly displayed at free public exhibitions locally and abroad. We provide pre-GCSE and GCSE level qualifications through Trinity College London Arts Award certification. YMAS supports autistic, disabled and gifted young people.

YMAS encourages social engagement of children and young people through the teaching of art and design. It promotes creativity, curiosity and confidence in its students, and has contributed to a notable improvement in many students' attainment in other areas of their wider education.

Over the past seven years YMAS has grown from a Limited Company teaching around sixty students to a recognised Supplementary School and Charity with its own premises, teaching upwards of 160 students.

As Head of school Dr Virginija Kuosaite-Knowles has overseen this transition, and has transitioned herself from being the principal teacher to maintaining more of a management and guidance position through her role as Chair of Trustees. While she still actively volunteers and teaches when and where needed, leads on lesson planning, administration and Child Welfare, YMAS now has a dedicated team of 3 trustees and six teaching staff.

This year YMAS continued to adhere to NRCSE Safeguarding quality mark, high standards of management, teaching and child welfare. YMAS installed termly formalised staff, student and trustee evaluation and feedback sessions as a part of this, and made sure that good communication was maintained throughout the academic year.

For students, YMVAS continued with Trinity College London Arts Award, and started the courses in Photography in addition to Illustration and Painting, which are dedicated towards Silver/GCSE qualification for older students. For home schooled children we expanded provision, adding drama and creative writing sessions.

Chair's Report

Young Masters Visual Art School is a result of dedicated work of Dr Virginija Kuosaite-Knowles and her team. The charity has evolved from Idle Art Studio Ltd through amount of charitable work the company has provided since it has been established in March 2014. Relevant developments of the company have been outlined in a Charity Report year ending 31 August 2018 and 2019.

Financial Position 2019-2020

Our charity's vulnerable financial position, due to the cost of the premises at Merchants Quay, has been outlined in a Charity Report 2019. Fortunately, we found an affordable alternative home at Ashley House, Upper Ashley Lane in Shipley and moved in March 2020, expecting to continue operating from there for the upcoming 10 years. This move would have allowed us to build resilience and reserves and gain further respect in the community. We refurbished the premises in February 2020 and successfully moved and started teaching from there on the 2 March only to close on the 20 March due to the COVID restrictions. We continued our hard work regardless.

After falling under mandatory closure of the physical school in March 2020, we continued teaching online. As we recognised the hardship of families during pandemic, we left the payments to parents' discretion. We applied for the Government COVID £10K grant and Arts Council Recovery Fund £16.5K. We also received £10K donation from Idle Art Studio Ltd. Without this additional support we would have closed.

We lost a half of our income in April-June 2020 and a staggering 70% in August 2020. With the grants we received we: 1) bought equipment and created an online teaching platform running Zoom classes twice a day, 2) provided income support for freelance teachers, bought and distributed art packs to homes, 3) established and built new collaborations and YMVAS portfolio of 120 new online classes in order to support *Let's Create* aims, 4) made necessary purchases to maintain COVID safe premises for a new academic year. We also kept £5,250 from the Recovery Fund as income support, and with the remaining Government grant formed a reserve of £17,000, which was essential for the resilience of our organisation.

Festivals & Exhibitions: In Summer 2019 we worked with Glenaire Primary School, Wycliffe Primary School and YMVAS students to produce *Textiles, Technology & Time* mixed media canvas, a commission by Saltaire Festival charity for Saltaire Festival September 2019. The three large canvas were displayed for the festival period in Higher Ground Café, Saltaire.

We also started a term with Late Summer Exhibition, which usually takes place in July. However, this term we decided to hold the Spring-Summer 2019 artwork exhibition on 11 September. The exhibition was well received by parents and students, with the Lord Mayor of Bradford Cllr Zafar Ali attending the event.

YMAS Winter term exhibition was held at school premises at Merchants Quay on 23 February with the Lord Mayor of Bradford Cllr Doreen Lee attending the event.

Achievements: Martin House Charity Calendar 2020 competition: YMAS won three prizes- Fiona, 11 February winner, Gabriela, 10 June Runner up and Nihal, 10 July Winner. Celebrated at Walker Morris offices in Leeds in November 2019.

Lord Mayor of Bradford Christmas card competition: Jo, 13 was a winner for YMAS and we celebrated this occasion on 12 December at Bradford City Hall.

Arts Award: In September 2019 we enrolled 20 young people in the programme, which was designed for older students to achieve GCSE equivalent Silver Arts Award. The funding came from the National Arts Education Charity *The Arts Society*, and we received an additional supportive grant towards Silver/GCSE delivery from *IVE*, Leeds for Home Educated and autistic children. We were able to help them gain Level 2 (GCSE) qualification which then allowed them to choose future education at a college level. Despite 2020 lockdown restrictions and online teaching we succeeded to get 14 students through the process to achieved Silver/GCSE qualification In the Arts in February 2021. This qualification proved to be vital for a number of students to move into further education. This clearly had a huge positive impact to young people's life. The students' hard work and art teachers' dedication has inspired us to create more courses for a new academic year.

Skill-share Sundays: Our guest artists this year were: Yorkshire artist Caroline Rilatt, drawing the local scenes from Saltaire village, and mixed media landscape professional artist Miriam Laville.

Curriculum for academic year 2019-2020: New academic year started with the observational & mixed media drawing of local Bradford buildings in style of local artist Clare Caulfield. Continued into 3D recycled sculpture in style of British sculptor Anthony Caro. This was extended in to an observational drawing from 3D and abstract painting. End of Winter term was dedicated to interior design, using observational drawing, collage and painting, following David Hockney or Henri Matisse style.

Spring term started at new premises with observational drawing of endangered animals and watercolours of British birds. However, the teaching was interrupted four weeks into the term and we moved to teach online, one hour every single day of the lockdown by creating affordable, manageable, variable, fun family one-hour lessons, 120 hours of online teaching in total from 20 March to the end of school year in July.

New classes: This academic year 2019-2020 YMAS started and expanded pre-school/KS1 age provision in form of Saturday Mini Masters classes; 11+ provision in form of Sunday Bronze/Silver classes in Painting and Illustration (Arts Award at GCSE level); family classes in Painting and Book Making. After a very successful and popular a day-long Christmas Workshop The Legend of the Winter Bird, in addition to art we started Drama & Art classes for home schooled children. "Having this place in our area made a huge difference! As a home Ed family, my boys benefit highly from their classes where they receive a professional guidance, warm treatment and stimulation for their creativity. Always coming out with a smiley face and excited for the next class!" Andra Mihaela.

When the lockdown started to ease and face to face classes became possible again in July 2020, we continued our online daily provision, but also invited students to try a couple of new courses at school: Photography and Graphic Design. Photography course proved to be very successful and popular and continued in to academic year 2020-2021. In July 2020, we also were able to hold face to face Sunday Silver classes, which helped enormously for our students to complete and achieve Silver Arts challenge. This was enhanced further with a mixed media face to face workshop by Miriam Laville.

#Beasmilemaker: YMVAS was a part of Bradford Smilemakers initiative, funded by the local council in response to the lockdown. YMVAS created Smilemakers Facebook group, created, laminated and co-ordinated postage of cheerful artwork for The Senior Power charity to be distributed in local care homes. Over 300 artworks have been distributed in **#response** to engage with lonely people during the lockdown.

Lockdown Summer School 2020: A free online YMVAS Summer School was funded by Arts Council England and comprised of two one-hour lessons, delivered one in the morning and another one in the afternoon from Monday to Friday for four weeks in August 2020. Offering drawing, painting, illustration, collage, and creative writing, 40 hours in total. "Young Masters is just amazing. The staff are so friendly, encouraging and supportive. During lockdown Virginija and her team put on Zoom sessions every day! These sessions kept me and my daughter sane. It was like art therapy. Good for the soul! Thank you for your wonderful school. Art helps to keep reminding us of the good things and all the beauty in the world" Cecile Besrest-Buttler.

2.3 EXPENDITURE AND LIABILITIES

Liability recognition	Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty.
Governance and support costs	Support costs have been allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice. Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.
Grants payable without performance conditions	Where there are no conditions attaching to the grant that enables the donor charity to realistically avoid the commitment, a liability for the full funding obligation must be recognised.
Redundancy cost	The charity made no redundancy payments during the reporting period.
Deferred income	No material item of deferred income has been included in the accounts.
Creditors	The charity has creditors which are measured at settlement amounts less any trade discounts
Provisions for liabilities	A liability is measured on recognition at its historical cost and then subsequently measured at the best estimate of the amount required to settle the obligation at the reporting date
Basic financial instruments	The charity accounts for basic financial instruments on initial recognition as per paragraph 10.7 FRS102 SORP. Subsequent measurement is as per paragraphs 11.17 to 11.19, FRS102 SORP.

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended **31/08/2019**.

Responsibilities and
basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

**Independent
examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination (other than that disclosed below *) which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
