Charity number: 1174558 Address: 2 Upper Ashley Lane BD17 7DA Telephone Number: 07753513869

The trustees of the charity are as follows: Dr Virginija Kuosaite-Knowles (appointed 7 September 2017 as Chair of Trustees), Georgia Jean Marie Griffiths (appointed 7 September 2017, resigned November 2020), Amanda Louise Gill (appointed 28 November 2018), Leon Paul Oakley (appointed 28 November 2018).

Governing Document

YMAS is governed by its Constitution of a Charitable Incorporated Organisation dated 7 September 2017. It is registered as a charity with the Charity Commission. We have assessed what skills are needed across the board, and sought help from external bodies to recruit more business aware trustees where needed. In addition to this we have sought guidance on the responsibilities of our trustees, and made this available to them. Anyone over the age of 18 can become a member of the trustees.

Organisation and Charitable Aims

YMAS is a charitable after-school art school opened for young people age 4 to 16 years old. We teach painting, drawing, sculpture, art history and much more. The work our students create is regularly displayed at free public exhibitions locally and abroad. We provide pre-GCSE and GCSE level qualifications through Trinity College London Arts Award certification. YMAS supports autistic, disabled and gifted young people.

Young Masters Visual Art School (YMAS) encourages social engagement of children and young people through the teaching of art and design. It promotes creativity, curiosity and confidence in its students, and has contributed to a notable improvement in many students' attainment in other areas of their wider education.

Chair's Report

Young Masters Visual Art School is a result of dedicated work of Dr Virginija Kuosaite-Knowles and her team. The charity has evolved from Idle Art Studio Ltd through amount of charitable work the company has provided since it has been established in March 2014. Relevant developments of the company have been outlined in a Charity Report year ending 31 August 2018, 2019, 2020, and 2021.

The academic year September 2021 to August 2022 was the first full uninterrupted year after Covid. We observed a continuous awareness from our parents regarding the rise of living costs. And we were affected by continuous rise of material costs and energy bills. Our total unrestricted funds at the beginning of the academic year were £30,000 and we made a conscious decision not to rise the attendance costs for our families. We put a lot of effort into

the funding applications and continued a careful management of our spending costs. Our total income reduced by 25%. However, despite the rising costs we managed to keep our spending at the same level compared to 2021. We additionally received Omicron Grant and Additional Restrictions Grant from the local authority, £10,549 in total, which we put towards Silver/GSCE level courses in Photography (including the equipment and Adobe Photoshop license), Islamic Art, and Textiles (including sewing machines). We additionally spent £2,000 on funding consultancy with NPG (Non-Profit-Growth) and spent £1,260 on staff training in Silver Award (Trinity College London) and CPD (Continuous Professional Development) in textiles.

Curriculum for academic year 2021-2022: This academic year 2021-2022 we further expanded pre-school/KS1 age provision in form of additional Saturday Mini Masters classes; expanded a regular KS2 provision in form of additional Saturday classes; expanded 11+ provision in form of free Sunday Bronze/Silver/GCSE classes in addition to the weekday courses designed to achieve Silver/GCSE qualification in Photography, Islamic Art, Fashion Design, Illustration and Advanced Painting.

Our main provision remains for the primary school children age 7-11. We started a year with observational drawing of natural forms and transferred that into a clay. Then we moved on to a large format mixed media artwork, based on Kerry Darlington work. Our next long-term project was to master the perspective and draw the streets of local places. Then we moved on to acrylic painting of cityscapes from around the world. This work was displayed at Bingley Little Theatre and later travelled to the Children's Library in Zarasai, Lithuania. We spent winter term at school studying Pop artist, including Roy Lichtenstein and Bridget Riley; Street artists Jean-Michel Basquiat and Keith Haring. Then we created our own version of self-portrait in street art style. In spring term we moved into portraiture painting, transferring images from our own photographs and using acrylics on canvas. This work was a focal point of our end of a year exhibition in September 2022. Well attended by Young Masters families and the Lord Mayor of Bradford, Cllr Martin Lowe. The exhibition also included an animal and human (students own images) portrait fusion based on art of Charlotte Caron, with most amazing results. We finished a school year creating a wall of papier mache animal masks- the pride and joy of our school and another centrepiece of the exhibition.

Achievements: Lord Mayor of Bradford Christmas card competition: Our school had two winners for Bradford Council Christmas card competition and had a lovely celebration with the family and friends at Bradford City Hall with dazzling lights and twinkling trees. The Lord Mayor Cllr Shabir Hussain handed out certificates.

Safeguarding Certificate: Young Masters Visual Art School achieved Manchester & Bradford Local Authority Foundation Award for Quality Safeguarding provision in Out of School Settings. We were nominated one out of ten best out of school settings in Bradford. The certificate was handed at Bradford City Hall in March 2022 with key policies in place in:

- Mission Statement
- Safeguarding Policy
- E safety Policy
- Equality & Diversity Policy
- Complaints Policy

- Behaviour Policy
- Safe Recruitment Policy
- Regular Safeguarding Training
- Registers of Attendance
- Health & Safety
- Liability Insurance
- Transparent Financial Management

IWD 2022: Stitching on Tuesday & Stitching on Sundays via Small Arts, Culture & Heritage Grants (£1000 personal grant to VKK). Through learning basic methods of hand stitching and using recycled wool fabric products we created animals to celebrate a rural and urban natural life in the area including the canal, river, and the woods. With a life-long learning experience how to use a thread and a needle; how to plan and maquette; to recycle and repurpose fabrics and turn them into a family heirloom. Hand stitching promotes joy and well-being, reduces stress and anxiety. These quality mental health improvement techniques are vital in today's society.

Her Majesty Platinum Jubilee: A free family event, thanks to Bradford Council Neighbourhood Service £200 donation and Young Masters Visual Art School volunteering. We warmly invited the community to join us and celebrate Her Majesty's long and gentle reign. We welcomed Young Masters families, members of the public and anyone else who wanted to bring a picnic and work together creating an accessible and fun piece of art, a large mural/wall hanging depicting Her Majesty and Her beloved Corgis in a fun and colourful style. We used a mixture of different art mediums to achieve the image, and this provided a unique opportunity for all participants to try out new skills and gain confidence in mark making and colour application.

Silver/GCSE Arts Award: Young Masters Visual Art School is continuously building a strong reputation within the Bradford district with a proven track record in our culturally significant provision, creating opportunities to network and share good practice in sustainable arts and cultural initiatives. Since 2016 we became Trinity College London Arts Award centre and a qualified provider of certified qualifications in visual arts from Entry Level to Level 2 (GCSE) qualification which then allowed our students to choose further education at a college level. This clearly had a huge positive impact to young people's life. The students' hard work and art teachers' dedication has inspired us to create more courses for a new academic year. We have received an Additional Restrictions Grant from the local authority to support our *In Readiness for Further Education* Grant. This grant helped us to embed the Silver/GCSE provision in to 12+ courses by the end of academic year 2022.

We are recognising the positive impact of this opportunity on all our students and their families. We support families and students from many different backgrounds including culturally diverse, home-schooled and those with additional educational needs. The Silver/GCSE provision is the vital stepping stone for those who may not be able to achieve the required number of qualifications in a mainstream education. In addition, the Silver/GCSE provides an additional qualification for those who are very academic and want to enhance their existing qualifications in the Arts.

What does it mean for some of our students to receive Silver Award in the Arts?

Sophie:

It's a huge achievement; it has really helped me develop my leadership and communication skills and even though we were challenged by Lockdown, we still managed to achieve our Silver Award. I tried my best and persevered, even I found it hard sometimes, but I received an awful lot of support.

Ema:

Personally, it means setting myself a future goal (which involves art) and working towards my life dream. Learning new skills, stepping out of a comfort zone and getting first recognition. Making me proud of myself by achieving it. At the beginning it felt scary and non-achievable, but it was so worth of hard work.

Jo:

I am going to be going to college this year, and having the Silver Award will mean that I can go and do a Level 2 Business course rather than a Level 1. I doubted my own abilities, but at the end I had fun and really enjoyed the course, art is meant to be fun.

2.3 EXPENDITURE AND LIABILITIES

Liability recognition	Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty.
Governance and support costs	Support costs have been allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice. Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.
Grants payable without performance conditions	Where there are no conditions attaching to the grant that enables the donor charity to realistically avoid the commitment, a liability for the full funding obligation must be recognised.
Redundancy cost	The charity made no redundancy payments during the reporting period.
Deferred income	No material item of deferred income has been included in the accounts.
Creditors	The charity has creditors which are measured at settlement amounts less any trade discounts
Provisions for liabilities	A liability is measured on recognition at its historical cost and then subsequently measured at the best estimate of the amount required to settle the obligation at the reporting date
Basic financial instruments	The charity accounts for basic financial instruments on initial recognition as per paragraph 10.7 FRS102 SORP. Subsequent measurement is as per paragraphs 11.17 to 11.19, FRS102 SORP.

Responsibilities and
basis of report

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended **31/08/2022**.

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent
examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination (other than that disclosed below *) which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
