

## **BINHAMY CASTLE TRUST**

### **Annual Report for period 1-10-2019 to 30-09-2020**

The whole of this period was spent awaiting a potential buyer for the land adjacent to the historic castle monument so that eventually the monument itself together with a dowry would be transferred to the Trust.

Sadly no such buyer was found during this period. In addition Covid reared its ugly head which together prevented any Trust meetings to be held other than an AGM.

In order to keep the bank account open £2 was deposited by the treasurer. The funds now stand at £123.00.

No further Trust meeting will be held until a buyer is found.
