

Muslims Against Poverty Trustee's Annual Report 2024 (1174590)

The object of the charity as per the governing document is:

TO RELIEVE THE NEEDS OF PEOPLE IN NORTH LONDON AND THE SURROUNDING AREAS WHO ARE ROUGH SLEEPING, HOMELESS OR VULNERABLY HOUSED, AND IN PARTICULAR (BUT WITHOUT PREJUDICE TO THE GENERALITY OF THE FOREGOING) BY PROVIDING, OR ARRANGING FOR EMERGENCY, TEMPORARY AND LONGER TERM ACCOMMODATION.

The aims of the charity were to provide short-term relief of needs and long-term relief where possible. The activity of the charity is quite simple with regards to this: we provide these needy people with whatever food and water we have made and in cases where it is possible we arrange some kind of accommodation.

Unfortunately during this period we were inactive continuing on from May 17th 2019, due to an injury that the chief trustee sustained which rendered him unable to carry out charity tasks.

Due to this there was no activity in this period. We thought there might be a possibility of return but unfortunately the rehabilitation has not come far enough yet. Yearly income was £33.55, solely from PayPal's giving fund, with no outgoings. Currently the charity has a total of £3960.89 (a miscalculation in last year's report stated that it was £4141.34), there was a staggered back and forth between an at risk individual this year, but thankfully we managed to help them without charity funds in the end, so the money will go to Homeless Action in Barnet (HAB - registered charity number: 1155559), as their object and area is close to our, and it is very unlikely the chief trustee will be able to return to action in the next period.

For the future we the activities will stay much the same, until the chiefs trustees body is fully rehabilitated. As stated this is a small operation that is essentially a one-man mission conducted as an experiment. The charity may well wind down in the future, as the stress of handling the bureaucracy of such an endeavour is cumbersome, and such a small operation may well be better being an informal operation run from a network of friends and family fundraising amongst themselves, without the hassles that come from being a CIO, governed as we are by our governing document, under the trust of our five trustees.

In closing as a Public Benefit statement we confirm that the trustees have complied with their duty to have due regard to the guidance on public benefit published by the Commission in exercising their powers and duties, and also with regards to safeguarding guidance.
