Summary of the main achievements of the charity during the year

The charity has operated in a challenging time nationally and internationally, not unlike other charities operating in a Covid environment. However, the Trustees felt that distribution of funds should continue despite the income. Thus, we are pleased to report that we have increased the distribution of funds from 40% last year to 45% this year, despite the challenging conditions. A lower administrative cost of 2% was spent.

Funds have been distributed in accordance with the objectives of the charities particularly focusing on smaller institutions where a relatively small amount of money can have a big impact.

Our website LotusPartnersFoundation.org contains the institutions to whom money was given and some are listed below:

Gonville & Caius College, University of Cambridge

Plan International

Bhaktivedanta Manor Temple

Food For Life Vrindavan

DAG India for charitable works
