Summary of the main achievements of the charity during the year

The charity has overcome a previous challenging time nationally and internationally, not unlike other charities operating in a Covid environment.

However, income has recovered allowing us to begin distributing but cautiously.

Thus, we are pleased to report that we have distributed 21% of our funds. This is lower than the previous 45% but we have built our reserves following a difficult year. Administration costs remain well below our target of 20%.

Funds have been distributed in accordance with the objectives of the charities particularly focusing on smaller institutions where a relatively small amount of money can have a big impact.

Our website LotusPartnersFoundation.org contains the institutions to whom money was given and some are listed below:

Gonville & Caius College, University of Cambridge

Plan International

Bhaktivedanta Manor Temple

Food For Life Vrindavan

Section E

Funds will continue to be distributed in the new financial year if income is sufficient to fund our commitments to charitable organisations, in accordance with the charities objectives.
