STRUCTURE, GOVERNANCE AND MANAGEMENT

Introduction

ODNs Cobham Outreach is a CIO with a Board of Trustees, comprising at least 3 persons, appointed by the Superior of the Order of the Company of Mary responsible for the work of the Order in England. Currently there are 6 Trustees. Trustees are appointed for an initial term not exceeding four years and are eligible for reappointment for up to three consecutive terms.

The Chairperson currently is Sister Patricia Grady and the Trustees have elected Mrs. Hermione Anne Delamare to be Secretary.

The accounts accompanying this report are the accounts of the CIO trust and have been prepared by Mrs. Fiona Jane Franck.

The CIO is governed by a Foundation Constitution dated 20th June 2016 and is registered with the Charity Commission, Charity Registration no. 1174655.

Charitable Objectives

The principal objectives as set out in the Constitution are:

To raise awareness of the situation of people suffering poverty and exclusion.

To prevent and relieve poverty for the public benefit, in particular, but without limitation, by helping to fund educational and development projects and activities for women, children and young people anywhere in the world that are supported by the Company of Mary Our Lady.

Review of Activities and Achievements

In accordance with its charitable objectives, the CIO sent funding to small projects identified and supported by the Company of Mary Our Lady.

During the year, in order to raise awareness of the situation of poverty suffered by underprivileged women and children in different parts of the world, the Trustees have provided information, produced leaflets and prepared photo displays for Notre Dame School Cobham, the local parish and other benefactors, showing the projects and activities supported by the Charity.

Funds have been raised in a variety of ways:

Each year, with different activities, the pupils of Notre Dame School fundraise for a charity of their own choice and for ODNs Cobham Outreach (50% each). This contribution is usually considerable due to the variety of the students' fundraising activities and their generosity. However, this was an exceptional year due to the aftermath of the Covid pandemic and the normal fundraising levels were not feasible. During the year, the Trustees sought to raise funds in other ways: a small raffle and a homemade Christmas craft event for the pupils at Notre Dame Prep School; donations from ODNs Cobham Outreach calendars; and a parish craft event. In addition, these activities have increased awareness in the parish of the projects supported by ODNs, resulting in donations from various other sources.

The charity has continued to send funds to a variety of small projects for women and children in different countries. These projects have included: Redes de Solidaridad in Ciudad Sandino, Nicaragua, which runs a small school for deprived children and young people; the Fe y Alegría School in Bedou, a very poor district in Haiti; and the new craft groups for women in Cuba. The charity also sent a donation to Rome to contribute to the Company of Mary Our Lady's new foundation on the island of Atauro, East Timor. The region is very poor and aim of the foundations is to work in educationally and pastorally with the local people, especially the women and children. The ODNs Cobham Outreach contribution will go towards initial expenses which will include local travel in up in the hills and a small prefabricated room for meetings and activities with the people.

Acknowledgement and information about how the funds have been used has been received from the recipients and this has been communicated to the benefactors.

Financial Activities and Results

The accounts cover the year ended 31st August 2022.

The Charity receives donations and funds from a variety of sources as indicated above.

Risk & Corporate Governance Matters

The CIO has established and is guided by policies, which are periodically reviewed by the Trustees. To facilitate governance, management and the work of the charity, the Trustees strive to ensure that a variety of appropriate skills and experience are represented in the CIO. The CIO has implemented the GDPR requirements (May 2018) and is keeping them under review. The Trustees also keep the CIO's activities under review in accordance with its Risk Policy to ensure due diligence is maintained, particularly in view of the new circumstances created by the financial crisis due to the intermittently ongoing Covid pandemic, the aftermath of Brexit and the current Russia/Ukraine situation.

Reserves Policy

While constantly seeking to raise further funds to support new projects and continue to assist some of the projects which have already received help, the Charity's aim is to maintain a basic level of reserves of £1,500 as a contingency measure in order to be able to draw on this in the event of a disaster or an unexpected situation which requires emergency aid.

Statement of Trustees' responsibilities

The Trustees are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards).

The law applicable to charities in England and Wales requires the Trustees to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions, disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charities (Accounts and Reports) Regulations 2008 and the provisions of the charity's constitution. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
