Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	In line with our objectives, the focus this year has been on building and strengthening a core team of dedicated supporters for the activities of the charity. Despite the challenges of the Covid-19 pandemic, the Trustees succeeded in bringing together a small but dedicated team of supporters who reliably administer and manage the events run by the charity, in particular public discourses and communal worship, using available technological resources like Zoom Conferencing. The beneficiaries during this accounting period included the general public in Basingstoke and London. Attendees at events were given opportunities to learn about, sample and cultivate the practices of Krishna Consciousness, at whatever level suited their needs or preferences, as well as enjoy the healthy support of a small but growing community of like-minded explorers of spiritual practice.

In addition, in spite of the financial difficulties arising from the global pandemic, small amounts of donations were received into the charity account, as outlined in our separate Receipts and Payments report.
Investment performance against objectives	Para 1.41	There were no investment objectives over this accounting period.

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	The activities of the charity over the accounting period focused on cultivating a core team of dedicated supporters, and did not have sufficient opportunity to focus on fund-raising for future activities. Fundraising opportunities were further restricted by the global pandemic. Nevertheless, small donations were received from volunteers during the reporting period. Activities over the year were funded directly by volunteers and supporters, such as Zoom conferencing subscriptions. As such, there were minimal funds coming into and no funds exiting the charity account over the reporting period.
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	Other than the charity account bank balance of £117, there are no reserves held at the end of the reporting period.
Amount of reserves held	Para 1.22	£117
Reasons for holding zero reserves	Para 1.22	No significant expenses projected for the coming reporting period.
Details of fund materially in deficit	Para 1.24	N/A
Explanation of any uncertainties about the charity continuing as a going concern	Para 1.23	The trustees plan to grow the charity gradually, in step with growing donations and support. We expect the charity to continue as a going concern.

Investment policy and objectives including any social investment policy adopted	Para 1.46	No investments were made during the reporting period.
A description of the principal risks facing the charity	Para 1.46	The key risk facing the charity at this stage is lack of adequate social media presence and the safety measures required in response to the global pandemic.
