**TRUSTEES' REPORT**  
**FOR THE YEAR ENDED 28 FEBRUARY 2025**

---

The Trustees (who are also the directors of the charitable company for the purposes of the Companies Act 2006) present their annual report together with the financial statements of the Ocean Family Foundation for the 29 February 2024 to 28 February 2025. The Annual report serves the purposes of both a Trustees' report and a directors' report under company law. The Trustees confirm that the Annual report and financial statements of the charitable company comply with the current statutory requirements, the requirements of the charitable company's governing document and the provisions of the Statement of Recommended Practice (SORP) applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2019).

Since the company qualifies as small under section 382 of the Companies Act 2006, the Strategic report required of medium and large companies under the Companies Act 2006 (Strategic Report and Directors' Report) Regulations 2013 has been omitted.

**Objectives and activities**

**a. Policies and objectives**

The principal object of the charitable company is to undertake and promote for the benefit of the public the conservation, protection, improvement and ecologically sustainable management of the marine environment including associated land, shoreline and structures, and to advance the education of the public in the conservation, protection, improvement and ecologically sustainable management of the marine environment including associated land, shoreline and structures.

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public benefit: running a charity (PB2)'.

**b. Strategies for achieving objectives**

The Trustee board closely monitor expenditure to ensure that this is managed efficiently and meets on a regular basis to consider the charitable company's operations and objects.

**c. Activities undertaken to achieve objectives**

The Trustees believe that the charitable company is achieving its objectives by supporting other charities with objects in line with its own or by helping to fund educational activities to promote its objects. This is done via grant-making to entities which the Trustees believe are operating in line with the charitable company's objects.

**d. Grant-making policies**

The charitable company makes grants to such entities as the Trustees consider would actively promote the charitable company's objects. These are presented to the Trustees at the regular board meetings and decisions made based upon the merits of each application.

**e. Main activities undertaken to further the company's purposes for the public benefit**

Ocean Family Foundation is looking to conserve and sustain the marine environments for the benefit of the public. All expenditure by the charitable company is reviewed against the Public Benefit principles and the Trustees ensure these expenses represent an appropriate use of charitable funds.

**TRUSTEES' REPORT (CONTINUED)**  
**FOR THE YEAR ENDED 28 FEBRUARY 2025**

---

**Achievements and performance**

**a. Main achievements of the Company**

The charitable company does not raise funds from the general public and was consequently able to achieve another year of operating relying on donations alone. The charitable company was pleased to make donations in this period supporting its charitable activities in its chosen area of marine conservation. Where applicable, the charitable company looks to support organisations year on year and it is happy to confirm that another year of payments made towards committed grants has passed.

**Financial review**

**a. Going concern**

After making appropriate enquiries, the trustees have a reasonable expectation that the charitable company has adequate resources to continue in operational existence for the foreseeable future. For this reason they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the Accounting Policies.

**b. Reserves policy**

The charitable company's unrestricted reserves as at 28 February 2025 were £113,750 (2024: £263,314). The going concern of the charitable company is considered above.

General funds are unrestricted or free reserves which are available for use at the discretion of the Trustees in furtherance of the general objectives of the charitable company and which have not been designated for other purposes.

The Trustees have set the target level of unrestricted reserves to be a minimum of one year's worth of running costs. As the charitable company has no paid employees, the Trustees believe that the ongoing costs will be minimal each year. Donations are made to such entities the Trustees believe will meet its objects on an ad hoc basis when the opportunity arises and funds are available.

**c. Compliance with the Charity Governance Code**

The Trustees are aware of the requirements of the Charity Governance Code and ensure the charitable operations comply with this code.

**INDEPENDENT EXAMINER'S REPORT**  
**FOR THE YEAR ENDED 28 FEBRUARY 2025**

---

**Independent Examiner's Report to the Trustees of Ocean Family Foundation ('the Company')**

I report to the charity Trustees on my examination of the accounts of the Company for the year ended 28 February 2025.

This report is made solely to the charitable company's trustees, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and the charitable company's trustees as a body in accordance with section 154 of the Charities Act 2011. My independent examiner's work has been undertaken so that I might state to the charitable company's trustees those matters I am required to state to them in an independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charitable company, the charitable company's members as a body and the charitable company's trustees as a body for my independent examiner's work, for this report, or for the opinions I have formed.

**Responsibilities and Basis of Report**

As the Trustees of the Company (and its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the Company's accounts carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

**Independent Examiner's Statement**

Since the Company's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of the Institute of Chartered Accountants in England and Wales, which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

---

**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 28 FEBRUARY 2025**

---

**2. Accounting policies (continued)**

**2.4 Expenditure**

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the Company's objectives, as well as any associated support costs.

Grants payable are charged in the year when the offer is made except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the year end are noted as a commitment, but not accrued as expenditure.

All expenditure is inclusive of irrecoverable VAT.

**2.5 Foreign currencies**

Monetary assets and liabilities denominated in foreign currencies are translated into sterling at rates of exchange ruling at the reporting date.

Transactions in foreign currencies are translated into sterling at the rate ruling on the date of the transaction.

Exchange gains and losses are recognised in the Statement of financial activities.

**2.6 Cash at bank and in hand**

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

**2.7 Liabilities and provisions**

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the Company anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the Statement of financial activities as a finance cost.

**TRUSTEES' REPORT**  
**FOR THE YEAR ENDED 28 FEBRUARY 2024**

---

The Trustees (who are also the directors of the charitable company for the purposes of the Companies Act 2006) present their annual report together with the financial statements of the Ocean Family Foundation for the 1 March 2023 to 28 February 2024. The Annual report serves the purposes of both a Trustees' report and a directors' report under company law. The Trustees confirm that the Annual report and financial statements of the charitable company comply with the current statutory requirements, the requirements of the charitable company's governing document and the provisions of the Statement of Recommended Practice (SORP) applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2019).

Since the company qualifies as small under section 382 of the Companies Act 2006, the Strategic report required of medium and large companies under the Companies Act 2006 (Strategic Report and Directors' Report) Regulations 2013 has been omitted.

**Objectives and activities**

**a. Policies and objectives**

The principal object of the charitable company is to undertake and promote for the benefit of the public the conservation, protection, improvement and ecologically sustainable management of the marine environment including associated land, shoreline and structures, and to advance the education of the public in the conservation, protection, improvement and ecologically sustainable management of the marine environment including associated land, shoreline and structures.

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public benefit: running a charity (PB2)'.

**b. Strategies for achieving objectives**

The Trustee board closely monitor expenditure to ensure that this is managed efficiently and meets on a regular basis to consider the charitable company's operations and objects.

**c. Activities undertaken to achieve objectives**

The Trustees believe that the charitable company is achieving its objectives by supporting other charities with objects in line with its own or by helping to fund educational activities to promote its objects. This is done via grant-making to entities which the Trustees believe are operating in line with the charitable company's objects.

**d. Grant-making policies**

The charitable company makes grants to such entities as the Trustees consider would actively promote the charitable company's objects. These are presented to the Trustees at the regular board meetings and decisions made based upon the merits of each application.

**e. Main activities undertaken to further the company's purposes for the public benefit**

Ocean Family Foundation is looking to conserve and sustain the marine environments for the benefit of the public. All expenditure by the charitable company is reviewed against the Public Benefit principles and the Trustees ensure these expenses represent an appropriate use of charitable funds.

**Achievements and performance**

**a. Main achievements of the Company**

The charitable company does not raise funds from the general public and was consequently able to achieve another year of operating relying on donations alone. The charitable company was pleased to make donations in this period supporting its charitable activities in its chosen area of marine conservation. Where applicable, the charitable company looks to support organisations year on year and it is happy to confirm that another year of payments made towards committed grants has passed.

**b. Review of activities**

The charitable company provides funding for various organisations which support its objectives. Highlights of these organisations' activities during the year include:

- Final Straw Foundation organised beach cleaning with dedicated volunteers, removing hundreds of kilos of waste from the Solent shores, with over 90% being single use plastic, helped by 30 children aged 8-10, collecting cigarette butts to highlight the amount of cigarette waste on beaches and streets. The Final Straw Foundation team began the next phase of water sampling to provide data for spatial analysis of forever chemicals in Langstone and Chichester Harbour, a collaborative research project which is taking place with Brighton University to analyse micro particulates in the harbours. The charity also announced its new project the FSF Education Station whose aim is to address the plastic crisis by collecting and recycling plastics commonly found on beach cleans to create new, sustainable items.

- Scottish Coastal Clean Up worked alongside the East Lothian Ranger service to tackle the issue of the removal of a large number of creels. The team also delivered educational workshops into schools and early year settings throughout winter. Scottish Coastal Clean Up joined forces with organisations like The Scottish Seabird centre in North Berwick, Keep Scotland beautiful and the Berwickshire Marine Reserve to help tackle the huge amounts of rubbish that has been washed up on the East Coast of Scotland, the team estimate that it has removed over 10 tonnes of washed-up creels and rope in East Lothian alone over the winter.

- This year Worldrise created 184,000 m<sup>2</sup> of new Local Marine Conservation and Education Areas in Sardinia and Sicily, recovered 300 kilos of ghost nets from the seabed, travelled over 3,000 nautical miles to monitor the dolphins that populate the waters of Golfo Aranci, and collected over 2,000 kg of waste with clean ups on the beach and in the city. Worldrise's team involved 1,100 children in educational activities, provided 8 scholarships for future custodians of the Mediterranean Sea and promoted the creation of two new smog-absorbing murals.

- Africa Foundation's partnership with Ocean Without Borders saw Mnemba Coral Nursery and Reef Restoration deploy six turtle and star-shaped reef constructs and transplant over 1,500 coral colonies onto these structures. All of these coral colonies were "home-grown" by the team in the flourishing coral nursery. A further 1,600 coral colonies from this nursery have been transplanted to regenerate degraded local reef sections in this multi-phased project.

- Save The Med organised the fifth 'Blue Dragonera' forum to involve local communities in the proactive care of the Sa Dragonera Marine Reserve in the Balearic Islands. In Spring 2023, nearly 1,000 students and 80 teachers joined Save the Med's Dos Manos School Programme, an initiative which explores the issue of plastic in the marine environment and the effect this has on marine and human life. The programme is offered to local schools with the aim of engaging as many students, teachers and parents as possible with marine conservation. More than 300 high school students signed up to Save the Med Foundation's Changemakers Project which stimulates young people to devise creative ideas to reduce the use of single-use plastics.

Dr Ferretti and his team presented the latest updates from the White Shark Chase, an unprecedented initiative to find and track the last white sharks in the Mediterranean Sea.

- A Plastic Planet led a thought-provoking session at the annual Labour Party Conference to stress the importance of a plastics strategy across the UK. A Plastic Planet's partner PlasticFree attended the Global Plastics Summit in Bangkok hosted by Economist Impact where global leaders, scientists, policymakers, and change-makers came together to work toward the creation of a robust UN Global Plastics Treaty.

**Financial review**

**a. Going concern**

After making appropriate enquiries, the trustees have a reasonable expectation that the charitable company has adequate resources to continue in operational existence for the foreseeable future. For this reason they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the Accounting Policies.

**b. Reserves policy**

The charitable company's unrestricted reserves as at 28 February 2024 were £263,314 (2023: £42,956). The going concern of the charitable company is considered above.

General funds are unrestricted or free reserves which are available for use at the discretion of the Trustees in furtherance of the general objectives of the charitable company and which have not been designated for other purposes.

The Trustees have set the target level of unrestricted reserves to be a minimum of one year's worth of running costs. As the charitable company has no paid employees, the Trustees believe that the ongoing costs will be minimal each year. Donations are made to such entities the Trustees believe will meet its objects on an ad hoc basis when the opportunity arises and funds are available.

**c. Compliance with the Charity Governance Code**

The Trustees are aware of the requirements of the Charity Governance Code and ensure the charitable operations comply with this code.

**2.1 Basis of preparation of financial statements**

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Ocean Family Foundation meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

**2.2 Going concern**

After making appropriate enquiries, the trustees have a reasonable expectation that the charitable company has adequate resources to continue in operational existence for the foreseeable future. For this reason they continue to adopt the going concern basis in preparing the financial statements.

**2.3 Income**

All income is recognised once the Company has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

**2.4 Expenditure**

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the Company's objectives, as well as any associated support costs.

Grants payable are charged in the year when the offer is made except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the year end are noted as a commitment, but not accrued as expenditure.

All expenditure is inclusive of irrecoverable VAT.

**2.5 Foreign currencies**

Monetary assets and liabilities denominated in foreign currencies are translated into sterling at rates of exchange ruling at the reporting date.

Transactions in foreign currencies are translated into sterling at the rate ruling on the date of the transaction.

Exchange gains and losses are recognised in the Statement of financial activities.

**2.6 Cash at bank and in hand**

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

**2.7 Liabilities and provisions**

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the Company anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the Statement of financial activities as a finance cost.

This report is made solely to the charitable company's trustees, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and the charitable company's trustees as a body in accordance with section 154 of the Charities Act 2011. My independent examiner's work has been undertaken so that I might state to the charitable company's trustees those matters I am required to state to them in an independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charitable company, the charitable company's members as a body and the charitable company's trustees as a body for my independent examiner's work, for this report, or for the opinions I have formed.

**Responsibilities and Basis of Report**

As the Trustees of the Company (and its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the Company's accounts carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

**Independent Examiner's Statement**

Since the Company's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of the Institute of Chartered Accountants in England and Wales, which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

**2. Accounting policies**

**2.1 Basis of preparation of financial statements**

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Ocean Family Foundation meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

**2.2 Going concern**

After making appropriate enquiries, the trustees have a reasonable expectation that the charitable company has adequate resources to continue in operational existence for the foreseeable future. For this reason they continue to adopt the going concern basis in preparing the financial statements.

**2.3 Income**

**2. Accounting policies (continued)**

**2.4 Expenditure**

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the Company's objectives, as well as any associated support costs.

Grants payable are charged in the year when the offer is made except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the year end are noted as a commitment, but not accrued as expenditure.

All expenditure is inclusive of irrecoverable VAT.

**2.5 Foreign currencies**

Monetary assets and liabilities denominated in foreign currencies are translated into sterling at rates of exchange ruling at the reporting date.

Transactions in foreign currencies are translated into sterling at the rate ruling on the date of the transaction.

Exchange gains and losses are recognised in the Statement of financial activities.

**2.6 Debtors**

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

**2.7 Cash at bank and in hand**

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 28 FEBRUARY 2023**

**2. Accounting policies (continued)**

**2.8 Liabilities and provisions**

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the Company anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the Statement of financial activities as a finance cost.

**2.9 Financial instruments**

The Company only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

**TRUSTEES' REPORT**  
**FOR THE YEAR ENDED 28 FEBRUARY 2022**

---

The Trustees (who are also the directors of the charitable company for the purposes of the Companies Act 2006) present their annual report together with the financial statements of the Ocean Family Foundation for the 1 March 2021 to 28 February 2022. The Annual report serves the purposes of both a Trustees' report and a directors' report under company law. The Trustees confirm that the Annual report and financial statements of the charitable company comply with the current statutory requirements, the requirements of the charitable company's governing document and the provisions of the Statement of Recommended Practice (SORP) applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2019).

Since the company qualifies as small under section 382 of the Companies Act 2006, the Strategic report required of medium and large companies under the Companies Act 2006 (Strategic Report and Directors' Report) Regulations 2013 has been omitted.

**Objectives and activities**

**a. Policies and objectives**

The principal object of the charitable company is to undertake and promote for the benefit of the public the conservation, protection, improvement and ecologically sustainable management of the marine environment including associated land, shoreline and structures, and to advance the education of the public in the conservation, protection, improvement and ecologically sustainable management of the marine environment including associated land, shoreline and structures.

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public benefit: running a charity (PB2)'.

**b. Strategies for achieving objectives**

The Trustee board closely monitor expenditure to ensure that this is managed efficiently and meets on a regular basis to consider the charitable company's operations and objects.

**c. Activities undertaken to achieve objectives**

The Trustees believe that the charitable company is achieving its objectives by supporting other charities with objects in line with its own or by helping to fund educational activities to promote its objects. This is done via grant-making to entities which the Trustees believe are operating in line with the charitable company's objects.

**d. Grant-making policies**

The charitable company makes grants to such entities as the Trustees consider would actively promote the charitable company's objects. These are presented to the Trustees at the regular board meetings and decisions made based upon the merits of each appeal.

**e. Main activities undertaken to further the company's purposes for the public benefit**

Ocean Family Foundation is looking to conserve and sustain the marine environments for the benefit of the public. All expenditure by the charitable company is reviewed against the Public Benefit principles and the Trustees ensure these expenses represent an appropriate use of charitable funds.

**Independent Examiner's Report to the Trustees of Ocean Family Foundation ('the Company')**

I report to the charity Trustees on my examination of the accounts of the Company for the year ended 28 February 2022.

This report is made solely to the charitable company's trustees, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and the charitable company's trustees as a body in accordance with section 154 of the Charities Act 2011. My independent examiner's work has been undertaken so that I might state to the charitable company's trustees those matters I am required to state to them in an independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charitable company, the charitable company's members as a body and the charitable company's trustees as a body for my independent examiner's work, for this report, or for the opinions I have formed.

**2. Accounting policies (continued)**

**2.4 Expenditure**

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the Company's objectives, as well as any associated support costs.

Grants payable are charged in the year when the offer is made except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled. Provisions are measured at the best estimate of the amounts required to settle the obligation. **TRUSTEES' REPORT**  
**FOR THE YEAR ENDED 28 FEBRUARY 2021**

---

The Trustees (who are also the directors of the charitable company for the purposes of the Companies Act 2006) present their annual report together with the financial statements of the Ocean Family Foundation for the 1 March 2020 to 28 February 2021. The Annual report serves the purposes of both a Trustees' report and a directors' report under company law. The Trustees confirm that the Annual report and financial statements of the charitable company comply with the current statutory requirements, the requirements of the charitable company's governing document and the provisions of the Statement of Recommended Practice (SORP) applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2019).

Since the Company qualifies as small under section 382 of the Companies Act 2006, the Strategic report required of medium and large companies under the Companies Act 2006 (Strategic Report and Directors' Report) Regulations 2013 has been omitted.

**Objectives and activities**

**a. Policies and objectives**

The principal object of the charitable company is to undertake and promote for the benefit of the public the conservation, protection, improvement and ecologically sustainable management of the marine environment including associated land, shoreline and structures, and to advance the education of the public in the conservation, protection, improvement and ecologically sustainable management of the marine environment including associated land, shoreline and structures.

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public benefit: running a charity (PB2)'.

**b. Strategies for achieving objectives**

The Trustee board closely monitor expenditure to ensure that this is managed efficiently and meets on a regular basis to consider the charitable company's operations and objects.

**c. Activities undertaken to achieve objectives**

The Trustees believe that the charitable company is achieving its objectives by supporting other charities with objects in line with its own or by helping to fund educational activities to promote its objects. This is done via grant-making to entities which the Trustees believe are operating in line with the charitable company's objects.

**d. Grant-making policies**

The charitable company makes grants to such entities as the Trustees consider would actively promote the charitable company's objects. These are presented to the Trustees at the regular board meetings and decisions made based upon the merits of each appeal.

**e. Main activities undertaken to further the Company's purposes for the public benefit**

Ocean Family Foundation is looking to conserve and sustain the marine environments for the benefit of the public. All expenditure by the charitable company is reviewed against the Public Benefit principles and the Trustees ensure these expenses represent an appropriate use of charitable funds.

**Achievements and performance**

**a. Review of activities**

During the year, donations were received from key donors and donations made towards the educational and scientific programmes run.

- Worldrise ONLUS, a non-profit organisation focused on creating marine conservation projects with a focus on education, directly involving university students and recent graduates in order to offer them the opportunity to combine academic knowledge with practical experience.
- A Plastic Planet, a campaigning organisation focused on reducing plastic use in order to reduce plastic pollution of the oceans, specifically campaigning for Plastic Free Aisles for groceries in supermarkets. A Plastic Planet has had extensive media coverage across print and television media.
- The Africa Foundation, funding a range of conservation projects including shark and Giant Trevally tagging, fisheries monitoring, turtle conservation and whale acoustic research through Ocean Without Borders.
- Fundacion Save The Med, a non-profit organisation focused on enabling the Mediterranean Sea to recover its rich biodiversity and to thrive in harmony with prospering, environmentally conscious and proactive local populations.
- Trash Hero World - a non-profit organisation and global volunteer movement, taking action and spreading awareness against trash and waste and the damage this has on our environment. Educational activities are key to spreading awareness, particularly on the impact plastic trash has on our oceans.
- UK Sailing Academy, helping to widen access to maritime training and enhance life skills for individuals. Using sailing and watersports to educate and enrich the lives of young people.

For almost the entire financial year Ocean Family Foundation's grant recipient organisations were able to operate only a highly restricted range of activities as a result of the ongoing impact of the pandemic, and this is reflected in lower budgets from and grants to those organisations.

**Financial review**

**a. Going concern**

After making appropriate enquiries, the trustees have a reasonable expectation that the charitable company has adequate resources to continue in operational existence for the foreseeable future. For this reason they continue to adopt the going concern basis in preparing the financial statements. The charity was committed at the year end to make further donations totalling £71,537 which has been accrued for in these accounts. Anticipated incoming donations from the charitable company's supporters were received post year end to enable these obligations to be met. Further details regarding the adoption of the going concern basis can be found in the Accounting Policies.

The Trustees have set the target level of unrestricted reserves to be a minimum of one year's worth of running costs. As the charitable company has no paid employees, the Trustees believe that the ongoing costs will be minimal each year. **2.4 Expenditure**

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably.
