BORDERLESS EDUCATION

England & Wales - Charity number 1174789

Accounts

London, England.
October 10th. 2025.

Dear Borderless Education trustees:

There is a requirement by the Charities Commission for me to send you a "Trustee's Annual Report" and the Charities' Accounts for every financial year our charity operates.

As you are aware I have been trying to open a bank account for Borderless Education in the UK with no success; after several attempts it is obvious to me that the main objective of the Charity to raise funds in the UK and send them to Mexico and Latinamerica to help children get into education, is one of the main obstacles for the banks to not be willing to open the bank account for us.

I will carry on trying with other financial institutions and will let you know the outcome asap.

Because of this same issue you will understand there are no accounts to show you since the charity has not started operations.

Please do not hesitate contacting me should you have any queries or comments.

Yours.

Juan SOLARI
