TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT)

FOR THE YEAR ENDED 30 APRIL 2025

The trustees present their report and financial statements for the year ended 30 April 2025.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charity's governing document, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)".

Objectives and activities

The objects of The Aortic Centre Trust ("ACT") as set out in its Articles of Association are to protect and promote the health of the public in particular by research into the nature, causes, diagnosis, prevention, treatment and cure of all forms of aortic disease, including the development of findings of research into practical applications for the prevention, treatment and cure of aortic disease, and by the provision or assistance in the provision of equipment, facilities and services at aortic surgical centres principally in the United Kingdom, and in the furtherance of those primary objects, to provide information and raise professional and public understanding of such matters.

During the year, a grant of £36,520 was made to Kings College, London relating to research into the possible relationship Aorto-Vascular Disease and Dementia.

The Trust continues to pursue various avenues with leading UK medical research institutions for further grant opportunities.

Achievements and performance

Since its incorporation and registration as a charity with the Charity Commission (on 8th November 2016 and 22nd September 2017, respectively), ACT has expended funds on the establishment of a working public website to promote its objects which included registering its domain name and its design logo with the appropriate authorities. This website is now fully functional and is being used not only to post updates on significant Trust related events but also to raise funds from the public in conjunction with the likes of PayPal, Stripe and Memory Giving.

We continue to keep expenditure to an absolute minimum thus reserving funds raised for charitable purposes.

The trustees of ACT confirm that they have had regard to the Charity Commission's guidance on public benefit.

Financial review

The charity received income in the period of £35,996 (2024: £36,796). Total resources expended were £52,301 (2024: £35,673).

As at 30 April 2025, the charity has reserves of £542,227 (2024: £558,532), out of which £512,227 (2024: £528,532) is unrestricted and £30,000 (2024: £30,000) is designated for a Fellowship grant to The Society for Cardiothoracic Surgery in Great Britain and Northern Ireland (SCTS) in the memory of late Michael Warburg.

Reserves Policy

It is the policy of the charity that unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to meet anticipated annual expenditure. At this early stage, the charity has very little overhead cost but that is likely to change. Accordingly, the trustees consider that reserves at the current level are justified due to this uncertainty and until such time as there is greater clarity as to such expenditure.

Structure, governance and management

The charity is a company limited by guarantee incorporated in England and Wales with company number 10469145. Its registered office is Acre House, 11-15 William Road, London, NW1 3ER. It is registered with the Charity Commission with charity number 1174803. Its governing document is its registered Memorandum and Articles of Association.

The original and current trustees were the only members of the company and no new trustees have been appointed and there are no current plans to appoint any new trustees.

INDEPENDENT EXAMINER'S REPORT
TO THE TRUSTEES OF THE AORTIC CENTRE TRUST**

I report to the trustees on my examination of the financial statements of The Aortic Centre Trust (the charity) for the year ended 30 April 2025.

Responsibilities and basis of report

As the trustees of the charity (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 (the 2006 Act).

Having satisfied myself that the financial statements of the charity are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's financial statements carried out under section 145 of the Charities Act 2011 (the 2011 Act). In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
- 4 the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 APRIL 2025

1 Accounting policies

Charity information

The Aortic Centre Trust is a charitable company, limited by guarantee incorporated in England and Wales. The registered office is Acre House, 11-15 William Road, London, NW1 3ER, United Kingdom.

1.1 Accounting convention

The accounts have been prepared in accordance with the charity's governing document, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019). The charity is a Public Benefit Entity as defined by FRS 102.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

Designated funds comprise funds which have been set aside at the discretion of the trustees for specific purposes. The purposes and uses of the designated funds are set out in the notes to the financial statements.

1.4 Incoming resources

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid is recognised at the time of the donation.

1.5 Resources expended

Resources expended are recognised in the period to which they relate.

Direct charitable expenditure comprises all the expenditure relating to the activities carried out to achieve the charitable objectives.

Support costs represent costs that cannot be directly attributed to charitable activities but are necessarily incurred in running the charity.

Governance costs include costs payable to the independent examiner and other costs incurred in relation to statutory and constitutional requirements.

1.6 Cash and cash equivalents

Cash and cash equivalents include cash in hand and deposits held at call with banks.

1.7 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

The Charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

2 Critical accounting estimates and judgements

The trustees are satisfied that there are no material estimates or judgements in these financial statements.

THE AORTIC CENTRE TRUST
(A COMPANY LIMITED BY GUARANTEE)
TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT)
FOR THE YEAR ENDED 30 APRIL 2022

The Trustees present their report and financial statements for the year ended 30 April 2022.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charity's governing document, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)".

Objectives and activities

The objects of The Aortic Centre Trust ("ACT") as set out in its Articles of Association are to protect and promote the health of the public in particular by research into the nature, causes, diagnosis, prevention, treatment and cure of all forms of aortic disease, including the development of findings of research into practical applications for the prevention, treatment and cure of aortic disease, and by the provision or assistance in the provision of equipment, facilities and services at aortic surgical centres principally in the United Kingdom, and in the furtherance of those primary objects, to provide information and raise professional and public understanding of such matters.

The trustees have renewed efforts to spend funds raised and are pleased to report that that two grants have been made this year. The first was a grant of £23,304 to The Department of Vascular Surgery at Imperial College, London for a three-part preliminary study into improving the safety of redo-sternotomy. The project is monitored six monthly and is proceeding well. The second grant was £15,000 to The Marfan Trust to help pay for a named researcher employed by The Marfan Trust who is furthering their ongoing research into new genes for aortic aneurysms and dissections. Finally, discussions are well advanced with The Society for Cardiothoracic Surgery in Great Britain (SCTS) for a grant to be made by ACT of £20,000 pa for three years to help fund annual research fellowships granted by SCTS during that period. It is hoped that a grant will be made in the next financial year. In the meantime, the trustees continue to seek out other grant opportunities and to update the ACT website to keep the public informed of grants and activities.

Achievements and performance

Since its incorporation and registration as a charity with the Charity Commission (on 8th November 2016 and 22nd September 2017, respectively), ACT has expended funds on the establishment of a working public website to promote its objects which included registering its domain name and its design logo with the appropriate authorities. This website is now fully functional and is being used not only to post updates on significant Trust related events but also to raise funds from the public in conjunction with the likes of PayPal, Stripe and Memory Giving.

We continue to keep expenditure to an absolute minimum thus reserving funds raised for charitable purposes.

The trustees of ACT confirm that they have had regard to the Charity Commission's guidance on public benefit.

Financial review

The charity received income in the period of £66,170 (2021: £15,790). Total resources expended were £55,705 (2021: £11,646).

As at 30 April 2022, the charity has reserves of £552,206 (2021: £541,741), all of which were unrestricted and undesignated.

Reserves Policy

It is the policy of the charity that unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to meet anticipated annual expenditure. At this early stage, the charity has very little overhead cost but that is likely to change. Accordingly, the trustees consider that reserves at the current level are justified due to this uncertainty and until such time as there is greater clarity as to such expenditure.

In order to assist you to fulfil your duties under the Companies Act 2006, we have prepared for your approval the financial statements of The Aortic Centre Trust for the year ended 30 April 2022, which comprise the statement of financial activities and the related notes from the charity's accounting records and from information and explanations you have given us.

As a practising member firm of the Institute of Chartered Accountants in England and Wales, we are subject to its ethical and other professional requirements which are detailed at <http://www.icaew.com/en/members/regulations-standards-and-guidance/>

This report is made to the charity's Trustees, as a body, in accordance with the terms of our engagement letter dated 27th October 2022. Our work has been undertaken solely to prepare for your approval the financial statements of The Aortic Centre Trust and state those matters that we have agreed to state to the charity's Trustees, as a body, in this report in accordance with ICAEW Technical Release 07/16 AAF. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than The Aortic Centre Trust and the charity's Trustees as a body, for our work or for this report.

It is your duty to ensure that The Aortic Centre Trust has kept adequate accounting records and to prepare statutory financial statements that give a true and fair view of the assets, liabilities, financial position and surplus of The Aortic Centre Trust. You consider that The Aortic Centre Trust is exempt from the statutory audit requirement for the year, and is not required to obtain an independent examiner's report.

We have not been instructed to carry out an audit or a review of the financial statements of The Aortic Centre Trust. For this reason, we have not verified the accuracy or completeness of the accounting records or information and explanations you have given to us and we do not, therefore, express any opinion on the statutory financial statements.

1 Accounting policies

Charity information

The Aortic Centre Trust is a charitable company, limited by guarantee incorporated in England and Wales. The registered office is Acre House, 11-15 William Road, London, NW1 3ER, United Kingdom.

1.1 Accounting convention

The accounts have been prepared in accordance with the charity's governing document, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019). The charity is a Public Benefit Entity as defined by FRS 102.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

1.2 Going concern

The trustees have considered the effect of the Covid-19 outbreak on the charity. As explained in the trustees' report, the pandemic has, and continues to impact upon the charity's ability to carry out its charitable activities, putting certain plans on hold. However, the financial position of the charity remains strong and stable at the current time. The trustees are confident that the Charity can continue as a going concern for a period of at least twelve months from the date of approval of these financial statements and thus the accounts have been prepared on the going concern basis.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the Trustees in furtherance of their charitable objectives.

1.4 Incoming resources

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid is recognised at the time of the donation.

1.5 Resources expended

Resources expended are recognised in the period to which they relate.

Direct charitable expenditure comprises all the expenditure relating to the activities carried out to achieve the charitable objectives.

Support costs represent costs that cannot be directly attributed to charitable activities but are necessarily incurred in running the charity.

Governance costs include costs payable to the independent examiner and other costs incurred in relation to statutory and constitutional requirements.

1.6 Cash and cash equivalents

Cash and cash equivalents include cash in hand and deposits held at call with banks.

1.7 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

The Charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

2 Critical accounting estimates and judgements

The Trustees are satisfied that there are no material estimates or judgements in these financial statements.
