Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>Sicklekan Sickle Cell foundation continues to operating on a reduced capacity due to the ongoing health issues with the founder and director having sickle cell himself. In spite of that the founder has been able to continue charitable activities with aims to expand operations from 2024 upwards in terms of advocacy support and awareness, to the following and more.</p> <p>Our activities have been split between a few virtual events via zoom, telephone and teams calls as well as online campaigning. As well as a few face to face counselling and outreach services</p> <p>Aswell as outreach to blood donors from the black community to register to give blood for sickle cell patients in need. While offering services to children, familes and affected by sickle cell for support services.</p> <p>Even though this year was challenging on the founder with his health conditions we saw a slight decrease in</p>

		<p>activity on the previous year which was also very challenging for the organisation, the charity has still upheld its ethos of promoting awareness of sickle cell and assisting the local and wider community of sickle cell patients the best way we can. Physical Fundraising was able to be achieved this year which was limited in the previous year. To ease the load the founder has been able to raise some money for the charity privately to help operations. Will include the hiring of extra staff for fundraising and grant writing opportunities.</p> <p>We continue to hear and help the patients in need while advocating for awareness, while also supporting patients who reach out to our organisation suffering from mistreatment at hospitals</p>
