OBJECTIVES AND ACTIVITIES

Objectives and aims

The objects of the CIO are:

To advance Christian religion and biblical education for the public benefit, particularly but not exclusively, by providing workshops, conferences and afterschool clubs.

The alleviation of poverty within the area of operation, particularly but not exclusively by providing monetary grants and welfare support and services.

Prior to the emergence of the Covid 19 pandemic and resultant national lockdown in March 2020, we conducted regular Sunday services where we all met. In addition, the youths, the women and men groups met occasionally for separate fellowship to encourage and develop themselves in accordance to God's plan and purpose. These meetings provide a great opportunity for people to share common issues that maybe gender, age, career or role specific. All our services are open to all people, without charge.

Our walk-in outreach ministry regularly provided support for people in the local community regarding free benefits.

We would often go out on evangelism to share the good news that God loves the world in our local community, we listen and offer prayers for everyone.

During the lockdown, we were able to continue to hold Sunday church service via the Zoom online remote connectivity platform. The different church groups, were also able to meet via Zoom, with the additional focus of well-being.

The church was also able to reach out to the wider public via her website on spiritual and physical health, and overall well-being during this pandemic.

The CIO has made contributions to Feed the Hungry, Sutton night watch homeless charity, Gifts for homeless people on the street activity carried out by the young adult fellowship and financial support for individuals in the church who was in need.

We confirm the trustees have had regard to the Charity Commission's public benefit guidance when carrying out activities to which it's relevant.

We had plans to implement our big ideas for social transformation including Coffee Morning, Food Bank, Soup Kitchen as well as a breakfast and an After School Club. However, we were restrained by the pandemic and lockdown.

However, Church members were still able to volunteer their time, skills and expertise.

The CIO's grant making policy was reviewed, with reference to effects of the pandemic.

Church workers meetings have been held.

Well-being meetings have been held for different church groups.

FINANCIAL REVIEW

Financial position

At the end of December 2020, our savings with HSBC was £530,917.61

We aim to purchase a church building to enable us carry out our objective more effectively. The saved amount is mostly towards the purchase of our building.

Principal sources of income include regular donations by members of the church and attendees at our meetings through collections, direct bank transfer, standing orders, periodic fund raising, all by voluntary contributions.

We also earn interest paid on our savings account and we make regular gift aid claims.

Expenditures include money spent on rent, lease and venue hires for our meetings and worship, salary for employed staff, professional fees paid to musicians, accountant, public liability insurance, event insurance, vehicle insurance, equipment purchased, vehicle maintenance, welfare, contribution to other charities and to our associate church New Covenant church UK, meetings and training, printing, love gifts and honorariums, and towards our outreaches and charitable events such as the homeless activity at Christmas by the young adult fellowship.

Expand our activities and own our building to facilitate our objectives, for the public's benefit.

In the light of the checks and declarations, the trustees decide to go ahead and formalise the appointment of new trustees.
