From 29.09.2019 Period start date To 28.09.2020 Period end date

Charity registration number: 1174903

Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	<p>The objects of the charity are:</p> <p>a) The advancement of the Christian faith in accordance with the doctrines set out in the underwritten Second Schedule and the worship of God in the County of Norfolk and elsewhere by any means whatsoever, including (but not by the way of limitation) the preaching and proclamation of the Christian Gospel and the teaching or Christian doctrine and principles by providing pastoral care.</p> <p>The relief of persons who are in conditions of need, hardship or distress or who are aged or sick.</p>
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	<p>Radical provides worship and teaching for those marginalised, from different cultures , ages and backgrounds.</p> <p>Church: We are providing support to people from the locality and have seen transformation through Jesus. These include those with complex social and economic needs. We also continue to help support those with recovering or enduring mental health problems. These people are very much a part of our congregation and we journey with them in their quest for wholeness. This includes hospital and home visits, as required, and emotional support as well as friendship and practical help as appropriate.</p> <p>The majority of the congregation of Radical travel in from the wider area</p>

		<p>(many getting lifts) who would otherwise be isolated. We aim to actively seek those who don't fit in to mainstream 'middle class' church which includes the homeless, and those with addictions, mental health issues, as well as those coming from gangs, prison, sex workers and those from the Gypsy community.</p> <p>Having a part 'Romany' congregation has it's challenges. Challenges with education, social, health as well as spiritual needs that we look to address and help with as well as be a blessing to them. We believe in Gypsy people and see the potential to reach an often ostracised community for Jesus. We will continue to work with Gypsies and have close affiliation with a family who are o the leadership team of the church. We are training them and equipping them to reach other Gypsy people with the love of Jesus.</p> <p>We continue to have the privilege of working collaboratively with the Church of England at St Stephens Church in the city of Norwich. We are grateful for this partnership and, although there are differences in service styles, they have been incredibly supportive and encouraging to our objectives - which remain - to Love Jesus, Love each other, and love the lost.</p> <p>We continue to hold midweek groups in homes and Friday night services in different people's homes. These meetings provide an extra place where people can grow spiritually, grow in confidence, build rapport with others and have some praise and prayer, with word-based preaching and teaching in a more relaxed environment.</p> <p>Core leadership meet-ups continue on alternate Thursday evenings with the aim of the group to build friendships whilst equipping and training leaders within the church, with the aim to raise up those who are able to become leaders, to minister, preach, pray for people, share, serve etc.</p> <p>We run and engage in activities to build a sense of family/community and fun, to include helping people move house, cleaning, decorating, trips to</p>

		<p>the beach or nature reserves, meals together etc.</p> <p>Following on from Sunday Services we often have bring and share meals providing a way for those who are lonely or needing family/structure to do something constructive, something which helps them build healthy relationships, as well as providing weekly support.</p> <p>The church continues to have a football team in the Christian League - the Sprowston Radicals. This is accessed by many from the local community.</p> <p>Hope Bus - Radical continue to make good use of the Hope Bus. It is a fully functional church on wheels, used as an outreach/missional project giving people the Gospel, offering prayer and doing praise and worship.</p> <p>We are seeing God transforming lives of many, including those who have self-harmed, been suicidal or felt unloved, unwanted and depressed - they have found peace, love and family through Jesus on the bus.</p> <p>Indian Orphanage: Radical supports Saviour Jesus Christ Orphanage in Southern India (SJCO)</p> <p>The work includes sponsorship of the children each months to provide for their needs, and allows people to write to and pray for their sponsor child. There continues to be links between the children at Radical and the children at the Orphanage.</p> <p>Through weekly offerings we have also managed to provide equipment and gifts for the annual visit to the orphanage in which a group of volunteers visit to catch up with the family who run it (who have become firm friends over the years - since 2001) and spend time with the children in the school and the orphanage. This is part of the vision at Radical to allow those who are formally marginalised by society an opportunity to give something back, and in doing so, are themselves changed by the experience. We had a wonderful day this year taking the whole orphanage</p>

		<p>to a water park and theme park for the day which was a wonderful experience for all who went.</p> <p>We have weekly offerings for the children at the SJCO during our Sunday service.</p>

Achievements and Performance

	SORP reference	
--	----------------	--

<p>Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.</p>	<p>Para 1.20</p>	<p>As with the rest of the world, things changed and didn't quite go to plan during the worldwide Covid-19 pandemic. As a result, Radical's charity objectives for the second part of the year were impacted by the restrictions and regulations and had to adapt accordingly.</p> <p>Radical again had a very busy first half of the year (September through March.)</p> <p>Church: The church continued to offer worship on a Sunday but with a change of venue, leaving St Francis Church on Heartsease and having use of the Chapel (St Stephen's Church) Norwich. We moved to having a morning family-orientated service, with families and their children taking an active part in the services, often followed by food, then an afternoon service for the rest of Radical as per usual, with many attending both services.</p> <p>Radical also started meeting in the mornings at the Chapel on Tuesday, Wednesday and Friday mornings, for prayer and teaching.</p> <p>Radical provided worship and teaching for those marginalised, from different cultures, ages and backgrounds.</p> <p>We provided support to people from the locality and saw transformation of lives through Jesus. These included those with complex social and economic needs. We also continued to help support those with recovering or enduring mental health problems. These people are very much a part of our congregation and we journey with them in their quest for wholeness. As such, this included hospital and home visits, as required, and emotional support as well as friendship and practical help as appropriate.</p> <p>The majority of the congregation of Radical would travel in from the wider area (many getting lifts) who would have otherwise been isolated. At Radical, we aim to actively seek those who don't fit in to mainstream 'middle class' church which includes the homeless, and those with addictions, mental health issues, as well as those</p>

		<p>coming from gangs, prison, sex workers and those from the Gypsy community. During this year we were able to reach many within these people groups, sharing the love of Jesus with them and seeing their lives impacted and changed.</p> <p>We continued working alongside our 'Romany' congregation. Challenges with education, social, health as well as spiritual needs continued, especially with newer families who began attending, but we continued to help them as well as being a blessing to them. We believe in Gypsy people and see the potential to reach an often ostracised community for Jesus. We continued to work with one dear Gypsy family, equipping them to reach other Gypsy people with the love of Jesus.</p> <p>We continued to have the privilege of working collaboratively with the Church of England at St Stephens Church in the city of Norwich. We are grateful for this partnership and, although there are differences in service styles, they continued to be incredibly supportive and encouraging in regard to our objectives - which remain - to Love Jesus, Love each other, and love the lost.</p> <p>We continued to hold midweek DBS (discipleship Bible) groups in homes and Friday night services in different people's homes. These meetings provided an extra place where people could grow spiritually, grow in confidence, build rapport with others and have some praise and prayer, with word-based preaching and teaching in a more relaxed environment.</p> <p>Core leadership meet-ups continued on alternate Thursday evenings with the aim of the group to build friendships whilst equipping and training leaders within the church, with the aim to raise up those who are able to become leaders, to minister, preach, pray for people, share, serve etc.</p> <p>We continued to run and engage in activities to build a sense of family/community and fun, to include helping people move house, cleaning, decorating, trips to the beach or nature</p>

		<p>reserves, meals together etc.</p> <p>The church continued to have a football team in the Christian League – the Sprowston Radicals. This was accessed by many from the local community.</p> <p>Hope Bus – Radical continued to make good use of the Hope Bus. Being a fully functional church on wheels, it continued to be used as an outreach/missional project giving people the Gospel, offering prayer and doing praise and worship. We continued taking it to the coast and conducting Friday night meetings, during the warmer late summer/early autumn weather, on the beach.</p> <p>We continued to see God transforming lives of many, including those who had self-harmed, been suicidal or felt unloved, unwanted and depressed – they found peace, love and family through Jesus on the bus.</p> <p>We were given permission from the local council to park the bus in the city centre park on Wednesday evenings to reach out to the gangs and young people, doing church and offering friendship, worship, prayer, support and help as well as refreshments.</p> <p>We also took the bus to Celebrate Norwich – an evangelistic outreach to the city.</p> <p>On Thursdays, we were granted permission by Yarmouth Council to take the bus onto the marketplace, weekly, to outreach to the homeless and lonely.</p> <p>Indian Orphanage: Radical supports Saviour Jesus Christ Orphanage in Southern India (SJCO) The work included sponsorship of the children each month to provide for their needs, and allowed people to write to and pray for their sponsor child. There continued to be links between the children at Radical and the children at the Orphanage.</p> <p>Through weekly offerings we also managed to provide equipment and gifts for the annual visit to the orphanage in which a group of</p>

		<p>volunteers visited the orphanage in February 2020 – just before lockdown, to catch up with the family who run it (who have become firm friends over the years – since 2001) and spend time with the children in the school and the orphanage. This remains part of the vision at Radical to allow those who are formally marginalised by society an opportunity to give something back, and in doing so, are themselves changed by the experience. We had a wonderful day again taking the whole orphanage to a water park and theme park for the day which was a wonderful experience for all who went.</p> <p>We continued to have weekly offerings for the children at the SJCO during our Sunday services.</p> <p>Then lockdown happened and everything changed. Meetings stopped in person and went online instead, which was a new avenue for us as a church. This, however, meant that we could reach far more people with the Gospel as those at home were looking for hope and were stuck at home so, many people watched online who previously had not attended the church.</p> <p>Finances declined due to not meeting and taking offerings, so, like many charities, income went down, and our reach as far as physical presence, stopped for a season.</p> <p>Radical App:</p> <p>This year the app continued to be used by many, with the addition of online payments for offering and tithes added to enable those who were able, to continue to give during lockdown. The app was a real blessing during lockdown as people could access the sermons, music and other devotionals.</p>
