

CHARITY COMMISSION
FOR ENGLAND AND WALES

Trustees' Annual Report for the period

From Period start date: 29.09.2021 To Period end date: 28.09.2022

Charity name: Radical Norwich

Charity registration number: 1174903

Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	<p>The objects of the charity are:</p> <p>The advancement of the Christian faith in accordance with the doctrines set out in the underwritten Second Schedule and the worship of God in the County of Norfolk and elsewhere by any means whatsoever, including (but not by the way of limitation) the preaching and proclamation of the Christian Gospel and the teaching or Christian doctrine and principles by providing pastoral care. The relief of persons who are in conditions of need, hardship, or distress or who are aged or sick.</p>
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	<p>Radical provides worship and teaching for those marginalised, from different cultures, ages and backgrounds.</p> <p>Church: We aim to provide support to people from the locality and have seen transformation through Jesus. These include those with complex social and economic needs. We also continue to help support those with recovering or enduring mental health problems. These people are very much a part of our congregation, and we journey with them in their quest for wholeness. This includes hospital and home visits, as required, and emotional support as well as friendship and practical help as appropriate.</p> <p>The majority of the congregation of Radical travel in from the wider area (many getting</p>

		<p>lifts) who would otherwise be isolated. We aim to actively seek those who don't fit in to mainstream 'middle class' church which includes the homeless, and those with addictions, mental health issues, as well as those coming from gangs, prison, sex workers and those from the Gypsy community.</p> <p>Having a part 'Romany' congregation has its challenges. Challenges with education, social, health as well as spiritual needs that we look to address and help with as well as be a blessing to them. We believe in Gypsy people and see the potential to reach an often-ostracised community for Jesus. We will continue to work with Gypsies, and we are training them and equipping them to reach other Gypsy people with the love of Jesus.</p> <p>We have the privilege of working in connection with City Ministries (Churches Together Norwich). We are grateful for this partnership which has provided us with appropriately helpful support and encourage us to meet our objectives – which remain – to Love Jesus, Love each other, and love the lost. We are also affiliated with a larger nation-wide church group – All Nations – who provide spiritual cover and guidance.</p> <p>We continue to hold midweek groups in homes and occasional Friday night prayer services on our Radical Hope Bus. These meetings provide an extra place where people can grow spiritually, grow in confidence, build rapport with others, and have some praise and prayer, with word-based preaching and teaching in a more relaxed environment.</p> <p>Core leadership meet-ups continue on alternate Wednesday evenings with the aim of the group to build friendships whilst equipping and training leaders within the church, with the aim to raise up those who are able to become leaders, to minister, preach, pray for people, share, serve etc.</p> <p>We run and engage in activities to build a sense of family/community and fun, to include helping people move house, cleaning, decorating, trips to the beach or nature</p>
--	--	--

		<p>reserves, meals together etc.</p> <p>Following on from Sunday Services we often have bring and share meals providing a way for those who are lonely or needing family/structure to do something constructive, something which helps them build healthy relationships, as well as providing weekly support.</p> <p>Hope Bus – Radical continue to make good use of the Hope Bus. It is a fully functional church on wheels, used as an outreach/missional project giving people the Gospel, offering prayer, and doing praise and worship. We have taken it to local estates and conducted BBQ and gospel evangelistic outreach to the council estates, whilst also taking it to the coast and conducting Friday night meetings, during the warmer weather, on the beach.</p> <p>We are seeing God transforming lives of many, including those who have self-harmed, been suicidal or felt unloved, unwanted, and depressed – they have found peace, love and family through Jesus on the bus.</p> <p>Indian Orphanage: Radical supports Saviour Jesus Christ Orphanage in Southern India (SJCO)</p> <p>The work includes sponsorship of the children each month to provide for their needs and allows people to write to and pray for their sponsor child. There continues to be links between the children at Radical and the children at the Orphanage.</p> <p>Part of the vision at Radical is to allow those who are formally marginalised by society an opportunity to give something back, and in doing so, are themselves changed by the experience. We usually take annual trips to India; however, this hasn't happened this year due to Covid.</p> <p>We have weekly offerings for the children at the SJCO during our Sunday service.</p>

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>September 2021 we were still feeling the effects of covid, and things were starting to get back to normal in the church. We were given an amazing opportunity to use a warehouse for church (north city). This afforded us the ability to do bigger Sunday gatherings, foodbank, worship nights, prayer nights, church bring and share meals, a wedding reception and much more. It was a joy to be able to store things there and not have to worry about setting up and packing down each week. A larger venue meant that we attracted a greater congregation, but we continued to have a diverse congregation.</p> <p>The building had its limitations, however, and we had to combine meetings for the children and youth on a monthly basis. We were</p>

		<p>blessed, however, to have a ventriloquist who livened things up each Sunday with memory verse and thoughts; this was enjoyed by adults too. We continued with DBS groups in homes and started one specifically for ladies. We looked to address the epidemic of loneliness by setting up a drop-in session with coffee, cake, and prayer at St. Stephen's church in the city centre on Thursday afternoons. We continued to do a service in Great Yarmouth on Friday nights, with a DBS for all ages.</p> <p>At Radical, we aim to actively seek those who don't fit in to mainstream 'middle class' church which includes the homeless, and those with addictions, mental health issues, as well as those coming from gangs, prison, sex workers and those from the Gypsy community. During this year we were able to reach many within these people groups, sharing the love of Jesus with them and seeing their lives impacted and changed. We continued to run and engage in activities to build a sense of family/community and fun, to include helping people move house, cleaning, decorating, trips to the beach or nature reserves, meals together etc.</p> <p>We provided support to people from the locality and saw transformation of lives through Jesus. These included those with complex social and economic needs. We also continued to help support those with recovering or enduring mental health problems. These people are very much a part of our congregation, and we journey with them in their quest for wholeness. As such, this included hospital (as permitted) and home visits, as required, and emotional support as well as friendship and practical help as appropriate.</p> <p>We continued working alongside our 'Romany' congregation. Challenges with education, social, health as well as spiritual needs continued, especially with newer families who began attending, but we continued to help them as well as being a blessing to them. We believe in Gypsy people and see the potential to reach an often-ostracised community for Jesus. We continued to work with one dear</p>

		<p>Gypsy family, equipping them to reach other Gypsy people with the love of Jesus. We took Hope Bus along to a Gypsy Horse fair too, to help evangelise and meet the Gypsy people on their own grounds, therefore aiming to break down barriers.</p> <p>As a church we continued to work with other churches and ministries, to include, TLC, New Hope, Healing Rooms and Brephos. This included hosting Tough Talk, joint prayer meetings for the city and numerous outreaches with Church on the Street in both Great Yarmouth and Norwich. This included services in Norwich City, Great Yarmouth High Street, and the beach.</p> <p>The Hope Bus had many excursions. These included an outreach to King's Lynn to a deprived estate, Celebrate King's Lynn event working with numerous churches, working with M16 Revival taking the bus to Wembley, London, and a mission to do Church on the Street with a church on the Isle of Wight.</p> <p>We were also privileged to take part in Fuel the Fire Norfolk with All Nations in Diss.</p> <p>We continued to use the Horizon's building as an office base, prayer room, foodbank, and Friday night Church. (Horizons Community Training - a community alternative education provision offering flexible, full, and part-time study programmes for young people aged between 13-24 years who have social, emotional, or behavioural issues and have been unsuccessful in or excluded from mainstream education.) We expanded to use the top floor to set up a course/programme which we called Hope Works. We ran a course, 3 days a week, for those lonely, out of work, those lacking confidence and those lacking purpose. The aims were multifaceted, to include, discipleship, gain new skills (gardening, cooking, art, fitness, even hairdressing and beauty) and the running of a foodbank. This gave people purpose and hope. We ran this for three months with 12 people, providing transport from Norwich to Great Yarmouth for those involved. We also provided transport for people to come to</p>

		<p>church in Norwich on Sundays from Great Yarmouth.</p> <p>At this time, we had several Bulgarian gypsy families added to our congregation. We also worked well alongside Horizons and were able to deliver several lessons to those who had been excluded from school on drugs, prison, gangs and bullying. This was a very busy time for us. Hope Works finished in May 2022. The Radical football team also discontinued (due to non-engagement and behavioural issues with the non-Radical members.)</p> <p>Unfortunately, in September we were no longer able to use the Horizons building and work in Great Yarmouth came to a close.</p> <p>SJCO - after missing 2 years of visitation, we were able to return to India, to the orphanage, bringing a team of 14 people to help and encourage the staff and students. We worked in the school, churches and orphanage changing many lives and creating great memories and friendships. We continued to raise funds for the orphanage and SJCO work including providing 800 meals to the local prison at Christmas. We helped to fund the school to provide education to the local children who were unable to afford it and through sponsorship and church offerings, provide basic support to 40+ orphans. Radical provided worship and teaching for those marginalised, from different cultures, ages, and backgrounds.</p>
