

The Powerhouse Café Good Food for All

Dear Sir/Madam,

Re: Good Food Llanedeyrn 1174937

I am sorry to report that the charity is currently waiting to undergo a drive which will attract trustees and move forward in this much-needed field of providing good and nutritionally balanced food, training and community cohesion.

We were struggling before the pandemic, as the redevelopment of the local shopping centre moved us to the edge of the area, reducing footfall. Then, as we attempted to rebuild the pandemic put us in an impossible position.

With the resignation of several trustees, we were forced to mothball operations, there have been no movements in the past 12 months or more.

Please can we officially suspend operations, until we see a clearer way forward, encouraging new volunteers and trustees?

With all kind regards,

Rev. Mark Lawson-Jones
