Report of the Trustees **for the Year Ended 31 December 2021**

The trustees present their report with the financial statements of the charity for the year ended 31 December 2021. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

Charity Objects

Raise Your Hands runs innovative activities in order to support small charities working with children and young people in the UK.

The object of the CIO is the promotion of the efficiency and effectiveness of small charities for the public benefit, primarily but not limited to charities benefiting and working with young people, by means of providing grants and other support and advice.

Trustee recruitment

The board conducts regular skills audits of its members and uses this information to create a role description and person specification for any new trustees. In 2020 this was circulated amongst Raise Your Hands donors, supporters, charities and other networks which led to the appointment of three new trustees over the following six months.

Potential trustees are asked to submit a simple application statement and meet with the Director and Chair of Trustees before attending one meeting as an observer.

If both the board and individual agree to proceed a resolution is passed and new trustees have further meetings with the Director and staff at Raise Your Hands.

Before starting in the role new trustees are also given an induction pack which includes:

- Charity Commission 'Essential Trustee' document
- Raise Your Hands Constitution (our governing document)
- Strategic Plan and Theory of Change
- Most recent set of our accounts
- Grant-making and Reserves Policy
- Risk Register

All new trustees complete a 'fit and proper person' form and a conflict of interest declaration. The latter is reviewed annually.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its Constitution (amended October 2020) and constitutes a Charitable Incorporated Organisation (CIO).

OBJECTIVES AND ACTIVITIES

Raise Your Hands supports effective small charities through forward-thinking approaches to charitable giving. We innovate in the philanthropic space, acting as a conduit between:

exceptional small charities
focused on transforming young lives
and having a proven impact

companies and people
wanting a different experience of giving
and confidence that their funds will be
well spent

Raise Your Hands selects and
monitors a platform of 12 **exceptional
small charities**. We unlock income
streams that would not normally be
within reach for charities of this size.

Raise Your Hands introduces **companies
and people** to this portfolio of
organisations they wouldn't easily find
otherwise. We offer them cutting-edge
experiences that defy their expectations.

To be added to our platform, charities must meet the following criteria:

- Turnover of less than £1.5m
- Working in the UK
- Work primarily with children and young people
- Have evidenced the need for their work
- Can effectively demonstrate the impact they have
- Led by capable, committed leaders who have a strategic mindset (75% of our charities are founder-led)
- Robust systems and governance

Where our charities work

- National
- London only
- A local area outside London

OBJECTIVES AND ACTIVITIES (cont)

Our charity platform in 2021 was:

CHIVA – Children’s HIV Association

Improving health and social outcomes for children and young people living with HIV.

Create Arts

Arts programmes for the most marginalised in areas where engagement in the arts is low.

Dandelion Time

Using the therapeutic potential of the natural world to help traumatised children on a farm in Kent.

Football Beyond Borders

Using football as a catalyst for change in attitude, performance and aspirations of disengaged young people in our school system.

Kidscape

Giving young people, parents and professionals the tools and confidence to challenge bullying in all forms.

Little Village

A baby bank that provides clothing, toys and a community of support for families in poverty.

Mousetrap Theatre Projects

Enriching the lives of disabled and disadvantaged children through theatre.

Sport 4 Life

Helping young people move into training and work through sports-themed personal development.

Storybook Dads

Making sure that children don’t pay the price for their parent’s imprisonment by recording bedtime stories from behind bars.

Switchback

Supporting young prison-leavers to make real, lasting change through intensive one-to-one support and real-work training.

Wave Project

Providing award-winning surf therapy and beach school projects for young people who have a mental health issue, learning difficulty or physical disability.

In 2021, we saw Grief Encounter move on from the Raise Your Hands platform. They support bereaved children through counselling, workshops, retreats and a national helpline. They were amongst the six charities selected when we launched in 2015. Since that time they’ve seen a steady growth; an average of 26% year-on-year. During the pandemic their services were in greater demand than ever before and calls to their helpline doubled. Grief Encounter’s income grew as they successfully raised funds to meet this increasing demand. The trustees are proud to have played a role in Grief Encounter’s journey to no longer being classified as a small charity.

To be selected onto our platform, charities go through a rigorous assessment process. We have developed our own comprehensive approach to due diligence; a detailed 20+ page report is produced for each charity and updated following annual monitoring. In 2021, Action for Conservation, went through this process successfully and were added to our platform for 2022.

OBJECTIVES AND ACTIVITIES (cont)

We are committed to a model that funds our charities in the following ways:

- **predictable** so they can plan (current baseline grant level is £15,000 per year)
- **unrestricted** so they can be agile in how they allocate resources
- **ongoing** in perpetuity so they don't have to spend valuable time reapplying

Please note: Raise Your Hands does not accept unsolicited applications.

We connect companies and people to our charity platform through three activities:

1. Dot Impact

Companies taking part in Dot Impact donate to the RYH charity platform. We then bring their charitable giving to life with robust data and engaging storytelling; helping to build a social cause within the company and beyond. We also work together to design a programme of events and volunteering to get staff engaged more directly.

2. Innovative Events

Our leading source of income in the past has been our flagship event, Midnight Madness - an overnight corporate team challenge that involves escape room style puzzles, immersive theatre and access to extraordinary sites across London. In 2021, the pandemic restrictions meant that this was postponed for a second time.

3. Direct donations

Companies and people looking for a cause to donate to (or fundraise for) find us via optimised SEO or personal recommendations. We provide them with the information, content and materials they need so they can be sure they are having a meaningful impact. Every penny they donate is split evenly across the platform.

ACHIEVEMENTS AND PERFORMANCE

In the face of another extremely challenging year, the Trustees were pleased to be able to continue to stand by our charities. Having made our largest donations to date the previous year (in order to provide additional support at the peak of the crisis) we had spent into our reserves. Despite this, we were still able to provide our baseline of £15,000 per charity in 2021.

This year, Raise Your Hands received a total of £293,085 (2020: £248,846) in donation income. This breaks down as follows:

OUR CHARITY PLATFORM'S PERFORMANCE

This report describes our own organisation's progress. We have produced two separate documents that chart the progress of the charities we support:

- RYH Charity Insights
- RYH Impact Data Report

Both are available on request.

FINANCIAL REVIEW

In 2021, saw an increase in income, and some replenishing of reserves. During the period, the charity raised a total of £293,085 (2020: £281,458).

Our main income-generating event was postponed once again and although new Dot Impact companies did commit during this time, their donations were not made within the financial year. We remain outside of the ideal reserves level stated in our policy below.

In the previous year we had donated as much as possible in order to ramp up our support during the peak of the Coronavirus crisis. This year, in order to rebuild reserves as much as possible, when one charity moved on, we did not replace it within the year. This meant we were able to minimise the total amount granted whilst standing by our commitment to the existing 11 charities.

£165,000 was donated to our charity platform (2020: £255,505).

The results for the period are shown in the statement of financial activities on page 10.

The fundraising expenses were £8,811 (2020: £67,418). The running costs for Raise Your Hands itself totalled £106,049 (2020: £101,996).

The result for the period ended 31 December 2021 was a surplus of £13,226, bringing unrestricted reserves to £95,087 (2020: £97,184).

Reserves also include £15,322 restricted to additional grants for our charities raised as a result of a Christmas campaign (raised in 2021 but contributing to a £20,400 donation due to be dispersed in 2022).

Reserves policy

Our reserves policy is as follows:

In order to stand by their commitment to provide sustainable funding to their beneficiaries, the trustees will set aside one year's worth of core grants in reserves.

Additionally, in order to safeguard the financial sustainability of the organisation, the Trustees have decided to allocate three months' worth of operating costs to the reserves.

Ideal reserves level is therefore calculated as £213,884. These operating costs are currently made up of salaries and related HMRC and pension contributions.

We also aim to provide a buffer of £10,000 for direct debit payments and any other unforeseen costs such as legal expenses.

Should the level of unrestricted reserves fall below or go above this amount by more than 15%, the Trustees will take steps to adjust predicted expenditure and/or income in order to bring reserves closer to the level stated in this policy.

The ideal level of reserves for 31 Dec 2022 is therefore £214,000, the minimum being 15% less at £181,900.

As of 31 December 2021, the charity's free reserves were £95,087. This amount is 52% lower than the minimum reserves level and therefore, the trustees plan to take steps to build the reserves up in the upcoming year.

Brokered donations

Not shown in the financial statements below are the donations that Raise Your Hands has initiated from companies that ask us for advice who later go on to donate to a charity on our platform. In 2021, these donations included:

Donor	Charity	Amount
Clarksons Shipping	Wave Project	£20,000
InfraRed Capital	Switchback	£80,000

It's worth noting that, taking this £100,000 into account, Raise Your Hands generated £2.49 for every £1 spent on our own running costs despite the challenging context during 2021.

Independent Examiner's Report to the Trustees of Raise Your Hands

Independent examiner's report to the trustees of Raise Your Hands ('the Charity')

I report to the charity trustees on my examination of the accounts of the Charity for the year ended 31 December 2021.

Responsibilities and basis of report

As the trustees of the Charity, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the 2011 Act').

Having satisfied myself that the accounts of the Charity are not required to be audited and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

Independent examiner's statement

Since your charity's gross income exceeded £250,000 your examiner must be a member of a listed body. I can confirm that I am qualified to undertake the examination because I am a registered member of ACCA which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Charity as required by the 2011 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2021

1. Basis of preparing the financial statements

These accounts have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts.

The accounts have been prepared in accordance with:

- Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)',
- Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'
- and with the Charities Act 2011

The charity is a Charitable Incorporated Organisation and constitutes a public benefit entity as defined by FRS 102.

2. Accounting policies

Income

Income is included in the Statement of Financial Activities (SoFA) when:

- the charity becomes entitled to the resources;
- it is more likely than not that the trustees will receive the resources;
- the monetary value can be measured with sufficient reliability.

Grants and donations

Grants and donations are included in the SoFA when the general income recognition criteria are met.

Tax reclaims on donations and gifts

Gift Aid receivable is included in income when there is a valid declaration from the donor. Any Gift Aid amount recovered on a donation is considered to be part of that gift and is treated as an addition to the same fund as the initial donation unless the donor or the terms of the appeal have specified otherwise.

Expenditure

Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

NOTES TO THE FINANCIAL STATEMENTS - CONTINUED FOR THE YEAR ENDED 31 DECEMBER 2021

Governance and support costs

Support costs have been allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice.

Taxation

The charity registered as a charity on 3 October 2017 and since that date has been exempt from corporation tax on its charitable trading activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Cash at bank and in hand

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

Debtors

Debtors (including trade debtors and loans receivable) are measured on initial recognition at settlement amount after any trade discounts or amount advanced by the charity. Subsequently, they are measured at the cash or other consideration expected to be received.

Liability recognition

Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty.

NOTES TO THE FINANCIAL STATEMENTS - CONTINUED FOR THE YEAR ENDED 31 DECEMBER 2021
