Report of the Trustees **for the Year Ended 31 December 2022**

The trustees present their report with the financial statements of the charity for the year ended 31 December 2022. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

Charity Objects

Raise Your Hands runs innovative activities in order to support small charities working with children and young people in the UK.

The object of the CIO is the promotion of the efficiency and effectiveness of small charities for the public benefit, primarily but not limited to charities benefiting and working with young people, by means of providing grants and other support and advice.

Trustee recruitment

The board conducts regular skills audits of its members and uses this information to create a role description and person specification for any new trustees. In 2023 this will be circulated amongst Raise Your Hands donors, supporters, charities and other networks with a view to recruiting 1-3 new trustees.

Potential trustees will be asked to submit a simple application statement and meet with the Director and Chair of Trustees before attending one meeting as an observer.

If both the board and individual agree to proceed a resolution is passed and new trustees have further meetings with the Director and staff at Raise Your Hands.

Before starting in the role new trustees are also given an induction pack which includes:

- Charity Commission 'Essential Trustee' document
- Raise Your Hands Constitution (our governing document)
- Strategic Plan and Theory of Change
- Most recent set of accounts
- Grant-making and Reserves Policy
- Risk Register

All new trustees complete a 'fit and proper person' form and a conflict-of-interest declaration. The latter is reviewed annually.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its Constitution (amended October 2020) and constitutes a Charitable Incorporated Organisation (CIO).

OBJECTIVES AND ACTIVITIES

Raise Your Hands supports effective small charities through forward-thinking approaches to charitable giving. We innovate in the philanthropic space, acting as a conduit between:

exceptional small charities
focused on transforming young lives
and having a proven impact

companies and people
wanting a different experience of giving
and confidence that their funds will be
well spent

Raise Your Hands selects and
monitors a platform of **exceptional
small charities**. We unlock income
streams that would not normally be
within reach for charities of this size.

Raise Your Hands introduces **companies
and people** to this portfolio of
organisations they wouldn't easily find
otherwise. We offer them cutting-edge
experiences that defy their expectations.

To be added to our platform, charities must meet the following criteria:

- Turnover of less than £1.5m
- Operate primarily in the UK
- Work primarily with children and young people
- Have evidenced the need for their work
- Can effectively demonstrate the impact they have
- Led by capable, committed leaders who have a strategic mindset
- Robust systems and governance

OBJECTIVES AND ACTIVITIES (cont)

During the year, we increased the size of the platform from 12 charities to 14. The charities that remained on our platform in 2022 were:

CHIVA – Children’s HIV Association

Improving health and social outcomes for children and young people living with HIV.

Create Arts

Arts programmes for the most marginalised in areas where engagement in the arts is low.

Dandelion Time

Using the therapeutic potential of the natural world to help traumatised children on a farm in Kent.

Football Beyond Borders

Using football as a catalyst for change in attitude, performance and aspirations of disengaged young people in our school system.

Kidscape

Giving young people, parents and professionals the tools and confidence to challenge bullying in all forms.

Little Village

A baby bank that provides clothing, toys and a community of support for families in poverty.

Mousetrap Theatre Projects (now rebranded as Go Live Theatre Projects)

Enriching the lives of disabled and disadvantaged children through theatre.

Storybook Dads

Making sure that children don’t pay the price for their parent’s imprisonment by recording bedtime stories from behind bars.

Switchback

Supporting young prison-leavers to make real, lasting change through intensive one-to-one support and real-work training.

Wave Project

Providing award-winning surf therapy and beach school projects for young people who have a mental health issue, learning difficulty or physical disability.

In 2022, we saw Sport 4 Life move on from the Raise Your Hands platform. Support was tapered off with a bridging grant of £7,500.

OBJECTIVES AND ACTIVITIES (cont)

To be selected onto our platform, charities go through a rigorous assessment process. We have developed our own comprehensive approach to due diligence; a detailed 20+ page report is produced for each charity and updated following annual monitoring. Four new charities successfully went through this process and were added to our platform in 2022:

Action for Conservation

Empowering young people to become the next generation of environmental leaders.

Empire Fighting Chance

Inspiring young people to realise their potential through combining non-contact boxing with intensive personal support.

Become

Helping children in care and young care leavers to believe in themselves, and to help them heal and grow.

Jessie May

Providing specialist nursing care for terminally ill children in their own homes.

We are committed to a model that funds our charities in the following ways:

- **predictable** so they can plan
- **unrestricted** so they can be agile in how they allocate resources
- **ongoing** in perpetuity so they don't have to spend valuable time reapplying

Please note: Raise Your Hands does not accept unsolicited applications.

We connect companies and people to our charity platform through three activities:

1. Dot Impact

Companies taking part in Dot Impact donate to the RYH charity platform. We then bring their charitable giving to life with robust data and engaging storytelling; helping to build a social cause within the company and beyond. We also work together to design a programme of events and volunteering to get staff engaged more directly.

2. Innovative Events

Our leading source of income in the past has been our flagship event, Midnight Madness - an overnight corporate team challenge that involves escape room style puzzles, immersive theatre and access to extraordinary sites across London. In 2022, the first opportunity to run the event since 2019, we saw Midnight Madness raise more than ever before. These funds kickstarted growth plans for RYH and a commitment to ambitious strategic objectives for the years ahead.

3. Direct donations

Companies and people looking for a cause to donate to (or fundraise for) find us via optimised SEO or personal recommendations. We provide them with the information, content and materials they need so they can be sure they are having a meaningful impact. Donations are usually split evenly across the platform charities.

ACHIEVEMENTS AND PERFORMANCE

The Trustees were delighted to be able increase baseline grants to £20,000 in 2022, (up from £15,000). The success of the Midnight Madness event meant we were also able to add two further charities to the platform; each received a £10,000 instalment in 2022.

This year, Raise Your Hands received a total of £885,967 (2021: £293,085) in donation income which breaks down as follows:

OUR CHARITY PLATFORM'S PERFORMANCE

This report describes our own organisation's progress. We have produced two separate documents that chart the progress of the charities we support:

- RYH Charity Insights
- RYH Impact Data Report

Both are available on request.

FINANCIAL REVIEW

In 2022, saw a significant increase in income; during the period, the charity raised a total of £885,967 (2021: £293,086).

Our main income-generating event (Midnight Madness) was hugely successful and new Dot Impact companies that had committed the previous year made significant donations within the financial year.

Trustees have been confident in their commitment to both increasing the number of charities on the platform and the baseline grant amount going to each one.

Further growth is planned over the next three years. Whilst wanting to avoid unduly holding onto assets, we are also keen to build up the size of grants over time rather than gifting high levels one year, only to have to cut back the following year, causing unpredictability in income forecasting at the charities on our platform.

The trustees are pleased to have successfully rebuilt levels of reserves so as to be able to continue to make grants should there be a drop in future event income.

We donated £287,900 to our charity platform this year, a 75% increase on 2021 (£165,000). This was made up of twelve baseline grants of £20,000, two single instalment grants of £10,000, one taper grant of £7,500. There were also grants totalling £20,400 made following the previous year's Christmas appeal.

The results for the period are shown in the statement of financial activities on page 10.

The fundraising expenses were £148,538 (2021: £8,811), this increase is mainly due to the Midnight Madness event (which did not run the previous year). The running costs for Raise Your Hands itself remained in line; totalling £108,377 (2021: £106,049).

The result for the period ended 31 December 2022 was a surplus of £341,152, bringing unrestricted reserves to £181,356 (2021: £95,087).

Reserves policy

Our reserves policy is as follows:

In order to stand by their commitment to provide sustainable funding to their beneficiaries, the trustees will set aside one year's worth of core grants in reserves.

Additionally, in order to safeguard the financial sustainability of the organisation, the Trustees have decided to allocate three months' worth of operating costs to the reserves.

These operating costs are currently made up of salaries and related HMRC and pension contributions.

We also aim to provide a buffer of £10,000 for direct debit payments and any other unforeseen costs such as legal expenses.

Should the level of reserves fall below or go above this amount by more than 15%, the Trustees will take steps to adjust predicted expenditure and/or income in order to bring reserves closer to the level stated in this policy.

For 31 Dec 2022, the ideal level of reserves for operating costs was £45,882.

This full amount is held in restricted reserves.

As we have plans to increase grant-making, our reserves target has increased accordingly.

For 31 Dec 2022, the ideal level of reserves for grants was £345,000. (£23,000 for 15 charities)

We finished the year with £185,761 of reserves restricted to grants, with the £181,356 in unrestricted reserves the total amount was £366,761. This figure is £21,761 above the ideal level stated in our policy but well below the maximum level and therefore the trustees are satisfied that no action needs to be taken to adjust reserves levels within the upcoming year.

Brokered and in-kind donations

Not shown in the financial statements below are the donations that Raise Your Hands has initiated from companies who, having engaged with us, chose to support charities on our platform. In 2022, these donations were worth £36,214 (2021: £100,000):

Donor	Charity	Support	Amount
Gravis Capital	Little Village	Direct donation and fundraising	£34,000
SoftCat	FBB, EFC, Dandelion Time and Chiva	Discount on tablets provided for Dot Impact project	£2,614

It's worth noting that, taking these donations into account, for every £1 spent on our running costs, Raise Your Hands generated £3.04 for our charities.

Independent Examiner's Report to the Trustees of Raise Your Hands

Independent examiner's report to the trustees of Raise Your Hands ('the Charity')

I report to the charity trustees on my examination of the accounts of the Charity for the year ended 31 December 2021.

Responsibilities and basis of report

As the trustees of the Charity, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the 2011 Act').

Having satisfied myself that the accounts of the Charity are not required to be audited and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

Independent examiner's statement

Since your charity's gross income exceeded £250,000 your examiner must be a member of a listed body. I can confirm that I am qualified to undertake the examination because I am a registered member of ACCA which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Charity as required by the 2011 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2022

1. Basis of preparing the financial statements

These accounts have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts.

The accounts have been prepared in accordance with:

- Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)',
- Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'
- and with the Charities Act 2011

The charity is a Charitable Incorporated Organisation and constitutes a public benefit entity as defined by FRS 102.

2. Accounting policies

Income

Income is included in the Statement of Financial Activities (SoFA) when:

- the charity becomes entitled to the resources;
- it is more likely than not that the trustees will receive the resources;
- the monetary value can be measured with sufficient reliability.

Grants and donations

Grants and donations are included in the SoFA when the general income recognition criteria are met.

Tax reclaims on donations and gifts

Gift Aid receivable is included in income when there is a valid declaration from the donor. Any Gift Aid amount recovered on a donation is considered to be part of that gift and is treated as an addition to the same fund as the initial donation unless the donor or the terms of the appeal have specified otherwise.

Expenditure

Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

NOTES TO THE FINANCIAL STATEMENTS - CONTINUED FOR THE YEAR ENDED 31 DECEMBER 2022

Governance and support costs

Support costs have been allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice.

Taxation

The charity registered as a charity on 3 October 2017 and since that date has been exempt from corporation tax on its charitable trading activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Cash at bank and in hand

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

Liability recognition

Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty.

NOTES TO THE FINANCIAL STATEMENTS - CONTINUED FOR THE YEAR ENDED 31 DECEMBER 2022
