Section C

Objectives and activities

Summary of the objects of the charity set out in its governing document

To advance the Christian faith for the benefit of the public in accordance with the statement of beliefs in the constitution in the UK or elsewhere. Mainly, but not exclusively, by the holding of in person or virtual prayers, meetings, lectures, Christian celebrations, producing and/or distributing literature on Christian belief to enlighten others about our faith.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Productive Year for TAAC UK.

- Working in partnership in the community with LCM
- We have worked with our neighbouring churches in supporting food aid and other community initiatives.
- Providing financial support for families who fosters and care for children in need.
- Providing food to the homeless and those desperately needing it.
- Weekly coffee mornings for those in the community via zoom, sharing the word of God with them and having online and social fellowship and connections.
- Visiting the lonely, isolated, sick, hospitalised and bed bound.
- Monthly connect group meetings in various communities teaching the Word of God with a hot drink.
- Supporting food distribution in the local community as and when
- Sharing in fellowship via in person or virtual with other church families
- Providing financial support to the disadvantaged and bereaved in our church, those connected to our fellowship and local community.
- Supporting families from the community who have experienced trauma, loneliness, death, and sicknesses.
- We have also improved on the resources in our church to ensure that our worship is inclusive to all. Breaking down barriers and blockages in communication.
- We have provided counselling, coaching, and mentoring for those who request it.
- Our Trustees and the volunteers have worked really hard to ensure that TAAC (UK) is active in the community and supporting the needs of the membership.

Post covid our membership has reduced, so we have now embarked on a period of “growth”. Since the lockdown not everyone had returned in person, we have additional community members attending and more virtual audiences.

We work in a dual role in that home fellowship and communion have now become part of our offerings, as several of our membership are housebound, dealing with social issues, struggled with long term sickness and are absent. This does have an impact on our financial stability, so we find that our donations have reduced.

Helping those in need is a demonstration of our faith. We have a mission team that helps with supporting needs both locally and internationally. We have supported children in need in Africa, Caribbean, and other areas in need i.e., Ukraine. Supported projects such as Missionary Jesus course, Too Good To Go for those people who cannot afford to buy food due to the cost-of-living increase, Operation Forgiveness in schools, Homeless, Big Winter Sleep out and Wrap up to recycle old coats to keep others warm.

We had joint service with our Baptist neighbours in East Dulwich. We have Missionaries, Men's, and Youth fellowship.

It was a great honour to recognise our Bishop and Evangelist who have worked tirelessly to support the community and our neighbours.

We continue to have baptismal service and engagement with others who do not attend our worship centre. We encourage our community to celebrate and give thanks to God throughout their life journey, for those who celebrated marriage anniversaries, weddings, christenings, and new birth. We support and mourn with those who have lost loved ones and continue to pray for them and their families.

We gather at church early to set up and for those who want to have private prayers.

We plan our activities for the whole year to enable everyone to get an opportunity to share and live out their faith in the way they wish to fellowship.

We have spent a lot of time developing how we share our service using various communication mode, virtual, media and visual aids. We have many feedback that the service is more engaging and easier to follow. We respect people's time.

We have several planning meetings to ensure that our delivery is relevant and that we are impactful as a charity. We also ask for feedback to improve.

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising).
- how expenditure has supported the key objectives of the charity.
- investment policy and objectives including any ethical investment policy adopted.

Our funding comes mainly from donations from our membership, and friends of TAAC (UK), giving their finances to support our objectives and the community.

We rely mainly on the goodwill of our volunteers and those wishing to improve the lives of people within our local communities.

Our church membership largely fund the charitable work that we do. Since the pandemic, our membership has been reduced largely due to long term sickness absence, impact of covid, other social challenges and economic hardship.

We have friends of TAAC (UK) who support our work with their time, attendance, and donations.

Section F Other optional information

We would like to thank our membership, the many dedicated volunteers, and friends of TAAC UK, who support us to achieve its mission. We couldn't have been so impactful without them and certainly would not have been able to function without their support.
