## **Trustee Annual Report**

Reporting period up to 5th April 2025

---

**Background:** Bernstein in Chichester was established as a Charitable Incorporated Organisation and entered the Register of Charities on 4th October 2017.

The objects of the CIO were to advance the public education in, and appreciation of, the arts and culture within the City of Chichester and Chichester District, through the celebration of the work and life of Leonard Bernstein (1918-1990) and his close links with Chichester by way of concerts, recitals, workshops, reviews, talks, film shows and exhibitions.

Bernstein in Chichester's festival programme launched with its first event on 27th March 2018 (Bernstein Triple Bill screening at Chichester Cinema at New Park) and continued throughout the year, culminating in a performance on 27th November 2018 of Bernstein's *Chichester Psalms* in Chichester Cathedral with the Bournemouth Symphony Orchestra under the baton of Marin Alsop and the joint choirs of Chichester, Winchester and Salisbury cathedrals.

---

Following the success of the Bernstein in Chichester Festival events that took place throughout 2018 a decision was made by the trustees to continue its efforts to establish a permanent memorial to Leonard Bernstein and the Chichester Psalms within the vicinity of the Cathedral and in a location that will be of interest and intrigue to the public and visitors to the city.

In April 2024 we were delighted to receive confirmation of the plaque to be unveiled on the wall between the Prebendal Wall and the Cathedral. The event would become part of the 950th anniversary celebrations of Chichester Cathedral in 2025.

Planning permissions were duly sought and a draft of the plaque design was made by the stone mason Rob Jolly and submitted to the cathedral for final approval. Canon Vanessa Baron has been our contact between herself and Dean Stephen's office.

Also during this process Richard Meynell was co-opted to Bernstein in Chichester as a trustee. Richard is an architect of over 40 year's experience during which time he served as the architect to the Dean and Chapter of Chichester Cathedral for the Cathedral Close for 30 years. He has guided us for several years with incredible knowledge and expertise on approaching this project with the Cathedral and has also introduced Bernstein in Chichester to expert stonemason Rob Jolly so we were delighted he agreed to be co-opted.

Now that we were under way with the plaque approval we resumed our budget planning and fundraising commenced. We already had funds enough to purchase an appropriate piece of Portland stone as guided by Rob Jolley. Rob needed to 'get ahead' on carving the plaque which was completed by the end of 2024, and therefore in January 2025 it had been arranged to meet on site at the Cathedral to discuss the plaque location. Those present included: Dame Patricia Routledge, all trustees of Bernstein in Chichester, Dean Stephen, Canon Vanessa Baron and text artist Polly Meynell who would be designing a simple textile for the unveiling of the plaque.

The date of the unveiling was set for May 17th 2025. As well as the 950th anniversary of the Cathedral 2025 is the 60th anniversary of Chichester Psalms so that evening the Cathedral Choir will also be performing the Psalms in an anniversary concert. Alexander Bernstein was invited to unveil the plaque. We have been keeping in touch with him to keep him updated on the plaque approval, design and the plans for the unveiling.

We were lucky to kickstart our fundraising with 2 generous donations from the Pallant House Trust and the Dame Patricia Routledge Foundation. We also approached the old chorister's network and received individual donations. In March 2025 we received another generous donation from the Bowerman Trust which ensured coverage of the overall budget. Also during the spring the Cathedral had appointed a new permanent dean and on his arrival Dean Edward Dowler immediately added his support to the project.

During this reporting period we report an income to the funds of £2,985 with expenditure at £3,300. With year balance from previous reporting period of £2,865.01 the total unrestricted funds in Bernstein in Chichester's accounts stand at £2,550.01

ENDS.

During this year very little progress has been made. The charity made little progress with the Cathedral which is pending some personnel change of Dean to an interim. However remain positive about seeing the project through.

During this reporting period there was no income to the funds with expenditure at £24. With year balance from previous reporting period of £2963 the total unrestricted funds in Bernstein in Chichester's accounts stand at £2915.

July 2021 saw the tragic passing of trustee Richard Elwes.

The trustees, thanks to the great forethought of Alan Thurlow, invited Canon David Nason to replace Richard Elwes's position on the committee and this invitation was accepted. His details

were corrected on the Charity's Commission website in late July 2021. David will be treasurer and additional signatory on the the Bernstein in Chichester bank account.

We were also thrilled that in July 2021 Dame Patricia Routledge accepted to become patron of the plaque project. She was a personal friend of Leonard Bernstein's, he cast her as the leading lady in his musical *1600 Pennsylvania Avenue*. Dame Patricia joined us in person for a trustee meeting on October 12th, 2021 during which we reviewed the wording for the plaque. Otherwise we made slow progress with the cathedral, seemingly finding it very hard to elicit responses from the Dean's office.

During this reporting period there was no income to the funds with expenditure at £97. With year balance from previous reporting period of £3,060 the total unrestricted funds in Bernstein in Chichester's accounts stand at £2,939.

Ongoing: Bernstein in Chichester continues to move the project of the plaque installation forward.

There was uncertainty about the site due to the necessary permissions required but the project to date has now had site approval from the Dean and Chapter of Chichester Cathedral within the bounds of Chichester Cathedral and the plaque will hopefully find its home on the wall of the Prebendal School which looks on to the West Door of the Cathedral. The process of design and budgeting still continues.

Even though this report is being written to account for progress up to April 2021, it is impossible not to recount the tragic news of the death of our trustee Richard Elwes in July 2021. Richard has been replaced by trustee Canon David Nason.

During this reporting period expenditure was £162.00. The total unrestricted funds in Bernstein in Chichester's accounts stand at £3,060.

Ongoing: Bernstein in Chichester continues to move the project of the plaque installation forward.
