# MESSAGE FROM THE BOARD OF TRUSTEES

السَّلَامُ عَلَيْكُمْ وَرَحْمَةُ اللَّهِ وَبَرَكَاتُهُ

## Dear Friends, Supporters, and Volunteers,

Since 2011, **HCR** has been a lifeline for those facing disaster and crisis. Alhamdulillah, in **2023-24**—a year of relentless hardship—we rose to meet urgent needs. When earthquakes struck Türkiye, Syria, and Morocco, we were among the first responders.

Our greatest challenge has been Gaza, where families face unimaginable hardship. Amidst the ongoing conflict, **HCR** continues to deliver essential food and financial aid, bringing hope in the darkest times.

At **HCR**, we not only respond to emergencies but also focus on breaking the cycle of poverty. Through long-term projects like sewing schools, schools for deaf and mute children, facility support for schools, and adult skill training centres, we empower communities to build a sustainable future.

None of this would be possible without your unwavering support, which allows us to make a real difference.

**Jazak'Allah Khair – may Allah accept all our efforts to uplift the Ummah.**

The financial statements have been prepared in accordance with the Charities Statement of Recommended Practice (SORP) and the Financial Reporting Standard applicable in the UK (FRS 102), effective from 1 January 2019.

## OBJECTIVES AND ACTIVITIES

### Objectives and Aims

Our charity's purposes, as outlined in our governing document, are to:

1. Provide relief to individuals and communities experiencing financial hardship or suffering due to natural or other disasters. This includes offering financial support, medical aid, and other essential resources.

2. Alleviate poverty in the UK and worldwide by delivering grants, goods, and services to those in need, as well as working alongside other charities and organisations dedicated to poverty relief.

## Key Activities

We have been actively providing food, clean water, and medical supplies to vulnerable individuals and communities in the UK, Yemen, Gaza, Syria, Turkey, Bangladesh, Uganda, Morocco and Pakistan.

To support our mission, we conduct public fundraising campaigns through social media and Google, relying on voluntary donations from the public. All campaigns are inclusive and do not target any specific individual, organisation, or community group, ensuring a fair and open approach to fundraising.

This report highlights our ongoing commitment to supporting vulnerable communities, made possible by the generosity of our supporters.
