- We have been able to engage with members of the public and share the Christian faith through the various church services we have held. Many people have shared how this opportunity has helped them to change their focus and give them direction in life.
- Our Bible College has continued to be a great success; we have enrolled 40+ students in Uganda and several students in the UK. They have successfully completed their studies and graduated with us. Many of the Ugandan Students have been able to progress in ministry through the teaching they have received.
- We have held Leadership training seminars both in the UK and Uganda for leaders in Christian Ministry. This has supported them in developing their leadership skills and to engage with people in their local communities.

- Through our team in Uganda we provided food, medical resources, clothes and shoes for children and the elderly.
- Our YouTube channel has continued to grow and we have gained new subscribers. Our live streaming has continued to be a success with more people watching live. This has been beneficial to those who are ill and are not able to attend the services in the church building. We have received positive feedback from our subscribers on the benefits of our YouTube ministry.
- Through a small grant we received we were able to support families with food and other provisions.

Section E Financial review

Brief statement of the charity's policy on reserves

The charity holds reserves to ensure expenses can be met in the event of a shortfall in income

Details of any funds materially in deficit

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

The main source of income is through members donations, through this we have been able to advance the Christian faith through various means including evangelical events, seminars, church services etc

Our Lease for the building was renewed in July 2024, which meant an increase in rent. However, donations and income received has ensured that we have been able to meet this increase.

Through our missions' expenses we have been able to engage with a range of people through our team in Uganda, who have assisted the elderly, children and people training to be ministers of the Gospel.
