## Trustees' Report

The trustees, who are directors for the purposes of company law, present the annual report together with the financial statements of the charitable company for the year ended 31 March 2025.

### Objectives and activities

#### *Objects and aims*

A charity run by volunteers that is focused on reducing infant mortality within UK, East Africa and India. Our aim is to fund medical teams & to fund education of children and adults who need extra help. Our passion is also animals (domestic and wild), and we provide funding for UK medical and social projects assisting the vulnerable and elderly.

The objects of the CIO are, for the benefit of the public:

- (a) The relief of financial need and suffering among people in any part of the world, and In East Africa, India and the United Kingdom in particular, who are victims of natural or other kinds of disaster or catastrophe.
- (b) The prevention or relief of poverty and sickness including by relieving poverty and sickness in countries which are suffering from the effects of drought.
- (c) The advancement of health or the saving of lives including by raising awareness of stillbirth and neonatal death through education, training and community projects.
- (d) The care and protection of domestic and wild animals of all kinds in need of care and attention by reason of sickness, maltreatment, poor circumstances, ill-usage, and other similar causes and the prevention of cruelty to and suffering among such animals.
- (e) The advancement of education of people under the age of 25 in any part of the world, and in East Africa, India and the United Kingdom in particular, including by providing and assisting in the provision of facilities or educational materials.

## **Trustees' Report**

### ***Objectives, strategies and activities***

Bubbles and Stars is pleased to report that our focus this year has remained on identifying sustainable and restorative projects across Kenya and the United Kingdom. Our seed funding has always played a vital role in helping small initiatives take root, grow, and create meaningful impact.

During this financial year, despite making a number of enquiries, we did not identify any new start-up projects where we felt our funds would be used effectively or deliver the level of impact we seek to achieve.

In January, it became clear that significant aid from several US-based organisations to Kenyan community projects had been withdrawn. As a result, our trusted contact in Kenya approached us with an urgent request: to provide daily lunches for children at a primary school on the outskirts of Nairobi for a period of one year. For many of these children, this nourishing meal may be the only food they receive each day, making this support essential to their wellbeing.

We have also continued our commitment to the children at the Ngong Dumpsite Kids Club. This year, Bubbles and Stars funded the construction of a kitchen, as well as providing resources for gifts and a Christmas celebration. Through this ongoing support, we aim to offer these children a safe and encouraging environment where they can thrive academically and build a brighter future.

Bubbles and Stars continue to operate entirely on a voluntary basis. In the coming year, we will maintain our efforts to identify impactful projects in Kenya, while also placing renewed emphasis on supporting small, sustainable initiatives within the UK that align with our mission.

## Trustees' Report

### Public benefit

The trustees confirm that they have complied with the requirements of section 17 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

## Trustees and officers

The trustees and officers serving during the year and since the year end were as follows:

Trustees: Mr Rahul Shah  
Mrs Trupti Shah

## Structure, governance and management

### **Objectives and policies**

The charity's activities expose it to a number of financial risks including credit risk, cash flow risk and liquidity risk. The use of financial derivatives is governed by the charity's policies approved by the board of trustees, which provide written principles on the use of financial derivatives to manage these risks. The charity does not use derivative financial instruments for speculative purposes.

### Cash flow risk

The charity holds sufficient cleared funds at the bank to ensure the certainty of meeting its financial obligations.

### Credit risk

The charity's principal financial assets are bank balances and cash, trade and other receivables.

The charity's credit risk is primarily attributable to its donations receivables. The amounts presented in the balance sheet are net of allowances for doubtful receivables. An allowance for impairment is made where there is an identified loss event which, based on previous experience, is evidence of a reduction in the recoverability of the cash flows.

The credit risk on liquid funds and derivative financial instruments is limited because the counterparties are banks with high credit-ratings assigned by international credit-rating agencies.

The charity has no significant concentration of credit risk, with exposure spread over a large number of donors.

**Liquidity risk**

In order to maintain liquidity to ensure that sufficient funds are available for ongoing operations and future developments, the charity hold a sufficient cash balance in instant access accounts with reputable UK financial institutes.

Further details regarding liquidity risk can be found in the Statement of accounting policies in the financial statements.

## Trustees' Report

### Statement of trustees' responsibilities

The trustees (who are also the directors of Bubbles and Stars for the purposes of company law) are responsible for preparing the trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland".

Company law requires the trustees to prepare financial statements for each financial year. Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including its income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards, comprising FRS 102 have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping proper accounting records that can disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

The annual report was approved by the trustees of the charity on 21 December 2025 and signed on its behalf by:

## Independent Examiner's Report to the trustees of Bubbles and Stars ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 March 2025.

### Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

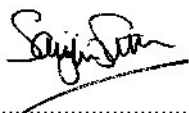

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

### Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of Bubbles and Stars as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

## Notes to the Financial Statements for the Year Ended 31 March 2025

### 1. Charity status

The charity is incorporated in England as a Charitable Incorporated Organisation (CIO), Foundation model, and consequently does not have share capital. Each of the trustees is liable to contribute an amount not exceeding £Nil towards the assets of the charity in the event of liquidation.

The address of its registered office is:

8 Farm Close  
Cuffley  
Hertfordshire  
EN6 4RQ

These financial statements were authorised for issue by the trustees on 21 December 2025.

### 2. Accounting policies

#### Summary of significant accounting policies and key accounting estimates

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

#### Statement of compliance

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)) (issued in October 2019) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

#### Basis of preparation

Bubbles and Stars meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

#### Going concern

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern nor any significant areas of uncertainty that affect the carrying value of assets held by the charity.

#### Exemption from preparing a cash flow statement

The charity opted to early adopt Bulletin 1 published on 2 February 2016 and have therefore not included a cash flow statement in these financial statements.

#### Income and endowments

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received, and the amount of the income receivable can be measured reliably.

# Bubbles and Stars

## Notes to the Financial Statements for the Year Ended 31 March 2025

### Donations and legacies

Donations are recognised when the charity has been notified in writing of both the amount and settlement date. In the event that a donation is subject to conditions that require a level of performance by the charity before the charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the charity and it is probable that these conditions will be fulfilled in the reporting period.

### Expenditure

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings, they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

### Charitable activities

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

### Governance costs

These include the costs attributable to the charity's compliance with constitutional and statutory requirements, including audit, strategic management and trustees meetings and reimbursed expenses.

### Taxation

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

### Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

### Borrowings

Interest-bearing borrowings are initially recorded at fair value, net of transaction costs. Interest-bearing borrowings are subsequently carried at amortised cost, with the difference between the proceeds, net of transaction costs, and the amount due on redemption being recognised as a charge to the Statement of Financial Activities over the period of the relevant borrowing.

Interest expense is recognised on the basis of the effective interest method and is included in interest payable and similar charges.

Borrowings are classified as current liabilities unless the charity has an unconditional right to defer settlement of the liability for at least twelve months after the reporting date.

# Bubbles and Stars

## Notes to the Financial Statements for the Year Ended 31 March 2025

### Foreign exchange

Transactions in foreign currencies are recorded at the rate of exchange at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies at the balance sheet date are reported at the rates of exchange prevailing at that date.

The results of overseas operations are translated at the average rates of exchange during the period and their balance sheets at the rates ruling at the balance sheet date. Exchange differences arising on translation of the opening net assets and results of overseas operations are reported in other comprehensive income and accumulated in equity (attributed to non-controlling interests as appropriate).

Other exchange differences are recognised in the Statement of Financial Activities in the period in which they arise except for:

- 1) exchange differences on transactions entered into to hedge certain foreign currency risks (see above).
- 2) exchange differences arising on gains or losses on non-monetary items which are recognised in other comprehensive income; and
- 3) in the case of the consolidated financial statements, exchange differences on monetary items receivable from or payable to a foreign operation for which settlement is neither planned nor likely to occur (therefore forming part of the net investment in the foreign operation), which are recognised in other comprehensive income and reported under equity.

### Fund structure

Unrestricted income funds are general funds that are available for use at the trustees discretion in furtherance of the objectives of the charity.

### 3. Income from donations and legacies

	Unrestricted funds General £	Total 2025 £	Total 2024 £
