

YOUTH EMPLOYMENT STRATEGY (YES)

Together, delivering better employment opportunities for our young people

Chair's Report AGM

I would like to start by paying a tribute to our founder and inspiration Norma Green OBE who sadly passed away last year. Shee was the driving force to all that was successful in WA, including YES. Thank you to everyone who donated to Yes in her memory, we received over £200 which is a great treatment to how many people were touched by her life.

We had a very good year, huge thanks you all.

We established new partnerships with EY Foundation, Essex B&GC & Livery Schools Link

And we had a very well attended and successful relaunch of IYP, which was re-branded as a celebration event. It was cost neutral thanks to donations from Sara P, Howard G, and PK, and we even fundraised on the night and through our new brochure. Thank you too to John Price for the fantastic video. Great PR.

Unfortunately, just as we were getting going with many new partnership/initiative C19 and lockdown happened.

April 30th. Davenant / ESJ (booked)

June 4th Debden Park / KHA – both cancelled

We have been meeting monthly despite C19 restrictions over Zoom, but unable to plan because of the uncertainty with the schools.

The forthcoming year will be very challenging for the schools, and we must be flexible to adapt our programme to the circumstance that we find ourselves in.

Thanks to our grant funders/fundraiser/sponsors

Hill £2000

Charles French Trust £2000

Lee Brace £2k

Josh O'Brien (Tesco) £850
