Together, delivering better employment opportunities for our young people

Chair's Report AGM

2<sup>nd</sup> Sept 2022

We've had a very well successful relaunch of our Conferences in March 2022 after the Covid 19 cancellations. All the schools were very pleased to participate again, and the students were very much engaged. We had two new presenters, Sejal Chana and Ben Adetimole, who have re-designed the MOT Conference with great success.

Our thanks go to all the Facilitators, John Price who is our official photographer, The Waltham Abbey Marriott Hotel

Our Conferences have always been very well received but after a review and consultation with the schools we decided further student support in year 13 would be beneficial. We have agreed to start a pilot Mentoring Programme at King Harold Academy starting in Sept 2022, with a view to expanding it to include more schools in 2023 & 2024.
