Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

All the Other Lucys (ATOL) was set up in 2017 to provide a self-sustaining community for adults with Autism and give them the chance to make a contribution to their community and to the economy.

After fundraising in previous years, during the year ATOL successfully commenced activities in Yeovil.

In doing this the Trustees have ensured that they have had regard to the relevant guidance on acting for the public benefit.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Achievements and performance

Section D

Achievements and performance

Summary of the main achievements of the charity during the year

2019 has seen the start of operations. A General Manager was appointed, a suitable property secured, support staff employed and three residents moved in during September.

For the time being the Trustees have decided to rent suitable properties rather than acquire them. The first property, Fairport House in Langport, is a large modern semi-detached property with a good-sized garden. It has space for at least four residents.

Seven support staff, (made up of 3 regular hours and 4 relief carers) all with the appropriate skills and experience, have been recruited locally to provide suitable care and support. They have been employed directly by ATOL.

Income is now received from the support packages for each of the first three residents. It comes direct to ATOL from the relevant Local Authority. In addition, ATOL receives income to offset the costs of accommodation.

ATOL also continues to receive charitable donations.

Section E

Financial review

Brief statement of the charity's policy on reserves

Reserves are held in cash at the bank. Once the operation has settled down at the first house the intention is to use any surplus from fundraising to develop further locations.

Details of any funds materially in deficit

None

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

The initial fundraising from previous and the current years has been used to fund the losses on start up prior to securing steady state income.

Section A Independent Examiner's Report

Report to the trustees	All The Other Lucys		
On accounts for the year ended	31 December 2023	Charity no (if any)	1175154
	Set out on pages 1-23		

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 31 December 2023.

Responsibilities and basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of the Institute of Chartered Accountants in England and Wales, which is one of the listed bodies.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

<p>All the Other Lucys (ATOL) was set up in 2017 to help address what happens to the increasing number of children that are diagnosed somewhere on the Autistic spectrum each year. They are usually provided with some form of care and schooling during their early years through to adulthood and perhaps initial work experience.</p> <p>For many that provision falls away as they reach adulthood - at a time in</p>

their lives when they might be a small step from reaching a sustainable level of independence and self-sufficiency. They may have to give up any thought of limited employment or living on their own. As a result perhaps as many as 80% of adults with Autism are not in the workforce. But it has been estimated that more than one-in-five would find a far greater level of self-actualisation with a job and the sense of usefulness that an occupation provides.

ATOL will provide Supported Living in a domiciliary care setting, allowing service users to access work experience, internships, volunteering & hopefully paid employment whilst enjoying a caring familiar home setting with likeminded people. ATOL will ensure access to social activities and our people will develop skills to help them achieve higher levels of independent living e.g. catering/gardening.

The trustees have paid due regard to the guidance issued by the Charity Commission on public benefit.

Section D

Achievements and performance

Summary of the main achievements of the charity during the year

Once again the Trustees are particularly grateful for the hard work of Steve Dawson, General Manager, and his excellent team of support staff.

During the year the level of activities was further expanded in preparation for the next stage of ATOL's development by taking on a second property.

The addition of a vehicle has expanded the scope for the tenants to travel to work and activities.

Section E

Brief statement of the charity's policy on reserves

The charity has no reserves policy, as funds are saved for future development.

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination (other than that disclosed below *) which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

ALL THE OTHER LUCYS

ANNUAL RETURN to 31 December 2021.

1. Background

All the Other Lucys (ATOL) was set up in 2017 to help address what happens to the increasing number of children that are diagnosed somewhere on the Autistic spectrum each year. They are usually provided with some form of care and schooling during their early years through to early adulthood and perhaps initial work experience.

For many that provision then falls away at a time in their lives when they might be a small step from reaching a sustainable level of independence and self-sufficiency. They may have to give up any thought of even limited employment or living on their own. As a result perhaps as many as 80% of adults with Autism are not in the workforce. But it has been estimated that more than one-in-five would find a far greater level of self-actualisation with a job and the sense of usefulness that an occupation provides.

To meet this demand ATOL was set up to provide:

- Managed accommodation for small groups of young adults with autism and/or learning disabilities
- Access to fulfilling and meaningful local employment
- 24/7 care and supervision

Four to five young adults would be offered accommodation, care and support in a house provided by ATOL who would also make arrangements for suitable local employment. A number of houses would then be developed with central support provided to the network.

While ATOL may provide advice and guidance on funding, the residents would be expected to secure their own Benefits provision themselves and otherwise provide their own funds. It was expected that each house would become self-financing from funds provided by the residents and would

make a contribution to the costs of the small central management and support network.

2. Trustees

The following served as Trustees during the year:

Bridget Wood	appointed 26 April 2017	Chairman
Robin Gisby	appointed 26 April 2017	Treasurer
Sarah Speake	appointed 27 Nov 2017	
Mel Eggleton	appointed 27 th Feb 2019	Secretary
Jo Adams	appointed 4 th June 2019	

The Trustees have previously noted that both Bridget Wood and Jo Adams are each a parent of a beneficiary of ATOL and that they would keep under review any potential Conflict of Interest.

3. Developments during the period to 31 December 2021

Having been established shortly before the start of Covid 19 pandemic ATOL has emerged in in good shape. The operation at Fairport House is working well. The tenants are content and secure and the quality of support has been recognised by others.

Once again the Trustees are particularly grateful for the hard work of Steve Dawson, General Manager, and his excellent team of support staff.

During the year the level of activities was expanded in preparation for the next stage of ATOL's development. This will include CQC Registration and providing support for more tenants by taking on a second property.

4. Financial Performance

ATOL started the year with a balance of £41,152. The financial performance compared with the previous year is set out below.

		2021	2022
Open		32,905	41,152
Care		20,844	17,808
House		8,024	8,057
Central		0	0
Other		-19,431	-29,256
Capital		-1,190	-3,880
Donations		0	0
Total		8,248	-7,271
Close		41,152	33,881

The variances in Care and Other costs are largely due to timing differences and some changes in activity during Covid. The financial statements are being recast for 2022 to reflect the expanded operation.

A cashflow statement is at attachment 1.

5. Current position

ATOL is now ready to develop its operating model further in the Yeovil area. It may add a further tenant to the current house while also securing a further property for three to four tenants.

To help support these further developments the Trustees have been delighted to welcome Dave Sweet as an additional Trustee as he has a wealth of relevant experience.

The Trustees have noted that both Bridget Wood and Jo Adams are each a parent of a beneficiary of ATOL and that they would keep under review any potential Conflict of Interest.

3. Developments during the period to 31 December 2020

Following its start up in 2019 ATOL moved to a steady operation as it continued its activities in Yeovil to support the three residents at Fairport House. It has been able to confirm that its funding model works both for this first location and as a basis for further expansion.

The Trustees are particularly grateful for the efforts of Steve Dawson, General Manager, and the support staff in dealing with the additional impact of Covid which presented significant extra challenges. The right protocols were put in place and the risks managed during the various stages of the lockdowns during the year.

ATOL was also able to confirm that its operating model should enable it to expand to another location. It did not require any further donations. Income for Care and Accommodation settled down at around £14k and £2.3k a month respectively. After meeting the costs of the residents there was a sufficient surplus to meet the central costs of the General Manager who in more normal times would now have the capacity to take on a further property. However given the continuing impact of Covid it was decided to delay any further expansion.

4. Financial Performance

ATOL started the year with a balance of £32,905. The net income from Care was £20,844 and Accommodation was £8,024. Other costs, net of some small items of income, were £20,620. There was no income from

Donations (2019: £13,716). Capital expenditure was £1,190 (2019: £4,332). The bank balance at 31 December 2020 was £41,152. A cashflow statement is at attachment 1.

5. Current position

ATOL is performing well despite the very difficult circumstances created by the continuation of Covid in to 2020. It is now preparing for further expansion. As with the first house this will be funded by a mix of current reserves, further donations and the income from residents. A website has been prepared to support the marketing of a further location - <https://www.alltheotherlucys.org/> . A decision to expand will be taken in due course when the Covid situation improves.
