

Trustees annual Report  
Barton Evangelical church  
Charity 1175155

2021-22 was a year in which the work of the charity reverted to more normal activities

The pandemic eventually passed and the work on Sundays became regularised.

Attendance returned to levels seen before the pandemic hit, youth and childrens activities also regained their former momentum

The work of these aspects took on greater significance as numbers increased slightly

The other work of the church including that among older folk became increasingly helpful for both providing spiritual help and as a warm space for those in contact with the church who found the rising cost of living a burden.

The full time employees in the church did not change

The work of the charity in funding work abroad did not change

The work continued to support ministries in Bosnia Niger and Spain

Attendance on the Sunday services increased and new members were added to the church.

This explains the increase in income.

The cost of living increases also impacted on the payment of the pastor whose salary was subsequently increased in line with inflation

<b>BALANCE SHEET</b>			
05 April 2021			
Cash held by Louise Stanfield	66.96		
Bank Current	35,353.48		
Bank Reserve	229.89		
		35,650.33

**RE: Barton Evangelical Church [Charity No: 1175155]**  
**Independent inspection of accounts for April 2021-March 2022]**

I can confirm that I have carried out an examination of the financial accounts for the above charity covering the period from 1.4.2021 – 31.3.2022.

This examination is based upon the accounting records provided by the Trustees. It is your responsibility to satisfy yourselves that the audit requirement of the Charities Commission does not apply and that only an independent examination is required.

In connection with my examination, no matter has come to my attention that would give me cause to believe that these accounts are not a true and accurate reflection of the financial position.

Gareth Cresswell
