Review of activities

The organisations, groups and individuals applying for funding specify what the grant is required for. The Foundation regularly gets updates from successful applicants with information on how the grants have been used. The information gathered is assessed against the original grant application's stated requirements.

Here are some examples of the grants we have allocated:

Shrewsbury and Newport Canals Trust:

Hello,

I'm writing to you today on behalf of the Shrewsbury and Newport Canals Trust for whom I am a volunteer and fundraiser, to express my gratitude to yourselves and particularly Josh Feehan with whom I had several conversations.

We are so happy that you have chosen to support us in this way and especially at this time. Part of our project is taking place at Wappenshall, TF6 6DE. There we are restoring 2 warehouses that date back to the industrial revolution. One is to become a museum dedicated to the man that our town is named after, Thomas Telford. The other which will be opening later this spring as a cafe with a meeting room for local groups to use. This though is only a small part of our work and aims for the future. Currently we have other groups across Shropshire at Newport, Rodington and Shrewsbury. Meaning that most weeks we will have upwards of 50 volunteers all giving their time freely and with the aim to join our 2 historic canals back to the national network at Norbury. We also have a team at Norbury (Staffordshire); the other end of the Newport canal; working to restore 2x 1936 Narrowboats that will be berthed at Wappenshall when the work is finished. Under the conditions of the grant you have deemed us worthy of will be used in Shropshire.

Once more I must express my delight at receiving this wonderful gift. Should anyone from the Foundation like a tour of any of our workplaces we would be delighted to show you around whenever it is safe to do so. Also, if you would like further updates, I would be more than happy to oblige.

Best Regards

Teens with Tots

I hope all is well with you.

The group is going from strength to strength.

We are establishing nicely, I'm so proud.

I'd just like to say a massive thank you for the support you gave me from the start.

We have now been running for a whole year!!!

To celebrate & thank everyone I'm having a little gathering.

SHINE

The Wynn Foundation were kind enough to give shine a grant of £1000 earlier this year. To help update you on what we have been doing as a charity I thought you may like to see the latest edition of Together magazine which we send out to our members. This shows some of the things we do to support our members, some of their stories and other articles.

So far in 2024 in Shropshire we have welcomed 8 new members bringing the total to 154. Our youngest new member was born in February and has Spina bifida.

We have had 58 enquiries from 25 members in Shropshire. Some of these enquiries are answered very simply however about 30% require more intensive support from our Support Development Worker or our specialist teams which has included help with bladder and health issues, helping with benefit forms and education support to name only a few.

Thank you for your support and the faith that you have shown in the work that we do supporting our members in Shropshire.

Investment performance

Investments are in a low-medium risk portfolio which is independently managed.

Financial review

Going concern

After making appropriate enquires, the Trustees have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the accounting policies.

Reserves policy

The money was put into the Wynn Foundation as a perpetual fund. We anticipate distributing between £40,000 and £80,000 per annum, mainly using interest received from the investment of the majority of the initial funds invested of £750,000. The funds have been responsibly invested to earn interest for this purpose and thus keep the charity going in perpetuity. The charity's policy is to hold a minimum of £40,000 as a reserve at all times.

The Statement of the Financial Activities shows total funds of the charity at 31 March 2025 were £606,910 (2024: £688,390), of this £606,910, represents the free reserves surplus.

Structure, governance and management

Constitution

Organisational structure

There is one Chair Person, elected by the other committee members. There are six Trustees on the committee.

The Trustees, who are also the directors for the purpose of company law, and who served during the year and up to the date of signature of the financial statements were:

Mrs J B Wynn

Mr L R Feehan
Mrs H Smith
Mr J Feehan
Mrs C Stokes

Appointment of Trustees

The management of the company is the responsibility of the Trustees who are elected and co-opted under the terms of the Memorandum of Association.

Finance person

The committee utilises a treasurer. Accounts are prepared by Dyke Yaxley Accountants.

The committee is made up of Trustees and members who support and maintain the Wynn Foundation. There is also one secretary to provide administrative and professional support. The secretary is not a Trustee.

Meetings and governance

Meetings are held once a quarter, being a total of four meetings a year and an AGM. Meetings are held to discuss all aspects of the Wynn Foundation's requirements.

Grant applications are distributed to the members on receipt, they then research and follow up on applications, and present their findings at each quarterly meeting. The Trustees discuss the applications and make a decision about the awarding of a grant to organisations who have applied.

Agendas and minutes will be created, disseminated to all interested parties and stored securely to provide a full account and record of the meetings.

New Trustees are inducted into the workings of the Charity, including policies and procedures, and provided with appropriate supporting information.

Financial risk management

The Trustees have assessed the major risks to which the company is exposed, in particular those related to the operations and finances of the company, and are satisfied that systems and procedures are in place to mitigate exposure to the major risks.

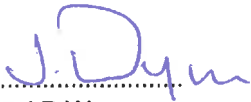

Plans for future periods

Going forward the Wynn Foundation will continue to carry on in perpetuity, meeting its charitable objectives and using the income from invested funds for the distribution of grants. We have now got all structures and governance in place to operate the charity in the way we intended when setting it up. We have established a website and applicants can apply both online or by postal application.

As the Trustees of the Foundation (and also its directors for the purposes of company law), you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006.

- 3 the financial statements do not comply with the accounting requirements of section 396 of the Companies Act 2006 other than any requirement that the financial statements give a true and fair view, which is not a matter considered as part of an independent examination; or
- 4 the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their financial statements in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2025

1 Accounting policies

Charity information

Wynn Foundation Limited is a private company limited by guarantee incorporated in England and Wales on 18 May 2017, company number 10778571. The registered office is Cosford Grange, Holyhead Road, Cosford, Shifnal, Shropshire, TF11 9JB. The Charity is governed by its Memorandum and Articles of Association dated 2 May 2017. Each of the Trustees of the Charity agree to contribute £1 in the event of the Charity winding up.

1.1 Accounting convention

The financial statements have been prepared in accordance with the Foundation's Memorandum and Articles of Association, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)". The Foundation is a Public Benefit Entity as defined by FRS 102.

The Foundation has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The financial statements are prepared in sterling, which is the functional currency of the Foundation. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the Trustees have a reasonable expectation that the Foundation has adequate resources to continue in operational existence for the foreseeable future. Thus the Trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the Trustees in furtherance of their charitable objectives.

1.4 Income

Income is recognised when the Foundation is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

On receipt, donated professional services and donated facilities are recognised on the basis of the value of the gift to the company which is the amount the company would have been willing to pay to obtain services or facilities of equivalent economic benefit on the open market; a corresponding amount is then recognised in expenditure in the period of receipt.

Income tax recoverable in relation to investment income is recognised at the time the investment income is received.

1.5 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges are allocated on the portion of the asset's use.

WYNN FOUNDATION LIMITED

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2025

1 Accounting policies

All expenditure is inclusive of irrecoverable VAT.

1.6 Fixed asset investments

Fixed asset investments are initially measured at transaction price excluding transaction costs, and are subsequently measured at fair value at each reporting date. Changes in fair value are recognised in net income/(expenditure) for the year. Transaction costs are expensed as incurred.

1.7 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

Review of activities

The organisations, groups and individuals applying for grants specify what the grant is required for. The Foundation regularly gets updates from successful applicants with information on how the grants have been used. The information gathered is assessed against the original grant application's stated requirements. Here are some examples of the grants we have allocated:

Headway Shropshire

Email received from operations manager:

"I hope this email finds you well. I am writing to express our sincere gratitude for the opportunity to meet Graham yesterday, where he presented us with a generous cheque for our computer room at Headway Shropshire. We are thankful for the support from The Wynn Foundation, and we are excited about the positive impact this grant will have on our computer room. We want to extend our gratitude to Graham and the Wynn Foundation for their commitment to empowering community initiatives. If there are any additional details or requirements for the website listing, please let us know. Once again, thank you for the invaluable support and we look forward to the positive changes ahead".

Safe Places Shropshire

Card of thanks received from the chair.

Shine

"Dear Claire, Thank you from us all at Shine for your donation of £1,000 to support our members in Shropshire which arrived safely today. The Wynn Foundation are a new supporter for Shine and we really appreciate your confidence in us to deliver help and support to our 147 member of all ages in Shropshire. Your contribution will help us to offer anyone affected by spina bifida or hydrocephalus free, lifelong membership to our organization. Our members continue to tell us how much this means to them. They highlight the value of our expert knowledge, which gives them the confidence, knowledge and resilience they need to manage long term health issues. They value the reassurance and support we provide, and the comfort of knowing that we can be relied on at every stage of their lives and they tell us that we give them a sense of belonging by connecting them to people who share similar conditions. Your support means that we can staff our services, produce resources and hold events this year but ultimately it means that our members have a sense of stability and community that keeps them going. In the words of Rose whose daughter has spina bifida; Shine is the only organisation that sees Carys as Carys, the whole beautiful magical person that she is all at once. There is not one aspect of her life that Shine has not been involved in. Shine have given us their time in abundance and shown us so much love over the years, the best gift of all. We could not achieve this without you. Thank you for playing such an important part in our work. Please accept this correspondence as confirmation of receipt of funds. We look forward to updating you on our continued progress and wish you well."

Age UK

"Dear Luke, I hope this letter finds you well. I wanted to take a moment to express my heartfelt gratitude to you and the other trustees at the Wynn Foundation for awarding us a grant of £1,000 towards our volunteers Christmas lunch. Every year we bring our volunteers together to celebrate their efforts and treat them to a Christmas lunch. Its a lovely social event to say thank you and our volunteers in different departments get to meet each other and socialize outside their usual volunteering roles. With lots of charities looking at budgets and making cuts, we really appreciate the support in ensuring this event continues and we can still show our appreciation for the people who make our services what they are today. We are committed to making later life the best it can be for every local older person. Any donation of funds raised in aid of Age UK Shropshire Telford & Wrekin stay within the county of Shropshire & Telford. We are independent from the national Age UK charity, so every penny donated to us counts. Please accept this letter as a receipt for the cheque."

Financial review

Going concern

After making appropriate enquires, the Trustees have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the accounting policies.

Reserves policy

The money was put into the Wynn Foundation as a perpetual fund. We anticipate distributing between £40,000 and £80,000 per annum, mainly using interest received from the investment of the majority of the initial funds invested of £750,000. The funds have been responsibly invested to earn interest for this purpose and thus keep the charity going in perpetuity. The charity's policy is to hold a minimum of £40,000 as a reserve at all times.

The Statement of the Financial Activities shows total funds of the charity at 31 March 2024 were £688,390(2023: £694,903), of this £688,390, represents the free reserves surplus.

Structure, governance and management

Constitution

The Foundation is a company limited by guarantee, incorporated in England and Wales on 18 May 2017, governed by its Memorandum and Articles of Association dated 2 May 2017.

It is registered as a charity with the Charity Commission in England and Wales, registered charity number 1175210. Each of the Trustees agree to contribute £1 in the event of the charity winding up.

WYNN FOUNDATION LIMITED

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2024

Organisational structure

There is one Chair Person, elected by the other committee members. There are six Trustees on the committee.

The Trustees, who are also the directors for the purpose of company law, and who served during the year and up to the date of signature of the financial statements were:

Mrs J B Wynn
Mr G R Wynn
Mr L R Feehan
Mrs H Smith
Mr J Feehan
Mrs C Stokes

Appointment of Trustees

The management of the company is the responsibility of the Trustees who are elected and co-opted under the terms of the Memorandum of Association.

Finance person

The committee utilises a treasurer. Accounts are prepared by Dyke Yaxley Accountants.

The committee is made up of Trustees and members who support and maintain the Wynn Foundation. There is also one secretary to provide administrative and professional support. The secretary is not a Trustee.

Meetings and governance

Meetings are held once a quarter, being a total of four meetings a year and an AGM. Meetings are held to discuss all aspects of the Wynn Foundation's requirements.

Grant applications are distributed to the members on receipt, they then research and follow up on applications, and present their findings at each quarterly meeting. The Trustees discuss the applications and make a decision about the awarding of a grant to organisation who have applied.

Agendas and minutes will be created, disseminated to all interested parties and stored securely to provide a full account and record of the meetings.

New Trustees are inducted into the workings of the Charity, including policies and procedures, and provided with appropriate supporting information.

Financial risk management

The Trustees have assessed the major risks to which the company is exposed, in particular those related to the operations and finances of the company, and are satisfied that systems and procedures are in place to mitigate exposure to the major risks.

Plans for future periods

Going forward the Wynn Foundation will continue to carry on in perpetuity, meeting its charitable objectives and using the income from invested funds for the distribution of grants. We have now got all structures and governance in place to operate the charity in the way we intended when setting it up. We have established a website and applicants can apply both online or by postal application.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

FOR THE YEAR ENDED 31 MARCH 2024

The Trustees, who are also the directors of Wynn Foundation Limited for the purpose of company law, are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company Law requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Foundation and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that year.

In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Foundation will continue in operation.

The Trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the Foundation and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Foundation and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2024

1 Accounting policies

Charity information

Wynn Foundation Limited is a private company limited by guarantee incorporated in England and Wales on 18 May 2017, company number 10778571. The registered office is Cosford Grange, Holyhead Road, Cosford, Shifnal, Shropshire, TF11 9JB. The Charity is governed by its Memorandum and Articles of Association dated 2 May 2017. Each of the Trustees of the Charity agree to contribute £1 in the event of the Charity winding up.

1.1 Accounting convention

The financial statements have been prepared in accordance with the Foundation's Memorandum and Articles of Association, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)". The Foundation is a Public Benefit Entity as defined by FRS 102.

The Foundation has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The financial statements are prepared in sterling, which is the functional currency of the Foundation. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the Trustees have a reasonable expectation that the Foundation has adequate resources to continue in operational existence for the foreseeable future. Thus the Trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the Trustees in furtherance of their charitable objectives.

1.4 Income

Income is recognised when the Foundation is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

On receipt, donated professional services and donated facilities are recognised on the basis of the value of the gift to the company which is the amount the company would have been willing to pay to obtain services or facilities of equivalent economic benefit on the open market; a corresponding amount is then recognised in expenditure in the period of receipt.

Income tax recoverable in relation to investment income is recognised at the time the investment income is received.

1.5 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges are allocated on the portion of the asset's use.

FOR THE YEAR ENDED 31 MARCH 2024

1 Accounting policies

(Continued)

Expenditure on charitable activities is incurred on directly undertaking the activities which further the company's objectives, as well as any associated support costs.

Grants payable are charged in the year when the offer is made, except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attached are fulfilled. These grants are noted as a commitment, but not accrued as expenditure.

All expenditure is inclusive of irrecoverable VAT.

1.6 Fixed asset investments

Fixed asset investments are initially measured at transaction price excluding transaction costs, and are subsequently measured at fair value at each reporting date. Changes in fair value are recognised in net income/(expenditure) for the year. Transaction costs are expensed as incurred.

1.7 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.8 Financial instruments

The Foundation has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the Foundation's balance sheet when the Foundation becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

1.9 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the company and which have not been designated for other purposes.

Investment income, gains and losses are allocated to the appropriate fund.
