

Communi-T report

REGISTERED CHARITY NUMBER: 1175304

“We are a social group for trans people and are welcoming to anyone who is on the trans spectrum. Based in Bournemouth, we hold group sessions in social settings for people aged over 18.

Come chat and chill with other like-minded people! We are a safe, social and supportive group. Sessions can run in local bars/pubs/restaurants as required and may vary.”

This last year we have been meeting for social groups fortnightly. Group members can order food and drink as required, but the venue does not charge us a fee for using it.

We have not generated any significant amount of money in the last year. We have had some small amount of income which has come via AmazonSmile to the sum of £68.97. This avenue or revenue will now cease as AmazonSmile will no longer support small charities. A total of £324.25 was paid for travel expenses, including parking and a group trip to Trans Pride Brighton in the Summer 2022.
