#### OBJECTIVE

3. The objective of the community, including its umbrella Ladies and Youth Committee, shall be:

3.1 To further or benefit the residents of Ashford Nepalese community and the neighbourhood, without distinction of sex, sexual orientation, race or of political, religious or other opinions by associating together the said residents and the local authorities, voluntary and other organisations in a common effort to advance education and to provide facilities in the interests of social welfare for recreation and leisure time occupation with the objective of improving the conditions of life for the residents.

- 3.2 Establish the identity of our Nepalese community within the ethnic minority communities within Ashford and integrate into the general society as responsible and caring citizens with the view of supporting and improving Ashford and provide assistance in liaison with the Borough Council and help to improve the social status of all.
- 3.3 Strive for the benefit of all Nepalese residents in the Community and the local community by identifying, profiling, learning and sharing the community members' talent, skills and knowledge with the general public to promote harmony and co-existence and creating civic awareness.
- 3.4 Maintain a close link with Nepal such that the Nepalese community in the UK preserves its national and cultural identity to benefit all Nepalese children and to teach and lead them in the right path.
- 3.5 Organise and hold shared social events with and within the wider Community to cultivate and maintain social cohesion.
- 3.6 Prepare a community profile and identify the needs and prospects of the Community and seek assistance from the Ashford Borough Council, Emergency Services and other government agencies, where necessary.
- 3.7 In furtherance of the above objectives but not otherwise, the trustees shall have power to establish or secure the establishment of a community centre and to maintain or manage or co-operate with any statutory authority in the maintenance and management of such a centre for activities promoted by the charity in furtherance of the above objectives.

### FROM A FEMALE ASPECT

The Rotary Club of Dover has a proud record of supporting many good causes within our local community. The very first project the club embraced back in 1922 was to create a Boot Fund so that local youngsters did not have to attend school barefoot.

Our soul is embedded with the heart of the Dover Community and is ongoing but we also belong to a wider, global network of Clubs who comprise Rotary International and so we also support other communities around the world who face grim, daily challenges. To that end we have linked up with the Rotary Club of Dhulikhel to improve the lives of children attending two schools in Southern Nepal.

The Shree Ichhewor School in Bardibas has 312 students, 16 teachers and 10 toilets, none of which I guarantee would you like to use. The Shree Rashtriya School in Dhanushadham, Janakpur fares even worse with 200 students and zero toilets. That's right not a single toilet in the whole school, so while boys might use a handy bush the girls have to seek facilities in local houses. We want to improve the lives of the children in both these Communities. Our project will see the installation of full WHO standard toilet blocks at each school along with proper drainage and full washing facilities. There will also be a programme of basic maintenance instruction for the staff and a full personal hygiene programme for the students in each school.

For further information about this project or to donate please scan the QR code on the back page or follow this link [justgiving.com/page/dover-rotary-nepal-project](https://justgiving.com/page/dover-rotary-nepal-project)

In some areas of the world, girls face significant challenges when they experience their menstrual period. The outdated stigma attached to this natural process, coupled with practical difficulties in obtaining suitable sanitary supplies, often prevents girls from attending school during these periods. This directly impacts their education and their ability to pursue career opportunities. We are fundraising to address this pressing issue and support these girls in need.

Your contribution will make a meaningful difference in providing access to essential sanitary supplies and empowering these girls to continue their education without interruption. Together, we can break down barriers and create a brighter future for these young individuals.

Your support will help us create a brighter future for these children and contribute to improving overall health and well-being in Southern Nepal.
