

Coalville Evangelical Church Trustees' annual report April 2021 – March 2022

Sunday services

These have been led by members of the Church, with the length of the service being shorter than in the past, to reduce the risk of passing on Covid. Starting in 2022 a visiting preacher has taken one service a month.

Sunday School

Attendance has been low, a 'Back to Basics' series has been taught, looking at a timeline of the main events in God's plan. We began to look at some of the big words in the Bible, like Justification, Sanctification, Grace and Faith.

Midweek meeting

This had been on Zoom for prayer until 3rd February 2022, then we started meeting in church again for Bible studies and prayer. We studied Church Unleashed for Easter.

Open Air Outreach

This year we have been handing out leaflets at the end of the precinct every fortnight. We used to meet in the church for a short word and prayer, but we have not been doing that since the pandemic started. We have written several of our own tracts this last year.
