Charity name: Sherford Church of England Community Church

Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	To advance the Christian faith for the benefit of the public in Sherford and the surrounding areas in accordance with the statements of belief appearing in the schedule.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	Throughout 2021 our weekly Sunday church services have remained our 'flagship' gatherings. Through these, residents of the town of Sherford are able to practise their Christian faith and explore the tenets of Christianity alongside others. During the months from 10th January to 4th April, we held our services exclusively online on the Facebook Live platform. We chose this platform, rather than another like Zoom, in order to make our services as widely available to the general public as possible. Because of the positive reception to our online services, and because of some church and community members' ongoing needs to shield or self-isolate, we continued live-streaming our services even when we began meeting in-person again from Easter Sunday onwards. As in the years since 2018, the wider public has particularly benefitted from our Sunday services on major calendar events, including Mothering Sunday, Easter Sunday, Father's Day, Remembrance Sunday and Christmas. Our Act of Remembrance was well-received, especially by the many military families in our community. Our open-air Christmas carol service was also well-received by the wider population, and was our best-attended service since the beginning of our church. Following on from our popular online carol service in December 2020, we again invited church and local community members to record themselves singing along to a popular

		Christmas Carol, and then produced a video combining all our performances together. This was played at a number of Christmas services, as well as being posted online for the community to enjoy. Alongside our Sunday services we have also run two regular evening groups, one for Christians wishing to explore their faith more deeply, and another for others wishing to explore the beliefs of the Christian faith for the first time. These have continued almost exclusively on Zoom since March 2020, with the exception of a few weeks meeting in the vicar's garden in the late Summer. While we had to close our parent and toddler group during the Spring months, we endeavoured to stay connected with the many families who have benefited from the group. We did this primarily by offering craft resources for the toddlers to use at home, and by encouraging connection on our busy Facebook group. In the early Summer we were able to run a weekly outdoor toddler group in the local Sherford Country Park, which was much appreciated by the community. From September onwards we were able to move indoors again, in the brand new Sherford Community Hub building. We have also taken as part of our objective the goal of growing and strengthening the local community. Our most important contribution in 2021 was partnering with other local organisations to put on a family fun day on Sunday 5th September as part of the celebration of the second leg of the <i>Tour of Britain</i> cycle race beginning in Sherford on the morning of Monday 6th September. At this event we gave away hundreds of take-away cream teas, and collected donations towards a hardship fund for a network of churches we support in Northern India. During the Winter of 2021 members of the church and local community started offering food parcels through the Sherford Mutual Aid Group. The church was pleased to partner with the MAG, particularly by holding and distributing grant funding towards the project that was awarded by Plymouth City Council. Just over half of the grant money was used to provide food boxes to families in need in the area, as well as storage facilities for dried goods that members of the community could take
--	--	--

		as and when needed. The rest of the grant money will be used in 2022 to cover further food parcels as needed. Rev. Tom Brassil (Mission Community Leader) has also played a key role in advocating for the community through his involvement in the Sherford Liaison Group (a group comprising local councillors and development officers, and representatives of the development consortium and the local community). To further this role he has also been involved in an initiative called Connecting Sherford, which brings together representatives of a diverse group of health and social care agencies (both those operating under Plymouth City Council and South Hams District Council remit). This group has effectively lobbied the development consortium to provide a temporary community building for Sherford, which was finally installed in Summer 2021.
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	All Trustees are fully aware of the CIO's role in providing public benefit across the whole geographical area of Sherford and beyond.

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	Our main achievements during the year have largely been listed above: Our parent and toddler group has successfully maintained contact with many of its clients, as well as contacting new clients. We had a good uptake when we were able to re-open an outdoor group in Summer 2021. Our Sunday morning congregation has been growing as well, with a number of people beginning to join in regularly via our Facebook Live streams. Although Facebook's metrics make this number difficult to quantify with certainty, our estimation is that at least 7 new people have joined us online, and a further 5 in-person. Financially our charity has continued growing in stability, with almost £20000 in regular giving from private donors connected to the charity showing a good deal of growth on last year's figures, despite the financial difficulties many have faced in the pandemic. We have worked hard on communication with donors, volunteers and the general public over the year. We have been growing and maintaining a list of contacts for our regular email newsletters through the popular Mailchimp platform: we have 67 supporters to whom we send out a quarterly update, and 48 contacts who receive a weekly e-newsletter. We have established ourselves online, with our website www.sherfordchurch.net kept up-to-date regularly with details of our activities and volunteers. Further, we have been growing our online presence through our Instagram feed and a Facebook page, with two accompanying Facebook groups. The social media aspect is of particular importance in the early stages of the Sherford town, where people communicate almost exclusively via Facebook in the absence of any physical community newsletters or noticeboards. Our biggest achievements are those which are less easy to quantify, namely the relationships built and strengthened in the local community. In 2018 we established ourselves as a trusted group that is seeking

		the good of the community in Sherford, and we have built further on this through our community work in 2019, 2020 and 2021. As noted above, Rev. Tom Brassil has been representing and advocating for the community through a number of channels. One sign of the warmth with which the community regards us is that they have welcomed our offers to pray regularly around and for the town. We have now been doing our weekly prayer-walk around Sherford for over two years. During this time the prayer walk has helped a number of local residents feel cared for both relationally and spiritually, as well as enriching the lives of our volunteers. Another sign was that the community specifically requested that we put on an open-air carol service in December as part of a wider community Christmas event. Even when much of the event had to be cancelled because of COVID concerns, they remained keen for the church event to go ahead.

Policies and procedures adopted for the induction and training of trustees	Para 1.51	In line with the Church of England volunteer recruitment policy, all trustees must complete an enhanced DBS check and undertake enhanced (leadership level) safeguarding training. This is high-quality training administered by the Exeter Diocesan Safeguarding Team.
The charity's organisational structure and any wider network with which the charity works	Para 1.51	Our charity operates under the umbrella of the Church of England, in the Diocese of Exeter. We receive oversight and support through the Diocese including optional training for our Trustees relevant to their respective roles, safeguarding advice through the Diocesan Safeguarding Team and other support as needed (including, where necessary, available help with running youth and children's groups, making our charity Dementia Friendly, support with media and PR, and legal assistance through the Diocesan Registrar). Our chief contact within the Diocese is the Archdeacon of Plymouth, the Ven. Nick Shutt, who has been appointed to the office of Visitor, with roles as set out in our Constitution. As part of the Diocese of Exeter we are entitled to representation on the local Plymouth Deanery Synod. The licensed Trustees (Rev. Tom Brassil and Andrew Williams) sit on this Synod by virtue of their respective Bishop's Licenses, and we currently have two further seats on the Synod, filled by two members of our church who, according to the legal structure of the CIO, are non-voting Members. The charity is set up to resemble a Church of England Parochial Church Council, with the Mission Community Leader taking the

		role as <i>ex officio</i> chair of Trustees in the same way as a Vicar is chair of the PCC. We have two Trustees nominated by the Lord Bishop of Exeter to mirror the position of Churchwarden in a PCC, and we have the option of electing further Trustees, a process in which all Members of the CIO are entitled to vote.
Relationship with any related parties	Para 1.51	The charity works alongside other local organisations including Plymouth City Council, South Hams Council, Brixton Parish Council, the Sherford Consortium, the Sherford Community Land Trust, SPACE (South Devon Youth Work service) and Sherford Vale Primary School. All of these links are casual rather than formalised.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2021****1 ACCOUNTING POLICIES****1a Basis of Accounting**

The financial statements have been prepared under the historical cost convention, as modified by the revaluation of certain fixed assets and investments measured at market value.

The financial statements have been prepared in accordance with the financial reporting standard for smaller entities (effective January 2015), and the requirements of accounting and reporting by charities: statement of recommended practice applicable to charities preparing their accounts in accordance with the financial reporting standard for smaller entities (effective January 2015) (SORP 2015).

The accruals basis of accounting has been adopted, and the principal accounting policies set out below are applied consistently.

1b Fund Accounting

Unrestricted funds are available for use at the discretion of the church in furtherance of its charitable objectives.

Designated funds are unrestricted funds earmarked by the trustees for particular purposes.

Restricted funds are subjected to restrictions on their expenditure imposed by the donor, or contained in the terms of a grant.

1c Tangible Fixed Assets

Depreciation is provided at the following annual rates calculated to write off assets over their estimated useful lives:

Fixtures & fittings	15% reducing balance
IT equipment	20% straight line

1d Incoming Resources

All voluntary giving is included in the financial statements for the period in which it is received.

Donations under gift aid plus the associated tax recovery are recognised as income when the donation is received.

Legacies are accounted for when their receipt is certain and can be properly quantified.
All other income is generally recognised when it is receivable.

1e Resources Expended

Resources expended are recognised in the period to which they are incurred and include attributable VAT which cannot be recovered. They are allocated to the particular activity to which they relate.

Governance costs represent direct expenditure on the governance of the church, including the production and independent scrutiny of these financial statements.

As most of the management and activity of the church is carried out by volunteers, this intangible cost is not included in the financial statements as this voluntary contribution to the life of the church is incalculable.

1f Taxation

The church is an excepted charity within the meaning of the taxes acts.

Accordingly it is potentially exempt from taxation in respect of income and capital gains received to the extent that such income or gains are applied to exclusively charitable purposes. No provision for taxation has been made in these financial statements.

INDEPENDENT EXAMINER'S REPORT

I report on the unaudited financial statements of Sherford Community Church for the year ended 31 December 2021, which are set out on pages 1 to 4.

Respective responsibilities

The charity is responsible for the preparation of the financial statements, and considers that the audit requirement of section 144(2) of the charities act 2011 (the Act) does not apply. It is my responsibility to state, on the basis of procedures specified in the general directions given by the charity commissioners under Section 145 (5)(b) of the Act, whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general directions given by the charity commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a "true and fair" view and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

1. which gives me reasonable cause to believe that in any material respect the requirements:

to keep accounting records in accordance with s.130 of the 2011; and

to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 2011 Act,

have not been met: or

2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Signed by the independent examiner:

Mr L J Hardacre

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2021****1 ACCOUNTING POLICIES****1a Basis of Accounting**

The financial statements have been prepared under the historical cost convention, as modified by the revaluation of certain fixed assets and investments measured at market value.

The financial statements have been prepared in accordance with the financial reporting standard for smaller entities (effective January 2015), and the requirements of accounting and reporting by charities: statement of recommended practice applicable to charities preparing their accounts in accordance with the financial reporting standard for smaller entities (effective January 2015) (SORP 2015).

The accruals basis of accounting has been adopted, and the principal accounting policies set out below are applied consistently.

1b Fund Accounting

Unrestricted funds are available for use at the discretion of the church in furtherance of its charitable objectives.

Designated funds are unrestricted funds earmarked by the trustees for particular purposes.

Restricted funds are subjected to restrictions on their expenditure imposed by the donor, or contained in the terms of a grant.

1c Tangible Fixed Assets

Depreciation is provided at the following annual rates calculated to write off assets over their estimated useful lives:

Fixtures & fittings	15% reducing balance
IT equipment	20% straight line

1d Incoming Resources

All voluntary giving is included in the financial statements for the period in which it is received.

Donations under gift aid plus the associated tax recovery are recognised as income when the donation is received.

Legacies are accounted for when their receipt is certain and can be properly quantified.
All other income is generally recognised when it is receivable.

1e Resources Expended

Resources expended are recognised in the period to which they are incurred and include attributable VAT which cannot be recovered. They are allocated to the particular activity to which they relate.

Governance costs represent direct expenditure on the governance of the church, including the production and independent scrutiny of these financial statements.

As most of the management and activity of the church is carried out by volunteers, this intangible cost is not included in the financial statements as this voluntary contribution to the life of the church is incalculable.

1f Taxation

The church is an exempted charity within the meaning of the taxes acts.

Accordingly it is potentially exempt from taxation in respect of income and capital gains received to the extent that such income or gains are applied to exclusively charitable purposes. No provision for taxation has been made in these financial statements.

INDEPENDENT EXAMINER'S REPORT

I report on the unaudited financial statements of Sherford Community Church for the year ended 31 December 2021, which are set out on pages 1 to 4.

Respective responsibilities

The charity is responsible for the preparation of the financial statements, and considers that the audit requirement of section 144(2) of the charities act 2011 (the Act) does not apply. It is my responsibility to state, on the basis of procedures specified in the general directions given by the charity commissioners under Section 145 (5)(b) of the Act, whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general directions given by the charity commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a "true and fair" view and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

1. which gives me reasonable cause to believe that in any material respect the requirements:

to keep accounting records in accordance with s.130 of the 2011; and

to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 2011 Act,

have not been met: or

2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Signed by the independent examiner:

Mr L J Hardacre
