**Summary of the objects of the charity set out in its governing document**

In accordance with Christian principles, the Object of the CIO is, for the public benefit, the relief of poverty, in particular but not limited to, widows and orphans in Kenya, in such ways as the Charity Trustees may from time to time decide.

**Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)**

The Trust works closely with its chosen mission partner in Kenya – Yala Widows and Orphans Support Project (YAWOSUP), registered as a Community Based Organisation (CBO) in 2008 – to improve the lives of the local community by supporting community development projects, specifically **Barbara Leighton Academy**, through the local provision of high-quality nursery and primary education. **Barbara Leighton Academy** was first established in 2013.

The Trust has established its grant making policy to achieve its objects for the public benefit by seeking to improve the lives of children (including Orphans and Vulnerable Children) in rural western Kenya.

In doing so, all Trustees have taken account of the guidance on public benefit issued by the Charity Commission.

## Section D

### Summary of the main achievements of the charity during the year

A major change this year has been that, as the result of a Kenya National Government decision, pupils are now expected to stay on for 3 more years within a new Junior Secondary School. It was felt important that we should offer this to the pupils in order to remain competitive.

This has brought some major changes and financial challenges to the school, including the construction of additional classrooms and latrines plus the recruitment of additional teachers. The parents have agreed to fund one teacher. This long-term financial commitment shows their eagerness to support the school.

The establishment of a Junior Secondary School within Barbara Leighton Academy has also required the provision of a new Science Laboratory and enhanced IT facilities, including an expanded Computer Laboratory.

The funding of our Feeding Programme for all pupils remains a top priority for the trustees and we have also been keen to fund participation in extracurricular activities, including local sports competitions and the establishment of a Scout Troop.

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

## Section E Financial review

### Brief statement of the charity's policy on reserves

The Trustees have agreed to maintain an increased General Reserve of £9000 to ensure that commitments can be maintained in the short term, in the event of a significant loss of income.

This policy is reviewed at least annually.

### Details of any funds materially in deficit

### Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.
