REPORT OF THE TRUSTEES FOR THE PERIOD ENDED 31 MARCH 2021

STRUCTURE, GOVERNANCE AND MANAGEMENT

Adopt a Bull Terrier Rescue (AaBTR) registered charity no 1175565, operates in England and Wales to assist in the rescue, rehabilitation and rehoming of Bull Terriers, Bulldogs, French Bulldogs, Pugs and cross breeds for example Frugs in need or at risk. Charity status was granted in November 2017 with 3 Trustees appointed to support this work. As two of the trustees are related to each other it was decided to appoint a person outside of the rescue to offer an unbiased view.

TRUSTEES

The Trustees who served the charity on the Committee during the period were as follows:

AIMS & OBJECTIVES

For the benefit of the public to relieve the suffering of dogs in need of care and attention and, in particular, to provide and maintain rescue homes or other facilities for the reception, care and treatment of such dogs.

We are one of the few rescues which help to care for disabled bull terriers which suffer from a condition known as LAD (Lethal Acrodermatitis), these special little bull terriers are lovingly known as Zincies. They suffer from dwarfism, skin issues and shortened palates. With the correct medical attention these little dogs can live up to 6 years.

AaBTR continue to be actively involved in the rescue and rehabilitation of French Bulldogs and associated crosses as well as Bull Terriers.

AaBTR are committed to making an impact on the rescue of dogs in difficult situations, abandoned, in dog pounds and those on death row and strive to ensure safe & loving homes are found for all those dogs that come into our care. AaBTR is run purely on a voluntary basis. All dogs are neutered/spayed, vaccinated and microchips updated.

AaBTR have partnered with Agria Pet Insurance and going forward all dogs will have 5 weeks free pet insurance to give adopters piece of mind.

COVID 19

The COVID pandemic that commenced March 2020, was not a situation that could be foreseen or planned for, this meant that a lot of rescue activities ceased as we were unable to conduct home checks and dog assessments etc. There were also difficulties in taking existing dogs to vets due to lockdown. Funds were affected due to varying factors, including unable to do more than one socialisation walk, rehoming of dogs and general outside activities.

FINANCIAL REPORT

Income for the period totalled £17,724 with expenditure of £5,263 resulting in a surplus for the period of £12,461.

Combined with the opening cash funds balance of £39,365 gives a closing cash funds balance of **£64,376**.

The trustees consider that an audit is not required for this year under section 144 (2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed. The charity's gross income does not exceed £250,000.00

REVIEW OF THE PERIOD

We are now in our third year as a registered charity and our reputation is growing as our financial report shows.

We have rescued/rehomed 23 Bull Terriers/French Bulldogs from April 2020 to 31 March 2021.

The decrease in the number of rescued dogs to previous years is due to the COVID pandemic. We were still able to operate under Animal Welfare rules however our intake was low compared to previous years. We were able to work with another registered charity to help rescue and rehome several Bull Terriers.

All dogs are assessed prior to being taken under our wing, unfortunately we cannot take any dogs known to have bitten or shown aggression as we cannot and will not put our fosterers or adopters at risk. All dogs which come into our rescue are health checked, vaccinated, neutered and/or spayed (as long as they are old enough).

Our members help by fostering and adopting, doing home checks, assessing dogs and helping with the transport of dogs to their new homes. As a rescue, we also conduct follow up reviews and provide ongoing support and advice to all our rescue dogs and their adopters.

Due to the COVID pandemic we put new applications and home checks on hold. The dogs we did put into foster and rehomed were put into homes that were already existing fosters or were already approved for adoption. All COVID rules regarding PPE/social distancing were followed during any handover.

The financial position is strong at the statement of financial position date. The charity continues to rely on fundraising and donations to support its work. Again due to the COVID pandemic our fundraising was affected, we were unable to run the usual number of Bull Terrier/Frenchie walks, however, we were able to still run auctions and the annual calendar. Our members have continued to be very supportive with their donations.

Vet bills remain our biggest and most necessary cost however, we have formed partnerships with several veterinary practices to endeavour to keep costs to a minimum; obtaining discounts on day to day surgeries such as spaying and neutering and also more complex surgeries where in-house hospitalisation is necessary.
