REPORT OF THE TRUSTEES FOR THE PERIOD ENDED 31 MARCH 2022

STRUCTURE, GOVERNANCE AND MANAGEMENT

Adopt a Bull Terrier Rescue (AaBTR) registered charity no 1175565, operates in England and Wales to assist in the rescue, rehabilitation and rehoming of Bull Terriers, Bulldogs, French Bulldogs, Pugs and cross breeds for example Frugs, in need or at risk. Charity status was granted in November 2017 with 3 Trustees appointed to support this work. As two of the trustees are related to each other it was decided to appoint a person outside of the rescue to offer an unbiased view.

TRUSTEES

The Trustees who served the charity on the Committee during the period were as follows:

AIMS & OBJECTIVES

For the benefit of the public to relieve the suffering of dogs in need of care and attention and, in particular, to provide and maintain rescue homes or other facilities for the reception, care and treatment of such dogs.

We are one of the few rescues which help to care for disabled bull terriers which suffer from a condition known as LAD (Lethal Acrodermatitis), these special little bull terriers are lovingly known as Zincies. They suffer from dwarfism, skin issues and shortened palates. With the correct medical attention these little dogs can live up to 6 years.

AaBTR continue to be actively involved in the rescue and rehabilitation of French Bulldogs and associated crosses as well as Bull Terriers.

AaBTR are committed to making an impact on the rescue of dogs in difficult situations, abandoned, in dog pounds and those on death row and strive to ensure safe & loving homes are found for all those dogs that come into our care. AaBTR is run purely on a voluntary basis. All dogs are neutered/spayed, vaccinated and microchips updated.

AaBTR have partnered with Agria Pet Insurance and going forward all dogs will have 5 weeks free pet insurance to give adopters piece of mind.

COVID 19

The COVID pandemic that commenced March 2020 and continued for several months impacted the revenue and operating capabilities into 2021, this was not a situation that could be foreseen or planned for. We struggled to conduct many rescue activities for example home checks and dog assessments etc. Funds were affected due to varying factors, socialisation walks, rehoming of dogs and general outside activities.

FINANCIAL REPORT

Income for the period totalled £27,220 with expenditure of £15,280 resulting in a surplus for the period of £11,939.

Combined with the opening cash funds balance of £64,376 gives a closing cash funds balance of **£76,316**.

The trustees consider that an audit is not required for this year under section 144 (2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed. The charity's gross income does not exceed £250,000.00

REVIEW OF THE PERIOD

We are now in our fourth year as a registered charity and our reputation is growing as our financial report shows.

We have rescued/rehomed 23 Bull Terriers/French Bulldogs from April 2020 to 31 March 2021. For the period 2021 to 2022 this increased to 44. Although there was an increase in the number of rescued dogs to the previous year, this was still less than other years due to the COVID pandemic and economic issues. We were still able to operate under Animal Welfare rules however our intake was low compared to previous years. We were able to work with another registered charity to help rescue and rehome several Bull Terriers.

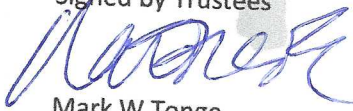

All dogs are assessed prior to being taken under our wing, unfortunately we cannot take any dogs known to have bitten or shown aggression as we cannot and will not put our fosterers or adopters at risk. All dogs which come into our rescue are health checked, vaccinated, neutered and/or spayed (as long as they are old enough).

Our members help by fostering and adopting, doing home checks, assessing dogs and helping with the transport of dogs to their new homes. As a rescue, we also conduct follow up reviews and provide ongoing support and advice to all our rescue dogs and their adopters.

The financial position is strong at the statement of financial position date. The charity continues to rely on fundraising and donations to support its work. Again due to the COVID pandemic our fundraising was affected, we were unable to run the usual number of Bull Terrier/Frenchie walks, however, we were able to still run auctions and the annual calendar. Our members have continued to be very supportive with their donations.

Vet bills remain our biggest and most necessary cost however, we have formed partnerships with several veterinary practices to endeavour to keep costs to a minimum; obtaining discounts on day to day surgeries such as spaying and neutering and also more complex surgeries where in-house hospitalisation is necessary.
