Summary of the objects of the charity set out in its governing document

The objects of the Siva Nandhi Foundation are, for the public benefit, to relieve poverty and advance education of people in need, to advance the Hindu religion, especially Hindu Saivism, in the wider community and the promotion of religious harmony through promoting knowledge and mutual understanding and respect of the beliefs and practices of different faiths.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

The continuing Covid-19 pandemic into its second year has primarily driven our service efforts in 2021. We provided emergency food aid to families in Sri Lanka who were unable to sustain themselves due to the economic and social impact caused by the global pandemic. We also supported two charities in the UK namely Age (UK) and Save the Children.

Additional details of objectives and activities (Optional information)

The Foundation's programme in 2021 was driven by the unprecedented need that has been created by the continuing Covid-19 pandemic. We are a small charity and, thanks to our donors, we were able to offer some relief for some people who had been facing hardship during the pandemic.

You **may choose** to include further statements, where relevant, about:
