Grimsby Ice Rink

Trustees' Report

The trustees, who are directors for the purposes of company law, present the annual report together with the financial statements of the charitable company for the year ended 31 August 2022.

Objectives and activities

Objects and aims

Grimsby Ice Rink is committed to continuing the provision of ice sports for North East Lincolnshire and the surrounding areas. This includes the continuation of Ice Hockey training and matches, figure skating training and recreational skating.

Our aims:

- * To make ice sports accessible for all
- * To increase the number of people enjoying ice sports
- * To promote a healthier lifestyle by the inclusion of people in ice sports
- * To promote the facility for North East Lincolnshire and the wider area
- * To expand the ice skating community

Fundraising disclosures

Grimsby Ice Rink has approached fundraising in a number of ways these include:

- * Sale of dasher boards as advertising to local businesses. This was promoted by emailing local businesses and promoting on social media.
- * Free Ice hockey experience sessions
- * Reduced price themed discos
- * Staff do not ask for donations, but a donations pot is on the desk if people would like to donate

Public benefit

Grimsby Ice Rink has also enabled more schools and community groups to hire the facility or come to public sessions for a reduced fee. This has led to a number of bookings.

Promotions have been offered during the year including the following:

- * Free skate aids during certain holiday periods
- * Free ice skate hire leaflets
- * Free adult with each child on the tots session
- * Social media giveaways of a free family skate
- * Gifts to schools and local companies of a free family pass to giveaway

The trustees confirm that they have complied with the requirements of section 17 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

Achievements and performance

Grimsby Ice Rink has joined IRMA (Ice Rink Managers Association) which acts as a support network of rinks across the county. This has allowed our staff to visit other rinks for training and we have also benefited from another manager within the association visiting us for a day to review how we operate and suggest improvements.

We have also benefited from national publicity as ITV's Dancing on Ice has used the rink as a training facility.

We have attracted some top level skate coaches who are working with the rink and also producing skate camps for our top skaters.

Financial review

During the year, the charity has generated a net surplus of £9,323 which is wholly made up of unrestricted funds.

Grimsby Ice Rink

Trustees' Report

Policy on reserves

Reserves are currently in a deficit position of £32,993. Free reserves (excluding fixed assets) are £45,302 in deficit. The charity aims to build reserves to cover at least 3 month's of fixed costs.

Going concern

The charity was heavily impacted by Covid-19 due to the closure of the rink and reduction in the number of sessions available for an extended period of time, which resulted in reserves falling into a deficit position. In order to balance the reserves and provide a surplus position the charity has been carrying out the following activities:

- We have introduced branded merchandise for example hoodies and water bottles, to try and add to our revenue.
- We are working with the staff and advertising, and improving our social media presence, along with adding other platforms.
- We are working with experienced coaches to make improvements.
- We are applying for further grants which we can utilise to support the charity.

At the time of sign off the charity is recording an in year surplus which should be sufficient to carry forward positive reserves. This trend is expected to continue over the next 12 months following the signing of these financial statements.

Trustees and officers

The trustees and officers serving during the year and since the year end were as follows:

Structure, governance and management

Nature of governing document

Grimsby Ice Rink is an independent not for profit charitable company limited by guarantee, set up to deliver an Ice Sports facility in and around North East Lincolnshire. The liability in respect of the guarantee is limited to £10 per member of the Charitable company.

In November 2017 the company received charitable status, and adopted a new Articles of Association.

Recruitment and appointment of trustees

The charitable company has recruited the trustees from the Grimsby Ice Rink Community Group, which is a group that consists of skaters, parents and coaches. This was formed to save the Ice Rink from closure by the Council and prepared a community asset transfer to take over the running of the facility.

The existing trustees have a range of backgrounds and skills that reflect the Charitable company's operations and wider objectives. Any further recruitment of trustees will follow a process of application and interview, and subject the final proposal at the appropriate board meeting, a vote is undertaken and the appointment duly reported.

Small companies provision statement

This report has been prepared in accordance with the small companies regime under the Companies Act 2006.

Independent Examiner's Report to the trustees of Grimsby Ice Rink ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 August 2022.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of Grimsby Ice Rink as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Grimsby Ice Rink

Notes to the Financial Statements for the Year Ended 31 August 2022

1 Charity status

The charity is limited by guarantee, incorporated in United Kingdom, and consequently does not have share capital. Each of the trustees is liable to contribute an amount not exceeding £10 towards the assets of the charity in the event of liquidation.

The address of its registered office is:

26 South Saint Mary's Gate
Grimsby
North East Lincolnshire
DN31 1LW

These financial statements were authorised for issue by the trustees on 23 August 2023.

2 Accounting policies

Summary of significant accounting policies and key accounting estimates

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Statement of compliance

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102). They also comply with the Companies Act 2006 and Charities Act 2011.

Basis of preparation

Grimsby Ice Rink meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

The financial statements cover the individual entity, Grimsby Ice Rink.

The financial statements are presented in sterling and rounded to the nearest pound.

Going concern

Specifically in connection with the current economic climate, the trustees have considered the impact of COVID-19 on the charity and they are satisfied that the charity has sufficient financial headroom to continue trading for at least the next twelve months. Cashflow forecasts have been prepared and management accounts look in a more favorable position in the next financial year. For this reason the financial statements have been prepared on a going concern basis.

Income and endowments

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of the income receivable can be measured reliably.

Donations and legacies

Donations are recognised when the charity has been notified in writing of both the amount and settlement date. In the event that a donation is subject to conditions that require a level of performance by the charity before the charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the charity and it is probable that these conditions will be fulfilled in the reporting period.

Grimsby Ice Rink

Notes to the Financial Statements for the Year Ended 31 August 2022

Grants receivable

Grants are recognised when the charity has an entitlement to the funds and any conditions linked to the grants have been met. Where performance conditions are attached to the grant and are yet to be met, the income is recognised as a liability and included on the balance sheet as deferred income to be released.

Deferred income

Deferred income represents amounts received for future periods and is released to incoming resources in the period for which, it has been received. Such income is only deferred when:

- The donor specifies that the grant or donation must only be used in future accounting periods; or
- The donor has imposed conditions which must be met before the charity has unconditional entitlement.

Investment income

Dividends are recognised once the dividend has been declared and notification has been received of the dividend due.

Expenditure

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

Raising funds

These are costs incurred in attracting voluntary income, the management of investments and those incurred in trading activities that raise funds.

Charitable activities

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Support costs

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, for example, allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

Governance costs

These include the costs attributable to the charity's compliance with constitutional and statutory requirements, including audit, strategic management and trustees meetings and reimbursed expenses.

Government grants

Government grants are recognised based on the accrual model and are measured at the fair value of the asset received or receivable. Grants are classified as relating either to revenue or to assets. Grants relating to revenue are recognised in income over the period in which the related costs are recognised. Grants relating to assets are recognised over the expected useful life of the asset. Where part of a grant relating to an asset is deferred, it is recognised as deferred income.

Grimsby Ice Rink

Notes to the Financial Statements for the Year Ended 31 August 2022

Taxation

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

Tangible fixed assets

Individual fixed assets costing £500.00 or more are initially recorded at cost.

Depreciation and amortisation

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

Asset class	Depreciation method and rate
Office equipment	20% straight line
Plant and machinery	20% straight line / 33% straight line

Trade debtors

Trade debtors are amounts due from customers for merchandise sold or services performed in the ordinary course of business.

Trade debtors are recognised initially at the transaction price, less provision for impairment. A provision for the impairment of trade debtors is established when there is objective evidence that the charity will not be able to collect all amounts due according to the original terms of the receivables.

Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and call deposits.

Trade creditors

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Accounts payable are classified as current liabilities if the charity does not have an unconditional right, at the end of the reporting period, to defer settlement of the creditor for at least twelve months after the reporting date. If there is an unconditional right to defer settlement for at least twelve months after the reporting date, they are presented as non-current liabilities.

Trade creditors are recognised at the transaction price.

Fund structure

Unrestricted income funds are general funds that are available for use at the trustees discretion in furtherance of the objectives of the charity.

Restricted funds must only be used for a specific purpose.
