THE GRACE DEAR TRUST

TRUSTEES' REPORT FOR THE YEAR ENDED 31 JULY 2025

The Trustees present their annual report together with the financial statements of the The Grace Dear Trust for the year 1 August 2024 to 31 July 2025.

Objectives and activities

Policies and objectives

The objects of the Charity are;

a) The preservation and protection of mental health among young people residing permanently or temporarily in the South of England by the provision of help and support to such young people who have experienced or who are experiencing mental health problems.

b) The advancement of education of mental health issues among young people to promote understanding in the wider community.

The Grace Dear Trust works daily to promote mental health and wellbeing among young people by partnering with local schools to fund seminars, counselling support, and other initiatives focused on improving mental wellbeing. Through this ongoing support, the charity enables schools to access vital mental health resources without diverting funds from core education, helping young people receive timely guidance in a safe and supportive environment.

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public benefit: running a charity (PB2)'.

Achievements and performance

Main achievements of the Charity

The main focus for the Charity in 2024-25 was to continue to build our relations with local schools, understand their needs and work with them to support mental health. We have increased the number of schools we support to 15 (2024: 14). Support comes in different forms from funding of counselling services, mental health training and conferences including self harm and eating disorders. We continue to provide funds for Mental Health First Aid to schools and local Sports Clubs.

In total, during 2024-25 we provided support totalling £115,351 (2024: £109,004) to schools and local groups and the trustees are pleased to report that this level of support has been provided with volunteer support only with minimal overhead costs. Our main costs are website design and maintenance, insurance and promotional materials. We have no employees and the bulk of all money raised is therefore directly available to support our objects as referred to above.

The Charity is well placed to continue its support to our communities in 2025-26 and we are actively discussing with schools ways in which we can support mental health in our communities.

Financial review

The financial results and statement of assets and liabilities are shown on pages 5 and 6. In summary the Charity reported an excess of receipts over payments of £5,189.

The Charity organises approximately 6-7 fund raising events a year and also has a number of supporters who organise their own fund raisers on the Charity's behalf.

In 2024-25 our gross income was £146,065 (2024: £101,877) and net of fund raising costs £125,164 (2024: £83,933). As at 31 July 2025 the Charity held funds of £114,068 (2024: £108,879).

Going concern

After making appropriate enquiries, the Trustees have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the accounting policies.

THE GRACE DEAR TRUST

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 JULY 2025

Reserves policy

As overhead costs are low the level of reserves required are low.
The Charity only commits funds that are already generated to ensure that it remains solvent at all times.
Funds raised for specific purposes are distributed in accordance with any conditions of that fund raising, for example grants.

Structure, governance and management

Constitution

The Grace Dear Trust is a registered charity, number 1175955, and is constituted under a Trust deed. The Constitution was adopted on 24 November 2017.

Methods of appointment or election of Trustees

The management of the Charity is the responsibility of the Trustees who are elected and co-opted under the terms of the Trust deed.

Trustees are appointed as volunteers and based on their connection with the founding rationale for the charity, their experience and skills needed to pursue the objectives of the Trust, to drive strategy and also ensure effective management.

Members' liability

The Members of the Charity guarantee to contribute an amount not exceeding £1 to the assets of the Charity in the event of winding up.

Statement of Trustees' responsibilities

The Trustees are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Charity and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the Charity's transactions and disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the Trust deed. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT AUDITORS' REPORT TO THE OF THE GRACE DEAR TRUST

Independent examiner's report to the Trustees of The Grace Dear Trust ('the Charity')

I report to the charity Trustees on my examination of the accounts of the Charity for the year ended 31 July 2025.

Responsibilities and basis of report

As the Trustees of the Charity you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the 2011 Act').

I report in respect of my examination of the Charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

Your attention is drawn to the fact that the Charity has prepared the accounts in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has been withdrawn.

I understand that this has been done in order for the accounts to provide a true and fair view in accordance with the Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Charity as required by section 130 of the 2011 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

This report is made solely to the Charity's Trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. My work has been undertaken so that I might state to the Charity's Trustees those matters I am required to state to them in an Independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the Charity and the Charity's Trustees as a body, for my work or for this report.

THE GRACE DEAR TRUST

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 JULY 2025

1. General information

The Charity is a trust registered as a Charitable Incorporated Organisation. The principal address is 73, Telegraph lane, Claygate, Esher, Surrey KT10 0DT.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair' view. This departure has involved following the Charities SORP (FRS 102) published in October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

The Grace Dear Trust meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

2.2 Income

All income is recognised once the Charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Grants are included in the Statement of financial activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance sheet. Where income is received in advance of entitlement of receipt, its recognition is deferred and included in creditors as deferred income. Where entitlement occurs before income is received, the income is accrued.

2.3 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Expenditure on raising funds includes all expenditure incurred by the Charity to raise funds for its charitable purposes and includes costs of all fundraising activities events and non-charitable trading.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the Charity's objectives, as well as any associated support costs.

Grants payable are charged in the year when the offer is made except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the year end are noted as a commitment, but not accrued as expenditure.

2.3 Expenditure (continued)

All expenditure is inclusive of irrecoverable VAT.

2.4 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Charity; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

2.5 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

2.6 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

2.7 Fund accounting

Structure, Governance and Management

Governing document : Constitution adopted on 24 November 2017

The Charity Is a trust registered as a Charitable Incorporated Organisation

Trustees are appointed as volunteers and based on their connection with the founding rationale for the charity, their experience and skills needed to pursue the objectives of the Trust, to drive strategy and also ensure effective management and governance.

Objectives and Activities

The objects of the Charity are :

- a) The preservation and protection of mental health among young people residing permanently or temporarily in the South of England by the provision of help and support to such young people who have experienced or who are currently experiencing mental health problems.
- b) The advancement of education of mental health issues among young people to promote understanding in the wider community.

The trustees have had regard to the guidance issued by the Charity Commission on providing a public benefit and consider that the activities undertaken fulfil the charitable purposes of the Trust.

Achievements and performance

The financial results and statement of assets and liabilities are shown on page 2. In summary the Charity reported an excess of payments over receipts of £33,460 this year. This primarily arose due to a one off donation of £33,000 to Holyfield School towards their new Multigym facility and Well Being sensory room.

The charity organises approximately 6-7 fund raising events a year and we also have a number of supporters who organise their own fund raisers on our behalf.

In 2023-24 our gross income was £101,877 and net of fundraising costs £83,933.

The main focus for the Charity in 2023-24 was to continue to build our relations with local schools, understand their needs and work with them to support mental health. We have increased the number of schools we support to 14 in 2023-24. Support comes in different forms from funding of counselling services, mental health training and conferences including self harm and eating disorders. We continue to provide funds for Mental Health First Aid to schools and local Sports Clubs.

In total, in 2023-24 we provided support totalling £109,004 to schools and local groups and the trustees are pleased to report that this high level of support has been provided with volunteer support only with minimal overhead. Our main costs are website design and maintenance, insurance and promotional materials. We have no employees and the bulk of all money raised is therefore directly available to support our objects as referred to above.

The Charity is well placed to continue its support to our communities in 2024-25 and we are actively discussing with schools other ways in which we can support mental health in our communities.

Financial Review

The Charity only commits funds that are already generated to ensure that it remains solvent at all times.

Funds raised for specific purposes are distributed in accordance with any conditions of that fund raising, for example grants.

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF
THE GRACE DEAR TRUST**

Independent examiner's report to the trustees of The Grace Dear Trust ('the Charity')

I report to the charity trustees on my examination of the accounts of the Charity for the year ended 31 July 2024.

Responsibilities and basis of report

As the trustees of the Charity (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Charity are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

Independent examiner's statement

I can confirm that I am qualified to undertake the examination because I am a registered member of Institute of Chartered Accountants in England and Wales which is one of the listed bodies.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe:

- 1) accounting records were not kept in respect of the Charity as required by section 386 of the 2006 Act; or
- 2) the accounts do not accord with those records; or
- 3) the accounts do not comply with the accounting requirements of Section 396 on the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
- 4) the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and

reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Governing document : Constitution adopted on 24 November 2017

The Charity is a trust registered as a Charitable Incorporated Organisation

Trustees are appointed as volunteers and based on their connection with the founding rationale for the charity, their experience and skills needed to pursue the objectives of the Trust, to drive strategy and also ensure effective management and governance.

Objectives and Activities

The objects of the Charity are :

- a) The preservation and protection of mental health among young people residing permanently or temporarily in the South of England by the provision of help and support to such young people who have experienced or who are currently experiencing mental health problems.
- b) The advancement of education of mental health issues among young people to promote understanding in the wider community.

The trustees have had regard to the guidance issued by the Charity Commission on providing a public benefit and consider that the activities undertaken fulfil the charitable purposes of the Trust.

Achievements and performance

The financial results and statement of assets and liabilities are shown on page 2. In summary the Charity reported a surplus of £20,436 during the year.

The charity organises approximately 6-7 fund raising events a year and we also have a number of supporters who organise their own fund raisers on our behalf. During the year this included both companies and individuals from the community and we continue to be fortunate enough to have a large bank of supporters who look to raise funds for the trust each year.

In 2022-23 our gross income was £117,979 and net of fundraising costs £102,640.

The main focus for the Charity in 2022-23 was to continue to build our relations with local schools, understand their needs and work with them to support mental health. We have continued to support 11 schools in 2022-23. Support comes in different forms from funding of counselling services, mental health training and conferences including self harm and eating disorders. We continue to provide funds for Mental Health First Aid to schools and local Sports Clubs.

In total, in 2022-23 we provided support totalling £72,485 to schools and local groups and the trustees are pleased to report that this high level of support has been provided with volunteer support only with minimal overhead. Our main costs are website design and maintenance, insurance and promotional materials. We have no employees and the bulk of all money raised is therefore directly available to support our objects as referred to above.

The Charity is well placed to increase its support to our communities in 2023-24 and we are actively discussing with schools and others ways in which we can support further mental health in our communities. We will expand further the geographic spread of the schools we support, will continue to support the Grace Dear Theatre project as well as introduce additional Arts projects to aid mental well being among young people both inside and outside of the school gates.

Financial Review

The Charity only commits funds that are already generated to ensure that it remains solvent at all times.

Funds raised for specific purposes are distributed in accordance with any conditions of that fund raising, for example grants.

Declaration

Achievements and performance

The financial results and statement of assets and liabilities are shown on page 2. In summary the Charity reported a surplus of £19,899 during the year.

As reported last year, the Charity post Covid lock downs would seek to reintroduce its fund raising events in 2021-22.

We are therefore pleased to report that this year our gross income rose to £142,800 up from £84,417 in the prior year. The Charity received a £4,000 grant from Elmbridge Borough Council to support counselling at schools. However, we were also delighted to be chosen by the current Mayor of Elmbridge to be his Charity of the Year.

This had a significant effect on this year under review as not only did the total sum raised exceed £90,000, the publicity that the events held provided us with a significant increase in profile throughout the borough and beyond helping advance the awareness of mental health.

The trust has continued to be supported by several companies with their staff holding fund raisers on our behalf or for us to be nominated for an award during the year reflecting the support we get from our community. We see an increasing number of businesses recognising the importance of mental health and this is reflected in the support we receive.

The main focus for the Charity in 2021-22 was to continue to build our relations with local schools, understand their needs and work with them to support mental health. We have continued to support 9 schools in 2021-22. Support comes in different forms from funding of counselling services, mental health training and conferences including self harm and eating disorders. We continue to provide funds for Mental Health First Aid to schools and local Sports Clubs.

In total, in 2021-22 we provided support totalling £101,255 to schools and local groups and the trustees are pleased to report that this record level of support has been provided with volunteer support only with minimal overhead. Our main costs are website design and maintenance, insurance and promotional materials. We have no employees and the bulk of all money raised is therefore directly available to support our objects as referred to above.

Having achieved our goal of re-establishing our fund raising activities in 2021-22 we are now in a strong position going into 2022-23 to look for further opportunities to support mental health in our communities. We will expand further the geographic spread of the schools we support, will continue to support the Grace Dear Theatre project as well as introduce additional Arts projects to aid mental well being among young people both inside and outside of the school gates.

b) The advancement of education of mental health issues among young people to promote understanding in the wider community.

The trustees have had regard to the guidance issued by the Charity Commission on providing a public benefit and consider that the activities undertaken fulfil the charitable purposes of the Trust.

Achievements and performance

The financial results and statement of assets and liabilities are shown on page 2. In summary the Charity reported a deficit of £14,173 during the year. Fund raising during the Covid 19 pandemic has been difficult although the trustees are delighted to have continued to receive donations and funds from events run by supporters totalling over £75,000. The Charity received a £2,000 grant from Elmbridge Borough Council to support counselling at schools, a grant of £2,250 from Surrey County Council, £2,500 from Kingston Borough Council and a further £500 from National Lottery.

The trust has continued to be supported by several companies with their staff holding fund raisers on our behalf during the year reflecting the support we get from our community. We see an increasing number of businesses recognising the importance of mental health and this is reflected in the support we receive.

The main focus for the Charity in 2020-21 was to continue to build on our relations with local schools, understand their needs and work with them to support mental health. We have increased the number of schools which we now support to 9 going into 2021-22. Support comes in different forms from funding of counselling services, mental health training and conferences including self harm and eating disorders. We continue to provide funds for Mental Health First Aid to schools.

Notwithstanding the financial effect of the pandemic, the charity has increased its support for schools during the year recognising the importance of such support more than ever during periods of lockdown and school closures. The total amount that the charity donated in 2020-21 increased to £93,356 up from £54,392 in 2019-20.

As the country opens up again post pandemic, the trust is able to recommence fund raisers such as the tennis tournament, golf day and dinner dance and hopefully this will allow us to continue to maintain the level of support we have managed to provide the community in 2020-21. We have eaten into brought forward reserves in this last financial year so it is important to now organise more fund raising events to increase our income again.

The trustees have had regard to the guidance issued by the Charity Commission on providing a public benefit and consider that the activities undertaken fulfil the charitable purposes of the Trust.

Achievements and performance

The financial results and statement of assets and liabilities are shown on page 2. In summary the Charity has generated a surplus of £9,699 during the year. Funds raised are generated by a mix of events such as sponsored runs, a tennis tournament and a music festival amongst others. In addition the Charity received a £2,000 grant from Elmbridge Borough Council to support the counselling that the Charity funds for local schools. The financial results for the year have been severely affected by the Covid-19 pandemic as nearly all of our fund raising activities involve people and crowds. The period before the pandemic showed a healthy increase in both revenues and net receipts and to illustrate the point the 5 months to December 2019 recorded Receipts of £72,681 with the following 7 months recording just £12,072. We were unable to hold the Viva Forever Festival and also had to cancel many sponsored events such as half marathons.

The trust has continued to be supported by several companies with their staff holding fund raisers on our behalf during the year reflecting the support we get from our community. We see an increasing number of businesses recognising the importance of mental health and this is reflected in the support we receive. In particular we have received matched funding support from Simply Finance whose staff elected our charity to be their chosen charity for the year.

The main focus for the Charity in 2019-20 was to continue to build on our relations with local schools, understand their needs and work with them to support mental health. We have increased the number of schools which we now support to 9 going into 2020-21. Support comes in different forms from funding of counselling services, mental health training and conferences including self harm and eating disorders. We continue to provide funds for Mental Health First Aid to schools.

Notwithstanding the financial effect of the pandemic, the charity has increased its support for schools during the year recognising the importance of such support more than ever during periods of lockdown and school closures.

In November 2019 we held a charity Dinner Dance and raised a surplus in the region of £9,500. Also we received a donation of £17,500 on that night from The Anthony Cowdy Trust. These funds were to be used to pump prime the launch of The Grace Dear Youth Theatre which was referred to in our report last year. Whilst live theatre activities with young people has been curtailed during the pandemic, the Youth Theatre has continued to be active with on line activities, newsletters and other projects to maintain contact with and widen participation. Innovative projects and new concepts are being developed alongside our theatre partner, Bounce Theatre and these will hopefully ensure that engagement is maintained with our target audience until hopefully normal live theatre projects can be resumed in 2021.

The charity is pleased to report that, together with amounts it has granted between this year end and December 2020, the cumulative support that the charity has provided to our local communities has now exceeded £100,000.
