Objects and activities of the charity

The purposes of the charity as set out in its governing document.

In furtherance of these objectives, 'Street vibes':

Organises cultural, education, and youth programs.

Holds participative class/workshop for youths.

Provide support services for the local community.

Provides support and facilities to its members. Provides one-to-one mentoring.

Deliver outreach and detached youth work.

The main activities undertaken in relation to those purposes during the year.

Streetvibe Young People's Service has undertaken the following activities in relation to our main purpose of engaging with young people between the ages of 8-25 in Leicester and Leicestershire:

Provided youth services for young people aged 13-19 across Leicester and Leicestershire.

We have also delivered through prevent funding with augmented information cards.

The main activities undertaken during the year to further the charity's purpose for the public benefit.

Streetvibe Young People's Service continues to deliver detached youth work and has also got the youth bus with a view to being back on the streets once all compliances have been met. We have fully adapted our working practice to fall in line with government guidelines. We have secured funding to continue looking for funding as well as delivery and are in the process of developing well-being workshops and a holistic well-being program to be used alongside the one-to-one mentoring.

How the activities undertaken during the year contributed to the achievement of the aims and objectives.

Our activities have enabled us to contribute to our objectives in the following ways:

By providing our youth engagement we have reached people and helped them to develop their skills, capacities, and capabilities via informal education methods. Our workshops have advanced young people's education by making them aware of important issues, such as radicalisation and ways to stay safe online with a digital information card. We have been able to provide a consistent program of support throughout this current difficult time and have worked across the city and county of Leicester and Leicestershire delivering detached youth work.

Resources used in the activities undertaken during the year.

We have delivered detached youth work in areas where anti-social behaviour is prevalent, and have provided a bridge for young people who are isolated and not accessing services, to have support and be heard by negotiating on their behalf with funders. This has been particularly important with the current Covid 19 situation as young people have been extremely isolated and we wanted to ensure that they still had support networks available to them.

The main achievements and performance of the charity during the year.

As a charity, we have continued to face cuts to funding. The cuts have had a huge impact on our service. We have continued to draw down funding to enable us to deliver across the city and county and have secured funding although short term to engage with young people who are living in deprivation and poverty and provided essential support services. In Particular, we have been able to support young people during the pandemic and be seen in the area so that they know that support is still available. We started a young parent's group to give young mothers support and a safe space to meet up and navigate any issues they may be facing. We continued to offer support with any issues affecting them.

The difference the charity's performance during the year has made to the beneficiaries of the charity.

Another year of living through the Pandemic has brought with it many different challenges for Streetvibe. We have also spent this time working on the bus and doing a makeover to get it back out for the next financial year. We have been looking at various funding streams and networking to ensure a good level of promoting our services as the pandemic has created a gap in communication with agencies which we are now re-establishing. We are hopeful for the future and continue to look at new and innovative ways to engage with young people to support them within their communities. Throughout

Streetvibe Young Peoples Services (SYPS) Ltd
Company Registration Number - 06582276

the year we have been able to give young people support across our services and keep communication going with community agencies and young people. We have been able to inform funders of the needs of young people in areas of high deprivation and continue to advocate for young people across the city and county.

The degree to which the achievements and performance during the year have benefited wider society.

By continuing to advocate for young people we have been able to inform funders and local agencies of the needs of the young people within their communities. We have supported young people to access support services and to provide family support through one-to-one mentoring which has increased positive family relationships and increased participation in positive activities. We have been able to provide a supportive framework for agencies to signpost young people for referral to the mentoring program, therefore, ensuring that young people continue to have access to support when in need.

How do the achievements during the year measure up to the objectives set?

Our achievements this year have met all our objectives set. We have managed to receive funding for projects across Leicester and Leicestershire and this has enabled us to increase our reach and improve our delivery.

Structure, governance, and management of the charity

Charity status was gained by Streetvibe in 2018. The Management Committee, which includes the company's trustees, comprises 8 members which include former service users, local supporters of SYPS's work, and partnership organisations. The Committee meets quarterly to review the work of the organisation, and review the company's financial status and any operational issues with the overall running of the organisation. The company's trustees have an executive overview, enabling them to work in an emergency if needed and report back to the management committee on any action they may need to take.

The methods used to recruit and appoint new charity trustees.

Streetvibe annually encourages new management committee members, offering new members training via Voluntary Action Leicester. Recruitment is looked at via current trustees and committee members looking at the support that might be needed for the organisation over the next 12-month period. This has previously included people with youth work, financial, and fundraising knowledge. We have two new management committee members volunteering this year.

The policies and procedures for the induction and training of trustees.

Streetvibe as a youth work provider has a wide range of policies and procedures governing its practice. Policy updates are done with all members and trustees, with people with knowledge from outside the organisation being brought in on an as-and-when-necessary basis.

How the charity makes decisions and how decisions are delegated.

The charity makes its decisions at the management committee meetings held quarterly. If there is a specific issue the organisation needs to investigate, a task and finish group can be set up by trustees to deal with such issues, reporting back to trustees and the management committee within a period of time set by the trustees.

The Trustees review the reserves policy which includes a consideration of the nature of income and expenditure stream, the requirements to match variable income with fixed commitments and consideration of the nature of reserves. In particular, the Companies Act 2006 and charity law require the Board of Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity as at the end of the financial year and of the surplus or deficit of the charity. - to prepare the accounts in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law).
- select suitable accounting policies and apply them consistently;
- make judgements and estimates that are reasonable and prudent; - prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business;
- state whether applicable accounting standards and statements of recommended practice have been followed, subject to any material departures disclosed and explained in the financial statements;

The law requires that the trustees must not approve the accounts unless they are satisfied that they give a true and fair view of the state of affairs of the charity and of the surplus or deficit of the charity for the year. The Trustees are also responsible for maintaining adequate accounting records which disclose with reasonable accuracy at any time the financial position of the charity and which are sufficient to show and explain the charity's transactions and enable them to ensure that the financial statements comply with the Companies Act 2006 and comply with regulations made under the Charities Act. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities. Independent Examiner's Report

to the Trustees of Streetvibe Young Peoples Services (SYPS) Ltd

I report to the charity trustees on my examination of the accounts of the company for the year ended (date) which are set out on pages 7 to 14.

Responsibilities and basis of report

As the charity trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your company's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
